A “drug free workplace” means the site(s) for the performance of work done by Contractor at which Contractor and employees of the Contractor are prohibited from engaging in the unlawful manufacture, distribution, dispensing, possession, or use of any controlled substance. A list of controlled substances can be found in Schedules I through V of Section 202 of the Controlled Substances Act (21 U.S.C. 812) and as further defined in Regulation 21 Code of Federal Regulations (CFR) 1308.11 – 1308.15.

**13) Fingerprinting:** Pursuant to California Penal Code Section 11105.3(a), “Notwithstanding any other law, a human resource agency or an employer may request from the Department of Justice records of all convictions or any arrest pending adjudication involving the offenses specified in subdivision (1) of Section 15660 of the Welfare and Institutions Code of a person who applies for a license, employment, or volunteer position, in which they would have supervisory or disciplinary power over a minor or any person under their care.” Therefore, Contractor warrants that its employees, subcontractors, assignees, volunteers and any other persons who, while providing services under this Agreement, have or may have supervisory or disciplinary power over any person or minor under his or her care, have been fingerprinted in order to determine whether they have a criminal history that would compromise the safety of persons or minors with whom they have contact in the course of provision of services under this Agreement. Contractor further warrants that said employees, subcontractors, assignees, volunteers and other persons have been cleared by Contractor to perform the services described in this Agreement. All fingerprinting services shall be at Contractor’s sole expense. More specifically, Contractor agrees that:

- A. Each applicant for paid or volunteer employment by Contractor who shall or may have a supervisory or disciplinary power over a minor or any person under his or her care shall be fingerprinted in order to determine whether they have a criminal history, which would compromise the safety of such minor, or person(s) under his or her care. All fingerprinting shall be at Contractor’s sole expense.
- B. The fingerprinting process as set forth above shall be completed and the results of the process shall be obtained before any of the Contractor’s employees, subcontractors, assignees or volunteers are assigned or permitted to work with any minor or person referred to Contractor by County. Alternatively, the Contractor may set a hire date prior to obtaining fingerprinting results contingent on the applicant certifying that: (1) his or her employment application truthfully and completely discloses whether he or she has ever been convicted of a felony or misdemeanor or been on parole or probation and (2) that the applicant understands that a background check shall be conducted and that he or she shall be immediately dismissed from employment if he or she has failed to provide information regarding convictions, has provided incomplete information regarding convictions, has omitted information regarding convictions or if the fingerprinting results reveal any conviction incompatible with employment with Contractor.
- C. Contractor shall maintain, and make immediately available to County upon request, a written fingerprint certification for each employee, volunteer or applicant for paid or volunteer employment for whom fingerprinting is required as detailed above. Such certification shall state that the individual has been fingerprinted, shall provide the date of said fingerprinting, and shall state whether the process has disclosed any criminal history of the individual, which may compromise the safety of minors or other persons with whom

that individual has contact. Fingerprint information received from Department of Justice (DOJ) by Contractor shall be retained or disposed of pursuant to current DOJ directives.

- 14) Litigation:** County, promptly after receiving notice thereof, shall notify the Contractor in writing of the commencement of any claim, suit, or action against the County or State of California or its officers or employees for which the Contractor must provide indemnification under this Agreement. The failure of the County to give such notice, information, authorization, or assistance shall not relieve the Contractor of its indemnification obligations.

Contractor, promptly after receiving notice thereof, shall immediately notify the County in writing of any claim or action against it which affects, or may affect, this Agreement, the terms and conditions hereunder, or the County or State of California, and shall take such action with respect to said claim or action which is consistent with the terms of this Agreement and the interest of the County and State.

- 15) Release of Information:** Contractor shall ensure that the County of El Dorado Health and Human Services Agency is included as a receiving party on all Release of Information forms used in the performance of services under this Agreement.

- 16) Transfer of Records:** In the event that Contractor ceases operation, all physical and electronic files that are subject to audit shall be transferred to the County for proper storage of physical records and electronic data. Contractor shall notify County of impending closure as soon as such closure has been determined, and provide County with a complete list of records in its possession pertaining to County Clients and operational costs under this Agreement. County shall promptly advise Contractor which records are to be transferred to the custody of County. Contractor shall properly destroy records not transferred to custody of County, and Contractor shall provide documentation of proper destruction of all such records to County.

- 17) Waivers:** No failure on the part of the parties to exercise any rights under this Agreement, and no course of dealing with respect to any right hereunder, shall operate as a waiver of that right, nor shall any single or partial exercise of any right preclude the exercise of any other right. The remedies herein provided are cumulative and are not exclusive of any other remedies provided by law.

- 18) Confidentiality Requirements:** Acknowledging the Contractor's continuing obligation to follow existing legal mandates regarding protection and/or release of information maintained by the County, the following Confidentiality Requirements apply:

General Requirements: The Contractor shall not disclose data or documents or disseminate the contents of the final or any preliminary report without express permission of the Contract Administrator.

Permission to disclose information or documents on one occasion or at public hearings held by the County relating to the same shall not authorize the Contractor to further disclose such information or documents on any other occasions.

The Contractor shall not comment publicly to the press or any other media regarding the data or documents generated, collected, or produced in connection with this Agreement, or the County, or the Contractor's own personnel involved in the performance of this Agreement, at a public hearing, or in response to the questions from a legislative committee.

If requested by the County or state, the Contractor shall require each of its employees or officers who will be involved in the performance of this Agreement to agree to the above terms in a form to be approved by the state and shall supply the state with evidence thereof.

Each subcontract shall contain the foregoing provisions related to the confidentiality of data and nondisclosure of the same.

Each party shall designate an employee who shall be responsible for overall security and confidentiality of its data and information systems and each party shall notify the other of any changes in that designation. As of this date, the County's Information Security/Privacy Officer is as follows:

- 19) Federal Funding Notification:** An award/subaward or contract associated with a covered transaction may not be made to a subrecipient or contractor who has been identified as suspended or debarred from receiving federal funds. Additionally, counties must annually verify that the subrecipient and/or contractor remains in good standing with the federal government throughout the life of the agreement/contract.

