EXHIBIT D - BOARD OF SUPERVISORS RESOLUTION OF INTENTION NO. 39-2022

RESOLUTION NO. 039-2022

**RESOLUTION OF INTENTION OF THE BOARD OF SUPERVISORS OF THE COUNTY OF
EL DORADO TO AMEND THE ZONING CODE (TITLE 130)**

WHEREAS, the County of El Dorado is mandated by the State of California to maintain an adequate and proper General Plan; and

WHEREAS, the County of El Dorado adopted a General Plan in 2004; and

WHEREAS, many policies, programs, and implementation measures are implemented through the Zoning Ordinance; and

WHEREAS, on December 15, 2015, the El Dorado County Board of Supervisors adopted a comprehensive Zoning Ordinance Update, including Countywide updates to both the Zoning Ordinance and Zoning Map, which became effective on January 15, 2016; and

WHEREAS, prior to the 2015 Zoning Ordinance Update, previous Zoning Ordinance regulations, including former Section 17.14.130 (Architectural Supervision), required a discretionary Planning Commission review of all new buildings or structures on commercial and multifamily-zoned parcels visible from a state highway in order to ensure new development would be compatible with the architectural character of the neighborhood and not impair the desirability of investment or occupation in the neighborhood; and

WHEREAS, as virtually all commercial and multifamily-zoned parcels within the Cool Rural Center either directly front or are visible from State Highways 49 or 193, previous zoning regulations therefore required a discretionary Planning Commission design review of all significant new development within the Cool Rural Center; and

WHEREAS, after implementation of the 2015 Zoning Ordinance Update, a number of minor changes and corrections were identified in order to correct errors and omissions; and

WHEREAS, the previous architectural supervision regulations for commercial and multifamily-zoned lands fronting state highways were inadvertently removed as part of the 2015 Zoning Ordinance Update, which resulted in a patchwork of inconsistent design regulations for commercial and multifamily-zoned lands within the Cool Rural Center based on the development standards of each individual zone district and also whether a parcel is located within a Design Review-Community Combining Zone (-DC) or a Planned Development (-PD) Combining Zone overlay; and

WHEREAS, On XX DATE, in order to restore County design oversight on all commercial and multifamily-zoned parcels within the Cool Rural Center and to allow for a consistent development review process, the Board of Supervisors directed staff to add a new Design Review-Community Combining Zone (-DC) overlay to approximately 10 commercial and multifamily-zoned parcels that are not currently located within an existing (-DC) or (-PD) Combining Zone overlay.
