THIS AGREEMENT, made and entered into by and between the County of El Dorado, a political subdivision of the State of California (hereinafter referred to as "County"), and Mother Lode Van & Storage, Inc., a corporation duly qualified to conduct business in the State of California, whose principal place of business is 11255 Pyrites Way, Suite 400, Rancho Cordova, California 95670 (herein after referred to as "Contractor");

RECITALS

WHEREAS, County has determined that it is necessary to obtain a contractor to provide moving services and modular furniture disassembly, inventory, removal, reinstallation services, and collection and disposal services for County surplus property on an as-needed basis for various County facilities both on the East Slope and West Slope of El Dorado County;

WHEREAS, County Procurement Policy C-17 Section 6.2 authorizes surplus items found to be beyond economical repair or of little or no value shall, at the discretion of the Purchasing Agent, be disposed of in any manner the Purchasing Agent deems appropriate;

WHEREAS, specific fixed assets found by the Purchasing Agent to be beyond economic repair or of little or no value and found by the Board of Supervisors not to be required or adequate for County use may be disposed of in any manner the Purchasing Agent deems appropriate;

WHEREAS, Contractor has represented to County that it is specially trained, experienced, is an expert, and competent to perform the special services described in ARTICLE I Scope of Work; that it is an independent and bona fide business operation, advertises and holds itself as such, is in possession of a valid business license, and is customarily engaged in an independently established business that provides similar services to others; and County relies upon those representations;

WHEREAS, it is the intent of the parties hereto that such services be in conformity with all applicable state and local laws and ordinances applicable to the work, including compliance with prevailing wage rates and their payment in accordance with California Labor Code, Section 1775;

WHEREAS, County has determined that the provision of such services provided by Contractor are in the public's best interest and that due to the limited timeframes, temporary or occasional nature, or schedule for the project or scope of work, the ongoing aggregate of work to be performed is not sufficient to warrant the addition of permanent

staff in accordance with El Dorado County Ordinance Code, Chapter 3.13.030(c), El Dorado County Charter, Section 210(b)(6), and/or Government Code Section 31000;

NOW, THEREFORE, County and Contractor mutually agree as follows:

- Provide an itemized list of all materials provided to requesting department.
- Provide full credit on the final invoice for the return of unused materials and used materials suitable for re-use.

- Leave both Origin and Destination "broom clean" at the end of each phase of the project; or if there are early/late moves at night during the week, at the end of each early/late move.
- Provide adequate security for all locations while the move is underway. All incidents must be promptly reported to the requesting department and documented.
- Be required to prepare and provide reports in the event of any damage to County property. Damaged goods are not limited to furniture, office equipment and household goods. Damaged goods also include buildings, parking structures, loading docks, landscape and other areas. Damage shall be documented by each mover involved and submitted to the Contractor's move coordinator/supervisor by the end of the shift in which said damage occurred.

For each work assignment for surplus services Contractor shall provide to County's Contract Administrator a quote, including a description of the work, any required deliverables, proposed timelines, and a not-to-exceed cost to complete the work. Prior to commencement of the work, County's Contract Administrator will provide written approval in the form of an email identifying the location where the services will be provided, a description of the services to be performed, any required deliverables, and authorization to proceed with the assignment. Contractor shall not commence work until receiving the written authorization to proceed with the work assignment.

Changes to Agreement: This Agreement may be amended by mutual consent of the parties hereto. Said amendments shall become effective only when in writing and fully executed by duly authorized officers of the parties hereto.

ARTICLE XVII

Contractor to County: It is understood that the services provided under this Agreement shall be prepared in and with cooperation from County and its staff. It is further understood that this Agreement does not create an exclusive relationship between County and Contractor, and Contractor may perform similar work or services for others. However, Contractor shall not enter into any agreement with any other party, or provide any information in any manner to any other party, that would conflict with Contractor's responsibilities or hinder Contractor's performance of services hereunder, unless

County's Contract Administrator, in writing, authorizes that agreement or sharing of information.

ARTICLE XVIII

This confidentiality provision shall survive after the expiration or earlier termination of this Agreement.

ARTICLE XIX

Assignment and Delegation: Contractor is engaged by County for its unique qualifications and skills as well as those of its personnel. Contractor shall not subcontract, delegate or assign services to be provided, in whole or in part, to any other person or entity without prior written consent of County.

ARTICLE XX

Independent Contractor: The parties intend that an independent contractor relationship will be created by this contract. Contractor is, and shall be at all times, deemed independent and shall be wholly responsible for the manner in which it performs services required by the terms of this Agreement. Contractor exclusively assumes responsibility for acts of its employees, agents, affiliates, and subcontractors, if any are authorized herein, as they relate to the services or work to be performed under this Agreement during the course and scope of their employment by Contractor. Those persons will be entirely and exclusively under the direction, supervision, and control of Contractor.

County may designate the tasks to be performed and the results to be accomplished under this Agreement, provide information concerning the work or services, approve or disapprove the final work product and/or services provided, and set deadlines for the completion of the work or services, but County will not control or direct the manner, means, methods, or sequence in which Contractor performs the work or services for accomplishing the results. Contractor shall be solely responsible for paying its employees, and for withholding Federal Income Contribution Act amounts and other taxes, workers' compensation, unemployment compensation, medical insurance, life insurance, or any other benefit that Contractor provides for its employees.