Pursuant to 2 CFR 180.300(a), counties are required to fulfill their above-mentioned verification responsibilities using the federal System for Award Management (SAM). ## **CHILD ABUSE PREVENTION, INTERVENTION AND TREATMENT (CAPIT) PROGRAM**

### **I. What is CAPIT?**

CAPIT is the Child Abuse Prevention, Intervention and Treatment Program designed to fund the prevention, intervention and treatment of child abuse in California.

### **II. Authorities**

Assembly Bill (AB) 1733 (Chapter 1398, Statutes of 1982) provided the first major commitment of state General Fund dollars to the California Department of Social Services (CDSS) to fund child abuse and neglect prevention and intervention programs. The CAPIT Program requirements are now contained in Welfare and Institution Code (W&IC) Sections 18960 - 18964.

Effective July 1, 2011, AB 118 (Chapter 40, Statutes of 2011) realigned the funding for the CAPIT program from the state to the local governments and redirects specified tax revenues to fund this effort. Senate Bill (SB) 1020 (Chapter 40, Statutes of 2012) established the Support Services Account and Protective Services Subaccount within the Local Revenue Fund (LRF) 2011. CAPIT Program funds, as identified in W&IC Sections 18960-18964, are deposited monthly by the State Controller into the Protective Services Subaccount within each county's LRF 2011.

The realignment of state funds to counties, including CAPIT, allow for more flexibility. With the passage of SB 1013 (Chapter 35, Statutes of 2012) in June of 2012, counties now have the ability to use CAPIT funds in-house and are no longer required to go through a competitive bid process for the selection and funding of services. Funds may also be used to contract with public or private, non-profit agencies. (Also see the "Program Requirements" section in this document.)

Beginning in the Fiscal Year 2011-12 and for each fiscal year thereafter, funding and expenditures for programs and activities under this section shall be in accordance with the requirements provided in sections 30025 and 30026.5 of the Government Code.

The Office of Child Abuse Prevention (OCAP) within the California Department of Social Services (CDSS) has been designated as the single state agency to administer and oversee the funds. The OCAP provides oversight and consultation through the California Child and Family Services Review (C-CFSR) to ensure that each county:

- (1) Allocates revenues through the use of an accountable process that utilizes a multidisciplinary approach;
- (2) Explains how services funded are coordinated with the array of services available in the county; and
- (3) Ensures funded services are based on priority unmet need.

The OCAP shall review and approve these plans prior to authorizing county expenditure of funds.

## **CHILD ABUSE PREVENTION, INTERVENTION AND TREATMENT (CAPIT) PROGRAM**

### **III. Purpose**

CAPIT funds are used to fulfill Federal Community-Based Child Abuse Prevention (CBCAP) grant matching and leveraging requirements. As such, these funds cannot be used as a match for other federal funds. Funds shall be used for child abuse prevention, intervention and treatment services as described in statute and regulation.

All funds expended by a county for CAPIT activities shall be expended by the county in a manner that will maximize eligibility for federal financial participation, including reporting requirements.

### **IV. Target Population**

Priority for services shall be given to:

- Children who are at high risk, including:
  - Children being served by county welfare departments for abuse and neglect.
  - Children referred for services by legal, medical, or social service agencies.
- Minority populations
- Projects and services related to the needs of children, especially children under 14 years of age.

Priority shall be given to prevention programs through:

- Nonprofit agencies, including where appropriate, programs that identify and provide services to:
  - Isolated families, particularly those with children five years of age or younger;
  - High quality home visiting programs based on research-based models of best practice;
  - Services to child victims of crime.

### **V. Use of Funds**

Funding can be used to supplement, but not supplant, child welfare services.

Funding priority given to private, nonprofit agencies with programs that serve the needs of children at risk of abuse or neglect and that have demonstrated effectiveness in prevention or intervention. Each county shall monitor the projects that are funded by CAPIT. Services may include, but not be limited to:

- day care,
- respite services,
- transportation,
- mental health services,

## **CHILD ABUSE PREVENTION, INTERVENTION AND TREATMENT (CAPIT) PROGRAM**

- services provided through home visiting programs,
- parent education and support programs,
- domestic violence services,
- disability services,
- early developmental screening and assessment, and
- counseling services.

No more than ten (10) percent of the funds may be used for administrative costs. Administrative costs are defined as:

Costs incurred for common or joint objectives that cannot be identified specifically with a particular project, program, or organizational activity. Depreciation, software, and office equipment are examples of administrative costs.

Allowable costs that would not have been incurred had it not been for the program are direct program costs not administrative (e.g. program personnel, training, supplies, travel).

### **VI. Program Requirements**

Counties are required to demonstrate the following program requirements are met through the County Self-Assessment (CSA) and System Improvement Plan (SIP) components of the California Child and Family Services Review (C-CFSR) and the CAPIT/CBCAP/PSSF annual reporting process. Information collected by CDSS via the CAPIT/CBCAP/PSSF Annual Report is used to meet federal reporting requirements. The county child welfare agency shall provide to the OCAP, no later than October 1 of each year, an annual expenditure report to include funds expended, populations served, and other information deemed necessary.

In a county that has established a multidisciplinary council, the council shall be utilized to provide recommendation to the board of supervisors for the funding processes and priorities.

Services/activities:

- Are not duplicated in the community
- Are based on needs of children at risk
- Help the county make progress toward the outcome indicators
- Are culturally and linguistically appropriate to the population served.

## **CHILD ABUSE PREVENTION, INTERVENTION AND TREATMENT (CAPIT) PROGRAM**

CBCAP funds deposited into the CCTF must adhere to CBCAP requirements.

## **PROMOTING SAFE AND STABLE FAMILIES PROGRAM (PSSF)**

**Office of Child Abuse Prevention 744 "P" Street, MS 8-11-82  
Sacramento, CA 95814  
916-651-6960**

## PROMOTING SAFE AND STABLE FAMILIES PROGRAM (PSSF)

---

### I. What is PSSF?

Promoting Safe and Stable Families (PSSF) is a federal program under Title IV-B, Subpart 2 of the Social Security Act for states to operate coordinated child and family services including community-based family support services, family preservation services, family reunification services and adoption promotion and support services to prevent child maltreatment among at-risk families, assure safety and stability of maltreated children, and support adoptive families.

