Re: Heather Segale, Board of Directors Re-Appointment to Tahoe Resource Conservation District Board

To Whom It May Concern:

After being contacted by several constituents from our district and talking with the District Manager and a few members of the Tahoe Resource Conservation District Board, I have decided to remain on the Tahoe Resource Conservation District Board as a Director. A little gentle arm-twisting was successful and I will remain in service for another term.

Please accept my request for reappointment to the TRCD board.

Sincerely,

A handwritten signature in blue ink that reads "Heather Segale". The signature is fluid and cursive.

Heather Segale
Education and Outreach Director
