Executive Order N-6-22 – Russia Sanctions: On March 4, 2022, Governor Gavin Newsom issued Executive Order N-6-22 (the EO) regarding Economic Sanctions against Russia and Russian entities and individuals. "Economic Sanctions" refers to sanctions imposed by the U.S. government in response to Russia's actions in Ukraine, as well as any sanctions imposed under state law. The EO directs state agencies to terminate contracts with, and to refrain from entering any new contracts with, individuals or entities that are determined to be a target of Economic Sanctions. Accordingly, if this Agreement is funded by state funds and County determines Subrecipient is a target of Economic Sanctions or is conducting prohibited transactions with sanctioned individuals or entities, that shall be grounds for termination of this agreement. The County shall provide Subrecipient advance written notice of such termination, allowing Subrecipient at least thirty (30) calendar days to provide a written response. Termination shall be at the sole discretion of the County.

ARTICLE XI

Changes to Agreement: This Agreement may be amended by mutual consent of the parties hereto. Said amendments shall become effective only when in writing and fully executed by duly authorized officers of the parties hereto.

ARTICLE XII

Contractor to County: It is understood that the services provided under this Agreement shall be prepared in and with cooperation from County and its staff. It is further understood that this Agreement does not create an exclusive relationship between County and Subrecipient, and Subrecipient may perform similar work or services for others. However, Subrecipient shall not enter into any agreement with any other party or provide any information in any manner to any other party, that would conflict with Subrecipient's responsibilities or hinder Subrecipient's performance of services hereunder, unless County's Contract Administrator, in writing, authorizes that agreement or sharing of information.

ARTICLE XIII

Confidentiality: Subrecipient shall maintain the confidentiality and privileged nature of all records, including billing records, together with any knowledge therein acquired, in accordance with all applicable state and federal laws and regulations, as they may now exist or may hereafter be amended or changed. Subrecipient, and all Subrecipient's staff, employees, and representatives, shall not use or disclose, directly or indirectly at any time, any said confidential information, other than to County's Contract Administrator for the purpose of, and in the performance of, this Agreement. This confidentiality provision shall survive after the expiration or earlier termination of this Agreement.

ARTICLE XIV

Assignment and Delegation: Subrecipient is engaged by County for its unique qualifications and skills as well as those of its personnel. Subrecipient shall not subcontract, delegate, or assign services to be provided, in whole or in part, to any other person or entity without prior written consent of County.

In the event Subrecipient receives written consent to subcontract services under this Agreement, Subrecipient is required to ensure subSubrecipient remains in compliance with the terms and conditions of this Agreement. In addition, Subrecipient is required to monitor subSubrecipient's compliance with said terms and conditions and provide written evidence of monitoring to County upon request.

ARTICLE XV

Independent Contractor: The parties intend that an independent Subrecipient relationship will be created by this contract. Subrecipient is, and shall be at all times, deemed independent and shall be wholly responsible for the manner in which it performs services required by the terms of this Agreement. Subrecipient exclusively assumes responsibility for acts of its employees, agents, affiliates, and subcontractors, if any are authorized herein, as they relate to the services or work to be performed under this Agreement during the course and scope of their employment by Subrecipient. Those persons will be entirely and exclusively under the direction, supervision, and control of Subrecipient.

County may designate the tasks to be performed and the results to be accomplished under this Agreement, provide information concerning the work or services, approve or disapprove the final work product and/or services provided, and set deadlines for the completion of the work or services, but County will not control or direct the manner, means, methods, or sequence in which Subrecipient performs the work or services for accomplishing the results. Subrecipient understands and agrees that Subrecipient lacks the authority to bind County or incur any obligations on behalf of County.