### II. Authority

**Federal:** The PSSF Program was first established as the Family Preservation and Support Services Program under the Omnibus Budget Reconciliation Act of 1993 (P.L. 103-66). In 1997, the program was reauthorized under the Adoption and Safe Families Act (P.L. 105-89) and was renamed the Promoting Safe and Stable Families Program (PSSF) with two additional service components put in place: time-limited reunification and adoption support services. The PSSF Amendment of 2001 (P.L. 107-133) extended the program through 2006 and the Child and Family Services Improvement Act (P.L. 109-288) reauthorized the program through FY 2011. The Child and Family Services Improvement and Innovation Act (P.L. 112-34) reauthorized the PSSF Program through FY 2016. More recently, the Bipartisan Budget Act of 2018 (Public Law 115-123) made changes to the family support and time-limited reunification components. In addition, time limited reunification was renamed family reunification.

**State:** Funding under the PSSF Program is distributed to states under a formula grant based on the number of children receiving Supplemental Nutrition Assistance Program benefits. States are permitted to use up to ten percent of the funding for administrative costs. To maintain eligibility, states must provide a twenty-five percent state match. Additionally, the California Department of Social Services (CDSS) must meet a \$13,200,000 Maintenance of Effort (MOE). The MOE was established when CDSS first began participation in the PSSF Program in FFY 1994. The CDSS has continued to meet both the twenty-five percent match and MOE requirements via State Family Preservation (SFP) Program expenditures.

The Office of Child Abuse Prevention (OCAP) within CDSS has been designated by the Governor as the single state agency to administer and oversee the funds. The OCAP provides training and technical assistance through its consultants, departmental resources and subcontractors.

**Counties:** Eighty-five percent of California's PSSF funds are allocated to counties. County allocations are based on the number of children zero to 17 years of age and the number of children in poverty residing in the county. In order to ensure an adequate level of funding for smaller counties, the minimum PSSF county allocation is \$10,000. The county child welfare agency must administer PSSF funds at the local level and is responsible for adhering to the PSSF assurances. Under Assembly Bill 118, SFP funds were realigned to local revenue funds. If every county that operated a SFP Program in FY 2011-12 continues to expend funds at the same level in ongoing FYs, California's match and MOE will continue to be met.

**PROMOTING SAFE AND STABLE FAMILIES PROGRAM (PSSF)**

**III. Purpose**

The four PSSF Program components: (1) family preservation, (2) community-based family support, (3) family reunification and (4) adoption promotion and support, are intended to provide coordinated services for children and families across the continuum from prevention to treatment through aftercare. The objective, target population and allowable services and activities for each component are described in the tables below.

**Target Populations & Allowable Activities**

<b>1. Family Preservation</b>	
<b>Objective</b>	
To prevent maltreatment among families through the provision of community-based, supportive family services designed to help families (including adoptive and extended families) at risk or in crisis.	
<b>Target Population</b>

#### **IV. Use of Funds**

A minimum of 20 percent of the county's total annual PSSF allocation must be spent under each of the four program components. Counties have flexibility in how the remaining 20 percent is expended.

No more than 10 percent may be used for administrative costs. Administrative (i.e. indirect) costs are defined as:

Costs incurred for common or joint objectives that cannot be identified specifically with a particular project, program, or organizational activity. Depreciation, software, and office equipment are examples of administrative costs.

Allowable costs that would not have been incurred had it not been for the program are direct program costs not administrative (e.g. program staff, training, supplies, travel).

#### **V. Program Requirements**

The PSSF Program is not an entitlement program and counties must meet program requirements through the County Self-Assessment (CSA) and System Improvement Plan (SIP) components of the California Child and Family Services Review (C-CFSR) as well as submittal of the CAPIT/CBCAP/PSSF Annual Report Counties must:

- A. Establish a PSSF Collaborative (local planning body) to develop county plans as required by CDSS. The county Board of Supervisors (BOS) shall oversee the local planning process and approve each plan before it is transmitted to CDSS for approval. The planning process shall include:
  1. Broad involvement and consultation with a wide-range of appropriate public and private non-profit agencies and community-based organizations and parents, including families, parents, and youth who have been involved with or are currently receiving child welfare services;
  2. Coordination in the provision of services for children and families;
  3. Collection of information to help determine at-risk populations, target areas, assess service needs, identify gaps in services, select priorities for funding and services, formulate goals and objectives and develop opportunities for bringing more effective and accessible services for children and families;
  4. A description of services to be provided. For each service provide a description of:
    - a. The population to be served;

## PROMOTING SAFE AND STABLE FAMILIES PROGRAM (PSSF)

---

- b. The geographic area where services will be provided;
- c. The number of individuals and families to be served.

- B. Utilize a quality assurance process that measures quantity, quality and effectiveness of funded activities.

Whether funds are used for in-house services or contracted with a provider, the county is required to report participation rates and outcomes achieved to the OCAP.

**PURPOSE**

The purpose of this policy is to establish uniform travel and business expense reimbursement policies, rules and claim procedures for persons authorized to conduct County business. This policy applies to all County officers and employees, members of legislative or advisory bodies established by the Board (salaried or not), volunteers, contractors, and consultants traveling on County business when authorized under the terms of this policy. For ease of reference, the Travel Policy is presented in the following sections:

- I. General Policy
- II. Authorization to Travel
- III. Transportation Expenses
- IV. Meal Expenses
- V. Lodging Expenses
- VI. Advance Payments
- VII. Compliance – Responsibility of Claimant

Subject:  Travel	Policy Number:  D - 1	Page Number:  2 of 13
	Date Adopted: 12/22/1987	Effective Date: 12/22/1987

I. GENERAL POLICY:

Pursuant to Board of Supervisors Policy B-1, "Budget Control and Responsibility", it is the primary responsibility of department heads to maintain their departments' expenditure levels within the Board approved budget. In accordance with this responsibility, department heads shall have broad discretion and authority related to travel activities and expenses for their departmental employees, contractors, and consultants subject to the provisions of this policy.