Contractor acknowledges that it has no authority to bind the County or incur any obligations on behalf of the County with regard to any matter, and shall not make any agreements or representations on the County's behalf.

ARTICLE XXI

Fiscal Considerations: The parties to this Agreement recognize and acknowledge that County is a political subdivision of the State of California. As such, County is subject to the provisions of Article XVI, Section 18 of the California Constitution and other similar fiscal and procurement laws and regulations and may not expend funds for products, equipment, or services not budgeted in a given year. It is further understood that in the normal course of County business, County will adopt a proposed budget prior to a given fiscal year, but that the final adoption of a budget does not occur until after the beginning of the fiscal year.

Notwithstanding any other provision of this Agreement to the contrary, County shall give notice of cancellation of this Agreement in the event of adoption of a proposed budget that does not provide for funds for the services, products or equipment subject herein. Such notice shall become effective upon the adoption of a final budget, which does not provide funding for this Agreement. Upon the effective date of such notice, this Agreement shall be automatically terminated and County released from any further liability hereunder.

In addition to the above, should the Board of Supervisors during the course of a given year for financial reasons reduce or order a reduction in the budget for any County department for which services were contracted to be performed, pursuant to this paragraph in the sole discretion of County, this Agreement may be deemed to be canceled in its entirety subject to payment for services performed prior to cancellation.

ARTICLE XXII

Default, Termination, and Cancellation:

- A. Termination by Default: If either party becomes aware of an event of default, that party shall give written notice of said default to the party in default that shall state the following:
1. The alleged default and the applicable Agreement provision.
 2. That the party in default has ten (10) days upon receiving the notice to cure the default (Time to Cure).

If the party in default does not cure the default within ten (10) days of the Time to Cure, then such party shall be in default and the party giving notice may terminate

the Agreement by issuing a Notice of Termination. The party giving notice may extend the Time to Cure at their discretion. Any extension of Time to Cure must be in writing, prepared by the party in default for signature by the party giving notice, and must specify the reason(s) for the extension and the date in which the extension of Time to Cure expires.

If County terminates this Agreement, in whole or in part, for default:

1. County reserves the right to procure the goods or services, or both, similar to those terminated, from other sources and Contractor shall be liable to County for any excess costs for those goods or services. County may deduct from any payment due, or that may thereafter become due to Contractor, the excess costs to procure from an alternate source.
2. County shall pay Contractor the sum due to Contractor under this Agreement prior to termination, unless the cost of completion to County exceeds the funds remaining in the Agreement. In which case the overage shall be deducted from any sum due Contractor under this Agreement and the balance, if any, shall be paid to Contractor upon demand.
3. County may require Contractor to transfer title and deliver to County any completed work under the Agreement.

The following shall be events of default under this Agreement:

1. Failure by either party to perform in a timely and satisfactory manner any or all of its obligations under this Agreement.
 2. A representation or warranty made by Contractor in this Agreement proves to have been false or misleading in any respect.
 3. Contractor fails to observe and perform any covenant, condition or agreement on its part to be observed or performed under this Agreement, unless County agrees, in writing, to an extension of the time to perform before that time period expires.
 4. A violation of ARTICLE XXXIII, Conflict of Interest.
- B. Bankruptcy: County may terminate this Agreement immediately in the case of bankruptcy, voluntary or involuntary, or insolvency of Contractor.
- C. Ceasing Performance: County may terminate this Agreement immediately in the event Contractor ceases to operate as a business or otherwise becomes unable to substantially perform any term or condition of this Agreement.
- D. Termination or Cancellation without Cause: County may terminate this Agreement, in whole or in part, for convenience upon thirty (30) calendar days' written Notice of Termination. If such termination is effected, County will pay for satisfactory services rendered before the effective date of termination, as set forth in the Notice of

Termination provided to Contractor, and for any other services that County agrees, in writing, to be necessary for contract resolution. In no event, however, shall County be obligated to pay more than the total amount of the Agreement. Upon receipt of a Notice of Termination, Contractor shall promptly discontinue all services affected, as of the effective date of termination set forth in such Notice of Termination, unless the Notice directs otherwise.

This duty of Contractor to indemnify and save County harmless includes the duties to defend set forth in California Civil Code Section 2778.

- E. Contractor shall furnish a certificate of insurance satisfactory to County's Risk Management Division as evidence that the insurance required above is being maintained.
- F. The insurance will be issued by an insurance company acceptable to County's Risk Management Division or be provided through partial or total self-insurance likewise acceptable to the Risk Management Division.
- G. Contractor agrees that the insurance required herein shall be in effect at all times during the term of this Agreement, inclusive of the guarantee/warranty period specified hereinbelow. Your attention is directed to California Public Contract Code Section 9204, which describes procedures for the resolution of claims on public works projects. Among other things, Section 9204 requires the claimant to furnish reasonable documentation to support a claim, requires the public entity to respond to the claim within forty-five (45) days of receipt of the claim, and allows for the claimant to demand an informal meet and confer conference for settlement of the issues in dispute. For any portion of a claim that

remains in dispute, Section 9204 requires submission of the claim to nonbinding mediation. Additionally, Section 9204 requires the public entity to make any payment due on an undisputed portion of the claim within sixty (60) days of the public entity's written response and to pay interest at the rate of seven percent (7%) per annum on any amounts not paid in a timely manner. The claims procedures described herein and in any other contract documents are in addition to the procedures required by Section 9204 and, in the event of a conflict between those various procedures, the more stringent procedures will control.