Subrecipient, including any employees of Subrecipient, may submit invoices for allowable benefits as outlined in the 2023 Cal OES Subrecipient Handbook, including, but not limited to, vacation pay, paid holidays, life insurance, health insurance, Social Security, disability insurance, pension or 457 plans, or worker's compensation. Federal Income Contribution Act amounts, or taxes of any kind can be reimbursed to Subrecipient when included on the Budget Pages in Exhibit B and

are in accordance with the Subrecipient's approved policies. Subrecipient shall not be subject to the work schedules or vacation periods that apply to County employees.

Subrecipient shall be solely responsible for paying its employees, and for withholding Federal Income Contribution Act amounts and other taxes, workers' compensation, unemployment compensation, medical insurance, life insurance, or any other benefit that Subrecipient provides for its employees.

Subrecipient acknowledges that it has no authority to bind the County or incur any obligations on behalf of the County with regard to any matter, and Subrecipient shall not make any agreements or representations on the County's behalf.

ARTICLE XVI

Fiscal Considerations: The parties to this Agreement recognize and acknowledge that County is a political subdivision of the State of California. As such, County is subject to the provisions of Article XVI, section 18 of the California Constitution and other similar fiscal and procurement laws and regulations and may not expend funds for products, equipment, or services not budgeted in a given fiscal year. It is further understood that in the normal course of County business, County will adopt a proposed budget prior to a given fiscal year, but that the final adoption of a budget does not occur until after the beginning of the fiscal year.

Notwithstanding any other provision of this Agreement to the contrary, County shall give notice of cancellation of this Agreement in the event of adoption of a proposed budget that does not provide for funds for the services, products, or equipment subject herein. Such notice shall become effective upon the adoption of a final budget, which does not provide funding for this Agreement. Upon the effective date of such notice, this Agreement shall be automatically terminated, and County released from any further liability hereunder.

In addition to the above, should the Board of Supervisors during the course of a given year for financial reasons reduce or order a reduction in the budget for any County department for which services were contracted to be performed, pursuant to this paragraph in the sole discretion of County, this Agreement may be deemed to be canceled in its entirety subject to payment for services performed prior to cancellation.

ARTICLE XVII

Audit by California State Auditor: Subrecipient acknowledges that if total compensation under this agreement is greater than \$10,000.00, this Agreement is subject to examination and audit by the California State Auditor for a period of three (3) years, or for any longer period required by law, after final payment under this Agreement, pursuant to California Government Code §8546.7. In order to facilitate these potential examinations and audits, Subrecipient shall maintain, for a period of at least three (3) years, or for any longer period required by law, after final payment under the contract, all books, records and documentation necessary to demonstrate performance under the Agreement.

ARTICLE XVIII

Default, Termination, and Cancellation:

A. Termination by Default: If either party becomes aware of an event of default, that party shall give written notice of said default to the party in default that shall state the following:

1. The alleged default and the applicable Agreement provision.
2. That the party in default has ten (10) days upon receiving the notice to cure the default (Time to Cure).

If the party in default does not cure the default within ten (10) days of the Time to Cure, then such party shall be in default and the party giving notice may terminate the Agreement by issuing a Notice of Termination. The party giving notice may extend the Time to Cure at their discretion. Any extension of Time to Cure must be in writing, prepared by the party in default for signature by the party giving notice, and must specify the reason(s) for the extension and the date in which the extension of Time to Cure expires.

If County terminates this Agreement, in whole or in part, for default:

3. County reserves the right to procure the goods or services, or both, similar to those terminated, from other sources and Subrecipient shall be liable to County for any excess costs for those goods or services. County may deduct from any payment due, or that may thereafter become due to Subrecipient, the excess costs to procure from an alternate source.
4. County shall pay Subrecipient the sum due to Subrecipient under this Agreement prior to termination, unless the cost of completion to County exceeds the funds remaining in the Agreement. In which case the overage shall be deducted from any sum due Subrecipient under this Agreement and the balance, if any, shall be paid to Subrecipient upon demand.
5. County may require Subrecipient to transfer title and deliver to County any completed work under the Agreement.