- A. County officers and employees should not suffer any undue loss when required to travel on official County business, nor should said individuals gain any undue benefit from such travel.
- B. Travel shall be authorized only when the travel is in the best interest of the County.
- C. County officers or employees compelled to travel in the performance of their duties and in the service of the County shall be reimbursed for their actual and necessary expenses for transportation, parking, tolls, and other reasonable incidental costs, and shall be reimbursed within maximum rate limits established by the Board of Supervisors for lodging, meals, and private auto use.
- D. Contractors and consultants may be reimbursed in accordance with this policy when such reimbursement is authorized pursuant to an agreement for services.
- E. Travel arrangements should be as economical as practical considering the travel purpose, , timeframe available to accomplish the travel mission, available transportation and facilities, and time away from other duties.
- F. Forgoing one allowable expense is not an acceptable justification for exceeding the allowable reimbursement for another expense. For example, carpooling when not required to do so shall not be justification for reimbursement for a more expensive parking option.
- G. In the event there is a question regarding compliance with this Policy, the Chief Administrative Officer (CAO) shall be responsible for interpreting this Policy and shall make the final determination regarding compliance.
- H. The CAO or designee may authorize an exception to requirements set forth in this Travel policy, upon written request by the appropriate, responsible department head. Any granted exception is to be applied on a case-by-case basis and does not set a precedent for future policy unless it has been formally adopted by the Board of Supervisors.

II. Authorization to Travel

A. General Conditions

1. Except as otherwise provided in this policy, advance authorization is required for travel.
2. Where department head approval is required, that approval may not be delegated unless specifically stated.
  - (a) Annually, at the beginning of the fiscal year, each department shall provide the CAO and Auditor-Controller with a list of employees who are authorized to approve travel requests, and shall inform both offices of any changes to the list throughout the year.
3. Travel by non-County personnel, excluding volunteers, must be approved by the department head responsible for the expense. Travel by volunteers may be authorized in the same manner as travel by County employees.

B. In-County Travel

1. No specific written advance approval is required for in-County travel for activities that are considered a part of the routine, day-to-day operations of the department, as defined and authorized by the department head or designee, and in-County travel which does not require overnight lodging.
2. In-county overnight travel requires advance written authorization by the department head or designee.

C. Out-of-County Travel

1. All overnight travel outside of the County by anyone except members of the Board of Supervisors and the Board Members' immediate staff requires advance written authorization by the department head or designee. Out of County travel by immediate staff of a member of the Board of Supervisors requires the advance written authorization of the respective Board member.

III. Transportation Expenses

A. General Conditions

1. Transportation expenses are the direct costs related to movement of the traveler from the authorized point of departure to the destination of travel and back to the authorized point of return.
2. All transportation expenses incurred shall be based upon the most efficient, direct, and economical mode of transportation available.
3. Whenever a time frame is established as criteria for eligibility for claiming reimbursement, estimated travel time shall be based upon legal vehicle speed limits, volume of traffic, and weather conditions in effect at the time of travel.

B. Vehicle Transportation

Vehicle use (both County-owned and private) by authorized travelers during the conduct of official County business is subject to Board of Supervisors Policy D-4: County Vehicle Use-Privately Owned and County Owned Vehicles.

1. Private Vehicle

The use of private vehicles is discouraged. The use of a County fleet vehicle is preferred; however, reimbursement for use of a private vehicle, when such use has been authorized by the department head or designee, may be reimbursed subject to the following:

- (a) Travel by private vehicle will be reimbursed at the IRS rate for business use of a personal vehicle in effect in the County at the time of travel. This mileage reimbursement rate shall be

considered to be full reimbursement for all costs in use of the private vehicle, except for reasonable costs for snow chain installation and removal.

- (b) If air travel would be less costly but the County Traveler prefers to drive, the County will reimburse the traveler for transportation costs equal to what the cost of air travel would have been, including airfare, shuttle, car rental, mileage to the airport, and other costs determined to be reasonable by the department head or designee; transportation costs over and above that amount, as well as any extra days of lodging, meals and incidentals incurred as a result of the decision to drive will be considered a personal, not reimbursable cost of the traveler.
- (c) Authorized travelers may not claim mileage for business use of a private vehicle in the following instances:
1. When the traveler is riding with someone who will be claiming reimbursement for the vehicle's use from the County or another source;
  2. When the traveler has been assigned a County Vehicle for home retention (excluding law enforcement vehicles, whether marked or unmarked), or is receiving an allowance or lump sum for mileage, unless specifically provided for in the terms of their agreement or contract with the County or by Board resolution.
- (d) County employee mileage to the regular place of work from home, and back, is considered commuting and may not be claimed.
- (e) County employee mileage to a temporary work location from home, and back, is considered commuting and may not be claimed except in the following cases:
1. If the County employee is required to report to the regular place of work before reporting to the temporary work location, he or she is eligible for mileage from the regular place of work to the temporary work location; and
  2. If the County employee is required to report to the regular place of work after working at the temporary work location and before going home, he or she is eligible for mileage from the temporary work location to the regular place of work.

- (f) Mileage in conjunction with authorized County travel to and from the authorized destination shall be based on the distance to the destination from the traveler's home or the regular place of work, whichever is shorter, except in any the following cases:
1. If the traveler is required to report to his or her regular work location before leaving, he or she is eligible for mileage to the authorized destination from the work location;
  2. If the traveler is required to report to his or her regular work location before returning home, he or she is eligible for mileage based on the distance from the authorized destination to the work location;
  3. If the traveler is in "on-call" status and is called back to work, the traveler is eligible for mileage reimbursement based on the distance from the traveler's home to the work location
2. County Vehicle Transportation
- (a) Travelers using a County vehicle for traveling shall not be eligible for reimbursement for mileage.
  - (b) Travelers required to fuel a County vehicle at their own expense due to the unavailability of a county-authorized fueling site, or for other reasons deemed justified by the department head or designee, may be reimbursed for the actual fuel costs subject to presentation of receipt(s).
  - (c) If the County vehicle experiences mechanical failure, the traveler shall follow the rules set forth by Fleet Management.
3. Rental Vehicle Transportation
- (a) Vehicles may be rented for transportation at the destination point when the traveler travels to the destination via commercial common carrier and the cost of the rental will be less than the charge for shuttle or taxi service to and from the carrier termination point to the function or hotel accommodations.
  - (b) Vehicles may be rented for transportation to the destination point when the cost of the rental will be less than other reasonable and available modes of transportation.
  - (c) If more than one traveler from the same department is traveling to the same function, only as many rental vehicles as are needed to accommodate all travelers may be claimed.

