To The Honorable Board of Supervisors,

I submit this letter to you as it is my understanding that the request submitted to you from Terry LeMoncheck, Executive Director of Arts and Culture El Dorado for \$95,600.00, is critical to the sustainability of this organization; and the diverse & essential programs they support.

This organization operates on a lean budget and candidly, it is remarkable that they can provide the extensive amount of activities and events supporting such a huge scope of people in this community with such diversity.

I have heard and seen positive results and impacts on the people engaged in their activities. I genuinely urge you to continue to support such a worthwhile and essential organization in our community. In this next budget year. I hope to collaborate with Terry to have people from MORE participate in a number of their activities.

It is without question, that I strongly recommend that you provide Arts & Culture with their budget request, and if feasible, an increase if your budget will allow.

With Respect & Gratitude for all the Good You Do to Make This Community Better,

A handwritten signature in blue ink that reads "Susie Davies".