The following shall be events of default under this Agreement:

6. Failure by either party to perform in a timely and satisfactory manner any or all of its obligations under this Agreement.
7. A representation or warranty made by Subrecipient in this Agreement proves to have been false or misleading in any respect.
8. Subrecipient fails to observe and perform any covenant, condition or agreement on its part to be observed or performed under this Agreement, unless County agrees, in writing, to an extension of the time to perform before that time period expires.
9. A violation of the Article titled "Conflict of Interest."

- B. Bankruptcy: County may terminate this Agreement immediately in the case of bankruptcy, voluntary or involuntary, or insolvency of Subrecipient.
- C. Ceasing Performance: County may terminate this Agreement immediately in the event Subrecipient ceases to operate as a business or otherwise becomes unable to substantially perform any term or condition of this Agreement.
- D. Termination or Cancellation without Cause: County may terminate this Agreement, in whole or in part, for convenience upon thirty (30) calendar days' written Notice of Termination. If such termination is effected, County will pay for satisfactory services rendered before the effective date of termination, as set forth in the Notice of Termination provided to Subrecipient, and for any

other services that County agrees, in writing, to be necessary for contract resolution. In no event, however, shall County be obligated to pay more than the total amount of the Agreement. Upon receipt of a Notice of Termination, Subrecipient shall promptly discontinue all services affected, as of the effective date of termination set forth in such Notice of Termination, unless the Notice directs otherwise.

Said notice shall become part of this Agreement upon acknowledgment in writing by the County Contract Administrator, and no further amendment of the Agreement shall be necessary provided that such change of address does not conflict with any other provisions of this Agreement.

ARTICLE XXI

Indemnity: To the fullest extent permitted by law, Subrecipient shall defend at its own expense, indemnify, and hold the County harmless, its officers, employees, agents, and volunteers, against and from any and all liability, claims, suits, losses, damages, or expenses of every name, kind and description, including attorney's fees and costs incurred, brought for, or on account of, injuries to or death of any person, including but not limited to workers, County employees, and the public, or damage to property, or any economic or consequential losses, which are claimed to or in any way arise out of or are connected with the acts or omissions of Subrecipient or its officers, agents, or employees in rendering the services, operations, or performance hereunder, except for liability, claims, suits, losses, damages or expenses arising from the sole negligence or willful acts of the County, its officers and employees, or as expressly prescribed by statute. This duty of Subrecipient to indemnify and save County harmless includes the duties to defend set forth in California Civil Code Section 2778.

The insurance obligations of Subrecipient are separate, independent obligations under the Agreement, and the provisions of this defense and indemnity are not intended to modify nor should they be construed as modifying or in any way limiting the insurance obligations set forth in the Agreement.

Nothing herein shall be construed to seek indemnity in excess of that permitted by Civil Code section 2782, et seq. In the event any portion of this Article is found invalid, the Parties agree that this Article shall survive and be interpreted consistent with the provisions of Civil Code section 2782, et seq.

ARTICLE XXII

Insurance: Subrecipient shall provide proof of a policy of insurance satisfactory to the County of El Dorado Risk Manager and documentation evidencing that Subrecipient maintains insurance that meets the following requirements:

- A. Full Worker's Compensation and Employer's Liability Insurance covering all employees of Subrecipient as required by law in the State of California.
- B. Commercial General Liability Insurance of not less than \$1,000,000.00 combined single limit per occurrence for bodily injury and property damage and a \$2,000,000.00 aggregate limit.
- C. Automobile Liability Insurance of not less than \$1,000,000.00 is required in the event motor vehicles are used by the Subrecipient in the performance of the Agreement.
- D. In the event Subrecipient is a licensed professional or professional consultant, and is performing professional services under this Agreement, professional liability is required with a limit of liability of not less than \$1,000,000.00 per occurrence.
- E. Subrecipient shall furnish a certificate of insurance satisfactory to the County of El Dorado Risk Manager as evidence that the insurance required above is being maintained.
- F. The insurance will be issued by an insurance company acceptable to Risk Management or be provided through partial or total self-insurance likewise acceptable to Risk Management.
- G. Subrecipient agrees that the insurance required above shall be in effect at all times during the term of this Agreement. In the event said insurance coverage expires at any time or times during the term of this Agreement, Subrecipient agrees to provide at least thirty (30) days prior to said expiration date, a new certificate of insurance evidencing insurance coverage as