- (d) The traveler shall choose the least expensive size and mileage limits appropriate to the use required, as determined by the department head or designee. Rental cars shall be refueled prior to return to the rental agency to reduce cost to the County, except when the traveler is escorting a person who is under County supervision by an employee of the Sheriff's Office, the District Attorney's Office, the Public Defender's Office, the Probation Department, or Health and Human Services Agency
  - (e) Rental cars shall be returned to the renting location and on time to avoid additional charges.
  - (f) The traveler shall waive additional vehicle insurance provided by the rental company.
4. Commercial Carrier Transportation
- (a) Travelers shall seek and attempt to use the lowest rates available for the type of commercial carrier service being utilized. Whenever possible, travelers should take advantage of flight arrangements that minimize County cost (for example, purchasing a round trip ticket may be less expensive than two one-way tickets). No reimbursement will be provided for travel agent fees, unless the use of such services is a requirement to conduct County business.
  - (b) Claims for travel via commercial carrier shall be limited to the actual cost of travel at economy rates. A traveler may upgrade a ticket; however, the difference in cost for such upgrade, including upgrades to allow early check-in, is the responsibility of the traveler. The County will not reimburse any type of travel insurance unless the department head requests the traveler to purchase cancellation coverage. Reasonable baggage charges, if imposed by the airline, on the first checked bag are reimbursable. The department head or designee may authorize additional baggage fees when employees are required to travel with equipment that is required to perform their duties, and which must be checked.
  - (c) Travelers may retain frequent flyer and hotel rewards and similar program benefits. However, participation in these programs must not influence flight or hotel selection, which would result in incremental cost to the County beyond the lowest available cost unless the difference is paid by the traveler. Free tickets or cash allowances for volunteering to be denied timely boarding may be retained by the traveler but no additional cost to the County or interruption

of County work is allowed and any additional time required to complete the trip shall be considered personal time.

(d) If travel plans change, requiring a ticket change that incurs a fee and/or fare increase, reimbursement for such costs will be provided only if it can be demonstrated that the change was in the best interest of the County or was necessary to avoid undue burden on the traveler. Such reimbursement shall be subject to department head approval.

(e) If credits are issued by airlines for non-refundable tickets due to canceled travel, the department shall be responsible for tracking these credits and using them for subsequent employee travel.

**5. Other Transportation Expenses**

(a) The following necessary transportation expenses may be claimed at actual cost when directly related to transporting the traveler to and from the business destination point:

(i) Taxi, rideshare services, shuttle, ferry, or public transit fares;

(ii) Parking fees

- Airport long-term parking is preferred for travel exceeding 24 hours. A traveler choosing alternate parking without department head approval will be reimbursed at the long-term parking rate.
- Valet parking will only be reimbursed if it is required by the lodging venue. If a traveler chooses valet parking due to safety concerns or security of county vehicles and equipment when other, less expensive options are available, reimbursement will be subject to department head approval.

(iii) Bridge or road tolls (actual cost, not including penalties or fees);

(iv) Reasonable costs for snow chain installation and removal; and

(v) Other actual transportation expenses determined to be reasonable and necessary by the department head or designee.

2. Generally, meals will not be provided for in-County travel; however, a department head (required for non-county personnel) or designee (for county personnel and volunteers) may approve meals for in-County travel or other activities under special circumstances, which may include, but not be limited to, the following:
  - a. Employees and volunteers are participating in a Search and Rescue mission or training exercise;

The per diem rate shall be equal to the maximum federal per diem meal and

incidental expenses (M&IE) rate established by the General Services Administration (GSA). The per diem rate includes taxes and gratuities.

4. For out-of-County business that is conducted on one business day, if the traveler's actual time for the day is estimated to equal or exceed 12 hours (including work time, the lunch period and round-trip travel time), the traveler is eligible to receive the full per diem reimbursement amount for that day.
5. For partial days (less than 12 hours) spent on out-of-County travel, whether or not lodging is included, individual meals may be claimed in accordance with the following guidelines:
  - (a) Breakfast, when travel time begins two hours or more before the start time for the traveler's regular work schedule for that day;
  - (b) Lunch, when travel time:
    - (i) ends five or more hours past the start time of the traveler's regular work schedule for that day (example: a traveler whose regular schedule is 8:00 a.m.-5:00 p.m. returns from travel after 1:00 p.m.); or

For example, the registration fee for a multi-day conference includes lunches but an optional dinner is offered on one night at an additional cost.
8. Reimbursement may exceed the prescribed individual meal rate when a group meal is provided, and when approved by the department head or designee. Examples include meals provided to

9. Unless specifically approved by the department head or designee, a traveler may not claim reimbursement for any meal which is provided, or otherwise available, to the traveler as part of the function, whether or not there is an actual charge for the meal. For example, if lunch is provided at the function, the traveler may not claim a per diem allowance or request reimbursement for eating elsewhere. Receipts will be required for reimbursement of alternate meals authorized by the department head or designee. For purposes of this section, continental breakfast and breakfast included in lodging rates and meals provided during airline or other commercial carrier travel do not constitute provided meals and shall not be deducted from the per diem allowance.
10. A traveler may not claim reimbursement for a meal that was paid for by someone else.
11. As required by California Government Code 53232.2 Board of Supervisors members must provide receipts for all meals and will be reimbursed at the appropriate per diem amount or the actual expense, whichever is less.

### V. Lodging Expenses

#### A. Eligibility for Lodging

1. Travelers are not eligible to claim reimbursement for lodging for in-County travel, unless authorized by a department head or designee when assigned activities require the traveler to spend one or more nights in an area of the County that is distant from their place of residence (e.g., western slope County Employee assigned to 2-day activity in South Lake Tahoe).
2. For out-of-County business that is conducted on one business day, if the traveler's actual time for the day is estimated to equal or exceed 12 hours (including work time, the lunch period and round-trip travel time), then the traveler will have the option of securing one night's lodging at either the beginning or end of the trip. Illustration: A County Employee who resides in South Lake Tahoe is required to attend a one-day business meeting in Sacramento. The County employee estimates that the total time for the day without obtaining lodging would be 14 hours (8 hours of meetings, 1 hour for lunch and 5 hours for round-trip travel). The employee will have the option

of securing one night's lodging in Sacramento, either the night before the meeting, or after conclusion of the meeting.

