Why do you seek appointment?

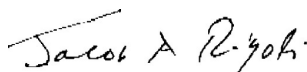

I seek appointment to El Dorado County's Historical Museum Commission because I care deeply about the conservation and preservation of our County's historic resources. As a current board member of the El Dorado County Historical Society as well as El Dorado Gold 1848, and as a member of the Save-the-Graves non-profit, I have a history of preserving, protecting, and telling the stories of El Dorado County pioneers and sharing their stories with contemporary residents and visitors. With roots tracing back to 1852, my family's connection to the Golden State runs deep. I am committed to protecting, preserving, and sharing the stories of all Californians and I endeavor to safeguard early-California/Western records and artifacts. My mission is to make EDC stories more accessible for all.