provided for herein for not less than the remainder of term of the Agreement, or for a period of not less than one (1) year. New certificates of insurance are subject to the approval of Risk Management and Subrecipient agrees that no work or services shall be performed prior to the giving of such approval. In the event the Subrecipient fails to keep in effect at all times insurance coverage as herein provided, County may, in addition to any other remedies it may have, terminate this Agreement upon the occurrence of such event.

- H. The certificate of insurance must include the following provisions stating that:
1. The insurer will not cancel the insured's coverage without prior written notice to County, and;
 2. The County of El Dorado, its officers, officials, employees and volunteers are included as additional insured on an additional insured endorsement, but only insofar as the operations under this Agreement are concerned. This provision shall apply to the general liability policy.
- I. The Subrecipient's insurance coverage shall be primary insurance as respects the County, its officers, officials, employees, and volunteers. Any insurance or self-insurance maintained by the County, its officers, officials, employees or volunteers shall be in excess of the Subrecipient's insurance and shall not contribute with it.
- J. Any deductibles or self-insured retentions must be declared to and approved by the County, either: the insurer shall reduce or eliminate such deductibles or self-insured retentions as respects the County, its officers, officials, employees and volunteers; or the Subrecipient shall procure a bond guaranteeing payment of losses and related investigations, claim administration and defense expenses.
- K. Any failure to comply with the reporting provisions of the policies shall not affect coverage provided to the County, its officers, officials, employees or volunteers.
- L. The insurance companies shall have no recourse against the County of El Dorado, its officers and employees or any of them for payment of any premiums or assessments under any policy issued by any insurance company.
- M. Subrecipient's obligations shall not be limited by the foregoing insurance requirements and shall survive expiration of this Agreement.
- N. In the event Subrecipient cannot provide an occurrence policy, Subrecipient shall provide insurance covering claims made as a result of performance of this Agreement for not less than three (3) years following completion of performance of this Agreement.
- O. Certificate of insurance shall meet such additional standards as may be determined by the contracting County Department either independently or in consultation with Risk Management, as essential for protection of the County.

ARTICLE XXIII

Force Majeure: Neither party will be liable for any delay, failure to perform, or omission under this Agreement that is due to any cause that it is beyond its control, not due to its own negligence, and cannot be overcome by the exercise of due diligence. In that event, the affected party will:

- A. Promptly give written notice to the other of the fact that it is unable to so perform and the cause(s) that is beyond its control; and
- B. Once the cause(s) has ceased, provide written notice to the other party and immediately resume its performance under this Agreement.

For purposes of this Article, "cause that is beyond its control" includes labor disturbances, riots, fires, earthquakes, floods, storms, lightning, epidemics, war, disorders, hostilities, expropriation or confiscation of properties, failure of and delays by carriers, interference by civil or military authorities, whether legal or de facto, and whether purporting to act under some constitution, decree, or law, or otherwise, or acts of God.

ARTICLE XXIV

Waiver: No failure on the part of the parties to exercise any rights under this Agreement, and no course of dealing with respect to any right hereunder, shall operate as a waiver of that right, nor shall any single or partial exercise of any right preclude the exercise of any other right. The remedies herein provided are cumulative and are not exclusive of any other remedies provided by law.

ARTICLE XXV

Conflict of Interest: The parties to this Agreement have read and are aware of the provisions of Government Code Section 1090 et seq. and the Political Reform Act of 1974 (Section 87100 et seq.), relating to conflict of interest of public officers and employees. County's Contract Administrator shall at the time this Agreement is executed make an initial determination whether or not the individuals who will provide services or perform work pursuant to this Agreement are Consultants within the meaning of the Political Reform Act and County's Conflict of Interest Code. Statements of economic interests are public records subject to disclosure under the California Public Records Act.