3. Travelers are not eligible to claim reimbursement for lodging costs when staying overnight as a guest of friends or relatives.
4. Lodging expenses shall be claimed at either the actual cost of the lodging (limited to the single occupancy rate for a single room) or the County's maximum lodging rate (Federal Per Diem Rate established by GSA), whichever is less. Taxes and resort fees are in addition to the Federal Per Diem Rate.
5. Lodging costs may exceed the County's maximum lodging rate in the following situations:
  - (a) The authorized event is to be held at the particular hotel or events are scheduled for evening hours, or
  - (b) The CAO has given advance written authorization.
6. Except when registering for lodging at a pre-arranged group rate in conjunction with a conference or meeting, County Travelers shall request the government rate or lowest available eligible rate when making lodging arrangements.
7. Travelers are responsible for canceling hotel rooms before the cancellation period ends and should record the cancellation number in case of disputes. Travelers will not be reimbursed for "no-show" hotel charges unless there are unavoidable reasons for not canceling the room and the department head has determined that the reasons are valid.

**VI. Advance Payments**

After travel has been authorized, departments are encouraged to pre-pay expenses, to the extent feasible, using a County credit card, and to provide travelers with County credit cards (subject to credit card use policy) when traveling; however, when this option is not available or practical, an advance may be requested.

- A. The Auditor may provide advance funds for estimated "out of pocket" expenses up to seventy-five percent (75%) Advances will not be issued in amounts less than \$100 or more than \$1,000. The "out of pocket" expenses may include per diem allowances, individual meals, taxi and public

transportation, lodging, parking, and registration costs, but does not include mileage reimbursement for the use of a personal vehicle.

B. A County credit card may not be used for expenses for which the traveler has received an advance.

**VII. Actual Travel Costs Exceeding Estimates**

When actual travel costs exceed the estimated costs by more than 2% or \$10.00, whichever is greater, the payment must be approved by the original approving authority

**VIII. Compliance and Claim Processing**

A. It is the responsibility of the claimant to understand and follow all policies and procedures herein in order to receive reimbursement for mileage, travel, and expense claims. The failure to properly complete any form or follow any policy or procedure may result in the return of a claim without reimbursement.

B. Requests for travel authorization and reimbursement shall be processed using forms specified by the County Auditor-Controller and Chief Administrative Office.

C. Department Heads are responsible for ensuring that claims for reimbursement are submitted to the Auditor-Controller's Office in a timely fashion, preferably within 30 days following completion of the travel.

HIPAA Business Associate Agreement**

This Business Associate Agreement is made part of the base contract ("Underlying Agreement") to which it is attached, as of the date of commencement of the term of the Underlying Agreement (the "Effective Date").

**R E C I T A L S**

**WHEREAS**, County and Contractor (hereinafter referred to as Business Associate ("BA")) entered into the Underlying Agreement pursuant to which BA provides services to County, and in conjunction with the provision of such services, certain Protected Health Information ("PHI") and Electronic Protected Health Information ("EPHI") may be disclosed to BA for the purposes of carrying out its obligations under the Underlying Agreement;

**WHEREAS**, the County and BA intend to protect the privacy and provide for the security of PHI and EPHI disclosed to BA pursuant to the Agreement in compliance with the Health Insurance Portability and Accountability Act, Pub. L. No. 104-191 of 1996 ("HIPAA"), the Health Information Technology for Economic and Clinical Health Act, Public Law 111-005 (the "HITECH" Act), and regulation promulgated thereunder by the U.S. Department of Health and Human Services (the "HIPAA Regulations") and other applicable laws as may be amended from time to time;

**WHEREAS**, County is a Covered Entity, as defined in the Privacy Rule and Security Rule, including but not limited to 45 CFR Section 160.103;

**WHEREAS**, BA, when a recipient of PHI from County, is a Business Associate as defined in the Privacy Rule, the Security Rule, and the HITECH Act, including but not limited to 42 USC Section 17938 and 45 CFR Section 160.103;

**WHEREAS**, "Individual" shall have the same meaning as the term "individual" in 45 CFR § 164.501 and shall include a person who qualifies as a personal representative in accordance with 45 CFR § 164.202(g);

**WHEREAS**, "Breach" shall have the meaning given to such term under the HITECH Act under 42 USC Section 17921; and

**WHEREAS**, "Unsecured PHI" shall have the meaning to such term under the HITECH Act and any guidance issued pursuant to such Act including, but not limited to 42 USC Section 17932(h).

**NOW, THEREFORE**, in consideration of the mutual promises and covenants contained herein, the Parties agree as follows:

- I. Definitions. Unless otherwise provided in this Business Associate Agreement, capitalized terms shall have the same meanings as set forth in the Privacy Rule, as may be amended from time to time.
- II. Scope of Use and Disclosure by BA of County Disclosed PHI
  - A. BA shall not disclose PHI except for the purposes of performing BA's obligations under the Underlying Agreement. Further, BA shall not use PHI in any manner that would constitute a violation of the minimum necessary policies and procedures of the County, Privacy Rule, Security Rule, or the HITECH Act.
  - B. Unless otherwise limited herein, in addition to any other uses and/or disclosures permitted or authorized by this Business Associate Agreement or required by law, BA may:
    1. Use the PHI in its possession for its proper management and administration and to fulfill any legal obligations.
    2. disclose the PHI in its possession to a third party for the purpose of BA's proper management and administration or to fulfill any legal responsibilities of BA, or as required by law
    3. Disclose PHI as necessary for BA's operations only if:
      - a) Prior to making a disclosure to a third party, BA will obtain written assurances from such third party including:
        - (1) To hold such PHI in confidence and use or further disclose it only for the purpose of which BA disclosed it to the third party, or as required by law; and
        - (2) The third party will immediately notify BA of any breaches of confidentiality of PHI to the extent it has obtained knowledge of such breach.
    4. Aggregate the PHI and/or aggregate the PHI with that of other data for the purpose of providing County with data analyses related to the Underlying Agreement, or any other purpose, financial or otherwise, as requested by County.
    5. Not disclose PHI disclosed to BA by County not authorized by the Underlying Agreement or this Business Associate Agreement without patient authorization or de-identification of the PHI as authorized in writing by County.
    6. De-identify any and all PHI of County received by BA under this Business Associate Agreement provided that the de-identification conforms to the requirements of the Privacy Rule, 45 CFR and does not preclude timely payment and/or claims processing and receipt.
  - C. BA agrees that it will neither use nor disclose PHI it receives from County, or from another business associate of County, except as permitted or required by this Business Associate Agreement, or as required by law, or as otherwise permitted by law.
- III. Obligations of BA. In connection with its use of PHI disclosed by County to BA, BA agrees to:
  - A. Implement appropriate administrative, technical, and physical safeguards as are necessary to prevent use or disclosure of PHI other than as permitted by the Agreement that reasonably and appropriately protects the confidentiality, integrity, and availability of the PHI in accordance with Title 45 of the Code of Federal Regulations, Part 160 and Part 164, Subparts A and C (the "HIPAA Privacy Rule" and the "HIPAA Security Rule") in effect or as may be amended, including but not limited to 45 CFR 164.308,

164.310, 164.312, and 164.504(e)(2). BA shall comply with the policies, procedures, and documentation requirements of the HIPAA Security Rule.

