March 9, 2011

We are requesting time before the board regarding approval of a pyrotechnic display to be held April 23, 2011.

This is a private function and not open to the public. The event will be held on private property and a certificate of insurance regarding coverage and additional insured will be submitted with the application for permit to the local fire jurisdiction.

As with all our displays, we comply with State and Local Fire codes.

If necessary, I will be happy to present the board with a presentation regarding pyrotechnic displays and our company.

Thank you for your time in reviewing our request.

I look forward to your response.

Sincerely,