Subrecipient covenants that during the term of this Agreement neither it, or any officer or employee of the Subrecipient, has or shall acquire any interest, directly or indirectly, in any of the following:

- B. Any other entities connected with, or directly affected by, the services to be performed by this Agreement.
- C. Any officer or employee of County that are involved in this Agreement.

If Subrecipient becomes aware of a conflict of interest related to this Agreement, Subrecipient shall promptly notify County of the existence of that conflict, and County may, in its sole discretion, immediately terminate this Agreement by giving written notice as detailed in the Article titled "Default, Termination and Cancellation."

Pursuant to Government Code section 84308 (SB 1439, the Levine Act), Subrecipient shall complete and sign the attached **Exhibit D**, marked "California Levine Act Statement," incorporated herein and made by reference a part hereof, regarding campaign contributions by Subrecipient, if any, to any officer of County.

The Subrecipient will be required to submit a Form 590 prior to execution of an Agreement or County shall withhold seven (7) percent of each payment made to the Subrecipient during term of the Agreement. This requirement applies to any agreement/contract exceeding \$1,500.00.

ARTICLE XXVII

County Payee Data Record Form: All independent Subrecipients or corporations providing services to County who do not have a Department of the Treasury Internal Revenue Service Form W-9 (Form W-9) on file with County must file a County Payee Data Record Form with County.

b. Assistance with California Victim Compensation Board Claims

Subrecipients are strongly encouraged to assist victims/survivors with applying for compensation benefits through the California Victim Compensation Board. Activities may include:

- Advising of the availability of such benefits.
- Assisting with application forms and understanding procedures.
- Obtaining necessary documentation to support the claim.
- Monitoring claim status.

Subrecipients are also strongly encouraged to allocate funds for tablets or mobile communication devices and cellular service to swiftly facilitate the on-line application process in the office or in the field.

c. Victims of Crime Resource Center

Subrecipients are strongly encouraged to utilize the California Victims Legal Resource Center (VLRC) when assisting victims/survivors.

At the VLRC, Pacific McGeorge School of Law students and attorneys provide victims/survivors, their families, and service providers with information about victims'/survivor's legal rights in the criminal and civil justice systems and provide tailored resource referrals. Upon request, the VLRC provides publications on victims' rights, legal research on victims' rights to service providers, and educational presentations.

Services are free and can be accessed through the VLRC's confidential, toll-free hotline: 1-800-VICTIMS (842-8467), or through the www.1800victims.org website.

d. State of California Department of Justice Victims' Services Unit

Subrecipients are strongly encouraged to provide victims/survivors with information about the State of California Department of Justice (DOJ) Victims' Services Unit (VSU) when assisting victims/survivors.

DOJ VSU provides appeal notification to victims/survivors and their families, as well as assistance, support services, and outreach on capital and non-capital cases. DOJ VSU provides direct victim assistance in cases that are being prosecuted at the Attorney General's Office and is a resource for information about death penalty cases and sexual assault rape kit status.

Upon request, DOJ VSU provides publications on victims' rights and educational presentations. To receive information on resources, visit <https://oag.ca.gov/victimservices/notification>, call the toll-free VSU line at (877) 433-9069, or email VSU at VictimServices@doj.ca.gov.

3. Reporting Requirements

Progress Reports serve as a record for the implementation of the Grant Subaward. Statistics for Progress Reports must be collected on a quarterly basis, even when reporting occurs less frequently. The following reports are required:

a. Cal OES Progress Reports

There are two Progress Reports required for the Program. See the chart below for report periods and due dates.