- B. Report to County within 24 hours of any suspected or actual breach of security, intrusion, or unauthorized use or disclosure of PHI of which BA becomes aware and/or any actual or suspected use or disclosure of data in violation of any applicable federal or state laws or regulations. BA shall take prompt corrective action to cure any such deficiencies and any action pertaining to such unauthorized disclosure required by applicable federal and state laws and regulations.
- C. Report to County in writing of any access, use, or disclosure of PHI not permitted by the Underlying Agreement and this Business Associate Agreement, and any Breach of Unsecured PHI of which it becomes aware without unreasonable delay and in no case later than five (5) days. To the extent the Breach is solely a result of BA's failure to implement reasonable and appropriate safeguards as required by law, and not due in whole or part to the acts or omissions of the County, BA may be required to reimburse the County for notifications required under 45 CFR 164.404 and CFR 164.406.
- D. BA shall not use or disclose PHI for fundraising or marketing purposes. BA shall not disclose PHI to a health plan for payment or health care operations purposes if the patient has requested this special restriction, and has paid out of pocket in full for the health care item or service to which the PHI solely relates. BA shall not directly or indirectly receive remuneration in exchange of PHI, except with the prior written consent of the County and as permitted by the HITECH Act, 42 USC Section 17935(d)(2); however, this prohibition shall not affect payment by County to BA for services provided pursuant to the Agreement.

IV. PHI Access, Amendment, and Disclosure Accounting. BA agrees to:

- A. Provide access, at the request of County, within five (5) days, to PHI in a Designated Record Set, to the County, or to an Individual as directed by the County. If BA maintains an Electronic Health Record, BA shall provide such information in electronic format to enable County to fulfill its obligations under the HITECH Act, including, but not limited to, 42 USC Section 17935(e).
- B. Within ten (10) days of receipt of a request from County, incorporate any amendments or corrections to the PHI in accordance with the Privacy Rule in the event that the PHI in BA's possession constitutes a Designated Record Set.
- C. To assist the County in meeting its disclosure accounting under HIPAA:
  - 1. BA agrees to implement a process that allows for an accounting to be collected and maintained by BA and its agents or subcontractors for at least six (6) years prior to the request. However, accounting of disclosure from Electronic Health Record for treatment, payment, or health care operations purposes are required to be collected and maintained for only three (3) years prior to the request, and only to the extent that BA maintains an electronic health record and is subject to this requirement. At the minimum, the information collected shall include: (i) the date of disclosure; (ii) the name of the entity or person who received PHI and, if known, the address of the entity or person; (iii) a brief description of PHI disclosed and; (iv) a brief statement of purpose of the disclosure that reasonably informs the individual of the basis for the disclosure, or a copy of the individual's authorization, or a copy of the written request for disclosure.

2. Within in 30 days of notice by the County, BA agrees to provide to County information collected in accordance with this section to permit the County to respond to a request by an Individual for an accounting of disclosures of PHI.
  - D. Make available to the County, or to the Secretary of Health and Human Services (the "Secretary"), BA's internal practices, books and records relating to the use of and disclosure of PHI for purposes of determining BA's compliance with the Privacy Rule, subject to any applicable legal restrictions. BA shall provide County a copy of any PHI that BA provides to the Secretary concurrently with providing such information to the Secretary.
- V. Obligations of County.
- A. County agrees that it will promptly notify BA in writing of any restrictions on the use and disclosure of PHI agreed to by County that may affect BA's ability to perform its obligations under the Underlying Agreement, or this Business Associate Agreement.
  - B. County agrees that it will promptly notify BA in writing of any changes in, or revocation of, permission by any Individual to use or disclose PHI, if such changes or revocation may affect BA's ability to perform its obligations under the Underlying Agreement, or this Business Associate Agreement.
  - C. County agrees that it will promptly notify BA in writing of any known limitation(s) in its notice of privacy practices to the extent that such limitation may affect BA's use of disclosure of PHI.
  - D. County shall not request BA to use or disclose PHI in any manner that would not be permissible under the Privacy Rule if done by County, except as may be expressly permitted by the Privacy Rule.
  - E. County will obtain any authorizations necessary for the use or disclosure of PHI, so that BA can perform its obligations under this Business Associate Agreement and/or the Underlying Agreement.
- VI. Term and Termination.
- A. Term. This Business Associate Agreement shall commence upon the Effective Date and terminate upon the termination of the Underlying Agreement, as provided therein when all PHI provided by the County to BA, or created or received by BA on behalf of the County, is destroyed or returned to the County, or, or if it is infeasible to return or destroy PHI, protections are extended to such information, in accordance with the termination provisions in this Section.
  - B. Termination for Cause. Upon the County's knowledge of a material breach by the BA, the County shall either:
    1. Provide an opportunity for the BA to cure the breach or end the violation and terminate this Agreement if the BA does not cure the breach or end the violation within the time specified by the County.
    2. Immediately terminate this Agreement if the BA has breached a material term of this Agreement and cure is not possible; or
    3. If neither termination nor cures are feasible, the County shall report the violation to the Secretary.
  - C. Effect of Termination.
    1. Except as provided in paragraph (2) of this section, upon termination of this Agreement, for any reason, the BA shall, at the option of County, return or destroy

all PHI that BA or its agents or subcontractors still maintain in any form, and shall retain no copies of such PHI.