Report	Report Period	Due Date
1 st Report	January 1, 2024 – June 30, 2024	July 30, 2024
Final Report	July 1, 2024 – December 31, 2024	January 30, 2025

b. Office for Victims of Crime (OVC) Reports

There are two, on-line OVC reports Subrecipients will also need to complete:

1) Subgrant Award Report (SAR)

This on-line report must be completed by both the Subrecipient and Cal OES within 90 days of the beginning of the Grant Subaward performance period. Cal OES will initiate access and the Subrecipient will have **60 days to complete** the remainder of the report in the OVC Performance Measurement Tool. Then, Cal OES will have 30 days to either approve the SAR, or work with the Subrecipient on corrections, and then approve the SAR.

2) Subgrantee Report

Subrecipients receiving Victims of Crime Act funds must complete this report no later than two weeks following the end of each federal fiscal year quarter. Subrecipients will report data directly into the OVC PMT database no later than the due dates listed, unless otherwise instructed by your Program Specialist.

Report Period	Due Date (on or about)
January 1, 2024 – March 31, 2024	April 14, 2024

PART II – RFA INSTRUCTIONS

- A. SUBRECIPIENT HANDBOOK
 - B. APPLICATION FORMS
 - C. ADDITIONAL DOCUMENTS
 - D. BUDGET POLICIES
 - E. ADMINISTRATIVE REQUIREMENTS
-

A. SUBRECIPIENT HANDBOOK

Applicants are strongly encouraged to review the SRH. The SRH outlines the terms and conditions that apply to Cal OES VS Branch Grant Subawards and provides helpful information for developing a proposal, including a Glossary of Terms.

B. APPLICATION FORMS

Applicants must use the forms provided on our website. The forms must be printed on plain white 8½" x 11" paper and single sided. **Applicants may not alter the formatting of any forms, including the Grant Subaward Programmatic Narrative (Cal OES Form 2-108) – with a revision date of 4/2021 or later – and the Grant Subaward Budget Narrative (Cal OES Form 2-107) – with a revision date of 4/2021 or later.**

Applicants must complete and submit all required forms. **Required forms for this Program are identified on the Checklist in Part III.** All forms have written instructions. If a form requires a Grant Subaward number, leave this information blank. General information regarding each form is below.

1. Grant Subaward Face Sheet (Cal OES Form 2-101)

This form is the title page of the Grant Subaward that is signed by the Official Designee (*SRH Section 3.030*) and the Cal OES Director (or designee). **This form is always required.**

2. Grant Subaward Contact Information (Cal OES Form 2-102)

This form provides Cal OES with contact information for all relevant Subrecipient personnel. Information for each individual should be direct contact information. **This form is always required.**

3. Grant Subaward Signature Authorization (Cal OES Form 2-103)

This form provides Cal OES with signatures of authorized signers and who they authorize to sign on their behalf for all Grant Subaward-related matters. **This form is always required.**

4. Grant Subaward Certification of Assurance of Compliance (Cal OES Form 2-104)

This form is a binding affirmation that the Subrecipient will comply with the following regulations and restrictions:

- State and federal civil rights laws
- Drug Free Workplace
- California Environmental Quality Act
- Federal grant fund requirements
- Lobbying restrictions
- Debarment and Suspension requirements
- Proof of Authority documentation from the city council/governing board

This form is always required.

5. Grant Subaward Budget Pages (Cal OES Form 2-106a-b)

These forms demonstrate how the Applicant will implement the proposed plan with the funds available through this Program. This is the basis for management, fiscal review, and audit. **Grant Subaward Budget Pages (Cal OES Form 2-106a-b) are subject to Cal OES modifications and approval.** Failure of the Applicant to include required items does not eliminate responsibility to comply with those requirements during the implementation of the Grant Subaward. **One of these forms is always required.**

The Grant Subaward Budget Pages (Cal OES Form 2-106a-b) automatically calculate the subtotal at the end of each budget category and provide the total of the three spreadsheets at the bottom of the Equipment Costs page. Applicants may add additional columns to the Grant Subaward Budget Pages (Cal OES Form 2-106a-b) when necessary.

Cal OES requires the Applicant to develop a line-item budget that includes a **calculation and justification in the left column for all costs.**

The Grant Subaward Budget Pages (Cal OES Form 2-106a-b) must:

- Cover the entire Grant Subaward performance period.
- Include costs related to the objectives and activities of the Grant Subaward.
- Strict adherence to required and prohibited expenses.
- Include costs in the correct category (i.e., Personnel Costs, Operating Costs, and Equipment Costs – see below).

Include **only** those items covered by Grant Subaward funds, including match funds, when applicable. Applicants may supplement Grant Subaward funds with funds from other sources. However, since approved line items are subject to audit, Applicants should not include matching funds (if applicable) in excess of the required match on the Grant Subaward Budget Pages (Cal OES Form 2-106a-b).

a. Personnel Costs – Salaries/Employee Benefits

1) Salaries

Personnel includes Grant Subaward services performed by Grant Subaward staff **directly employed by the Applicant** (not a contract or Participating Agency) and must be identified by position, cost and time spent on allowable activities for the Grant Subaward (e.g., Clerical Staff @ \$20/hour x 980 hours; or Victim Advocate @ \$1,500/month x 12 months x .50 FTE). Personnel may be salaried or hourly, full-time or part-time positions. Sick leave, vacation, holidays, overtime, and shift differentials must also be allocated as a part of salaries. If the Applicant's personnel have accrued sick leave or vacation time prior to the approval of the Grant Subaward, they may not take time off using Grant Subaward funds.

2) Benefits

Employee benefits must be identified by type and include a calculation. The Applicant may use fixed percentages of salaries to calculate benefits. Allocated benefits cannot exceed those already established by the Applicant.

Employer contributions or expenses for social security, employee life and health insurance plans, unemployment insurance, and/or pension plans are allowable. Benefits, such as uniforms or California Bar Association dues, are allowable if negotiated as a part of an employee benefit package.

A line item is required for each different position/classification, but not for each individual employee. If several people will be employed full-time or part-time in the same position/classification, provide the number of full-time equivalents (e.g., three half-time clerical personnel should be itemized as 1.5 FTE clerical positions).

Additional information on Personnel Expenses can be found in *SRH Part 3*.

b. Operating Costs

Operating costs are defined as necessary expenditures other than personnel salaries, benefits, and equipment. The costs must be Grant Subaward-related (i.e., to further the Program objectives as defined in the Grant Subaward) and be encumbered during the Grant Subaward performance period.

Examples of common operating costs include, but are not limited to:

- Audit costs (SRH Section 14.035)
- Computers with an acquisition cost of \$4,999 or less
- Computer equipment rentals
- Consultant services (SRH Section 6.050)
- Equipment service and maintenance agreements
- Financial Assistance for clients (SRH Section 4.040)
- Furniture and office equipment (\$4,999 or less)
- Indirect costs (SRH Section 4.045)

- Insurance (e.g., vehicle, fire, bonding, theft, and liability)
- Internet access
- Office supplies
- Office rental space (SRH Section 4.055)
- Postage
- Printing
- Second-Tier Subawards (SRH Section 7.010)
- Software
- Training materials
- Travel and per diem (SRH Section 4.065)
- Utilities
- Vehicle maintenance

Additional information on Operating Expenses can be found in *SRH Part 4*.

c. Equipment Costs

Equipment is defined as nonexpendable tangible personal property having a useful life of more than one year and a cost of \$5,000 or more per unit (excluding tax).

A line item is required for different types of equipment, but not for each specific piece of equipment (e.g., three copy machines must be one line item, not three).

Additional information on Equipment Costs can be found in *SRH Part 5*.

6. Grant Subaward Budget Narrative (Cal OES Form 2-107)

This form should describe the following:

- How the line items on the Grant Subaward Budget Pages (Cal OES Form 2-106a-b) support the objectives and activities.