2. In the event that the County determines that returning or destroying the PHI is infeasible, BA shall provide to the County notification of the conditions that make return or destruction infeasible, and BA shall extend the protections of this Agreement to such PHI to those purposes that make the return or destruction infeasible, for so long as the BA maintains such PHI. If County elects destruction of the PHI, BA shall certify in writing to County that such PHI has been destroyed.

VII. Indemnity

- A. BA shall indemnify and hold harmless all Agencies, Districts, Special Districts and Departments of the County, their respective directors, officers, Board of Supervisors, elected and appointed officials, employees, agents and representatives (collectively "County") from any liability whatsoever, based or asserted upon any services of BA, its officers, employees, subcontractors, agents or representatives arising out of or in any way relating to BA's performance under this Business Associate Agreement, including but not limited to property damage, bodily injury, or death or any other element of any kind or nature whatsoever including fines, penalties or any other costs and resulting from any reason whatsoever to the extent arising from the performance of BA, its officers, agents, employees, subcontractors, agents or representatives under this Business Associate Agreement. BA shall defend, at its sole expense, all costs and fees including but not limited to attorney fees, cost of investigation, defense and settlements or awards against the County in any claim or action based upon such alleged acts or omissions.
- B. With respect to any action or claim subject to indemnification herein by BA, BA shall, at its sole cost, have the right to use counsel of its choice, subject to the approval of County, which shall not be unreasonably withheld, and shall have the right to adjust, settle, or compromise any such action or claim without the prior consent of County; provided, however, that any such adjustment, settlement or compromise in no manner whatsoever limits or circumscribes BA's indemnification of County as set forth herein. BA's obligation to defend, indemnify and hold harmless County shall be subject to County having given BA written notice within a reasonable period of time of the claim or of the commencement of the related action, as the case may be, and information and reasonable assistance, at BA's expense, for the defense or settlement thereof. BA's obligation hereunder shall be satisfied when BA has provided to County the appropriate form of dismissal relieving County from any liability for the action or claim involved.
- C. The specified insurance limits required in the Underlying Agreement of this Business Associate Agreement shall in no way limit or circumscribe BA's obligations to indemnify and hold harmless the County herein from third party claims arising from the issues of this Business Associate Agreement.
- D. In the event there is conflict between this clause and California Civil Code Section 2782, this clause shall be interpreted to comply with Civil Code Section 2782. Such interpretation shall not relieve the BA from indemnifying the County to the fullest extent allowed by law.
- E. In the event there is a conflict between this indemnification clause and an indemnification clause contained in the Underlying Agreement of this Business

Associate Agreement, this indemnification shall only apply to the subject issues included within this Business Associate Agreement.

- VIII. Amendment. The parties agree to take such action as is necessary to amend this Business Associate Agreement from time to time as is necessary for County to comply with the Privacy Rule, 45 CFR, and HIPAA generally.
- IX. Survival. The respective rights and obligations of this Business Associate Agreement shall survive the termination or expiration of this Business Associate Agreement.
- X. Regulatory References. A reference in this Business Associate Agreement to a section in the Privacy Rule means the section as in effect or as amended.
- XI. Conflicts. Any ambiguity in this Business Associate Agreement and the Underlying Agreement shall be resolved to permit County to comply with the Privacy Rule, 45 CFR, and HIPAA generally.

Provide a brief description of the request, including all goods and/or services the vendor/supplier will provide and supporting exemption reference from Board Policy C-17 - Procurement Policy:

The loss of continuity with this provider will be a major setback to the child abuse prevention efforts as we are in the midst of a statewide effort to implement the Family First Prevention and Services Act (FFPSA). EDCOE is a leader in our local efforts to plan and implement community wide prevention efforts related to FFPSA. The loss would result in fewer services to the community and reduced child abuse prevention activities, resulting in an increase in child abuse and neglect in our community. El Dorado County Office of Education has been coordinating the council in El Dorado County since 2012. Exemption is 3.4.2(f) "the procurement is for goods where the continuity of providers will provide efficiency or critical knowledge, and other providers of the goods cannot provide similar efficiencies or critical knowledge."

**A. The good/service requested is restricted to one supplier for the reason stated below:**

1. Why is the acquisition restricted to this goods/services supplier? (Explain why the acquisition cannot be competitively sourced. Explain how the supplier is the only source for the acquisition.)

Child Abuse Prevention Coordinating Councils are governed by Welfare and Institutions Code 18982, with specific requirements for the funding, representation, etc. The primary purpose of this community council is to coordinate the community's efforts to prevent and respond to child abuse. El Dorado County Office of Education maintains a long track record of coordinating the council, improving our local awareness of child abuse. This is a council of the Board of Supervisors. Competitively sourcing this agreement will result in a loss of historical knowledge, relationships and momentum in the fight against child abuse locally.

2. Provide the background of events leading to this acquisition.

The child abuse prevention coordinating council act became effective in 1989, outlining the requirements for local child abuse prevention councils. It was the intent of the legislature to fund child abuse prevention coordinating councils in each county. El Dorado County Office of Education has been coordinating the council since 2012.

3. Describe the uniqueness of the acquisition. (Why was the goods/services supplier chosen?)

El Dorado County Office of Education was chosen given their support of the diverse educational needs of El Dorado County's student population. They are a support system for local districts, liaison with the state, and serve the county's most vulnerable student populations. It is housed within the Early Learning and Family Support Division which works to ensure optimal environments for all children to grow and thrive. They are committed to planning for high quality, accessible early learning and care environments as well as strong and supported families.

4. What are the consequences of not purchasing the goods/services or contracting with the proposed supplier?

The loss of continuity with this provider will be a major setback to the child abuse prevention efforts as we are in the midst of a statewide effort to implement the Family First Prevention and Services Act (FFPSA). EDCOE is a leader in our local efforts to plan and implement community wide prevention efforts related to FFPSA. The loss would result in fewer services to the community and reduced child abuse prevention activities, resulting in an increase in child abuse and neglect in our community.

5. What market research was conducted to substantiate no competition, including the evaluation of other items or service providers? (Provide a narrative of your efforts to identify other similar or appropriate goods/services, including a summary of how the department concluded that such alternatives are either inappropriate or unavailable. The name and addresses of suppliers contacted and the reasons for not considering them must be included OR an explanation of why the survey or effort to identify other goods/services was not performed.)