- How Grant Subaward-funded staff duties and time commitments support the proposed objectives and activities.

- The necessity for subcontracts and unusual costs.
Need for mid-year salary range adjustments.

This form may be required.

7. Grant Subaward Programmatic Narrative (Cal OES Form 2-108)

This form is the main body of information describing the problem to be addressed, the plan to address the identified problem through appropriate and achievable objectives and activities, and the ability of the Applicant to implement the proposed plan. **This form is always required, however a Problem Statement may not.**

a. Problem Statement

In narrative form, provide a problem statement indicating the gaps in victim services identified by the Victim Services Steering Committee (VSSC) for the Program Grant Subaward performance period.

b. Plan

In narrative form, address the following:

- 1) The current victim services gaps/needs.
- 2) The plan to address the identified victim services gaps/needs. (The plan must include measurable objectives.)
- 3) The plan to sustain and/or integrate these services into the existing victim services structure beyond the Grant Subaward performance period.
- 4) How volunteers will be utilized and in what capacity.
- 5) With written consensus from the VSSC, funds may be sub-awarded through Second Tier Subawards, to other victim service providers. If applicable, indicate the direct services the Second Tier Subrecipients will provide.

8. Federal Fund Grant Subaward Assurances (Cal OES Forms 2-109a-g)

These forms list all the assurances and are a binding affirmation that Subrecipients will comply with the assurances to receive a federal fund source. Subrecipients may be asked to sign and submit one or more Federal Fund Grant Subaward Assurances (Cal OES Form 2-109a-g).

Every year, Cal OES updates the Federal Fund Grant Subaward Assurances (Cal OES Form 2-104a-g) to ensure that any new assurances placed upon the federal award are passed down to Subrecipients. Subrecipients will be notified if this change is needed.

This form is required for the applicable federal fund source(s) included in the Grant Subaward.

9. Petty Cash Victim Fund Certification (Cal OES Form 2-153)

A Petty Cash Victim Fund is a small amount of discretionary funds, in the form of cash, used for disbursements for unforeseen financial intervention paid directly to the victim. Subrecipients providing direct victim services may budget up to two percent of the total Grant Subaward cost for petty cash.

This form identifies the procedures to maintain safeguards and accountability of these funds. **This form is required only if the Applicant proposes to have a line item on their Grant Subaward Budget Pages (Cal OES Form 2-106a-b) that meets the definition of Petty Cash in SRH Section 4.040.**

This form identifies the counties, cities, and congressional districts served by the Grant Subaward. **This form is always required.**

11. Volunteer Waiver Request (Cal OES Form 2-155)

This form provides information to support a request to waive a volunteer requirement per Part I of this RFA. **This form is only required if the Program requires volunteers, and the Applicant wants to request a waiver.**

12. Non-Competitive Procurement Request (Cal OES Form 2-156)

A Non-competitive procurement transaction is a purchase of property/goods or services, where only a single source that can provide the services or goods is afforded the opportunity to offer a price for the specified services or goods. See *SRH Section 6.045* for additional information.

This form provides information to support a request for approval of a non-competitive procurement. **This form is only required if the Applicant proposes to have a line item on their Grant Subaward Budget Pages (Cal OES Form 2-106a or b) that meets the definition of a non-competitive procurement in *SRH Section 6.045*.**

This form is required to waive a portion, or all, of the required match. See Part I, F., 1 for additional information. Match waiver requests are not considered during the Proposal Rating process. **This form is only required if the Program is supported with VOCA funds AND the Applicant wants to request to waive match.**

The maximum rate for an independent contractor/consultant is \$650 per eight-hour day or \$81.25 per hour per *SRH Section 6.050*.

This form provides information to support a request for approval of an exemption to the maximum rate. **This form is only required if the**

Applicant proposes to have a line item on their Grant Subaward Budget Pages (Cal OES Form 2-106a or b) for an independent contractor above the maximum rate.

18. Subrecipient Grants Management Assessment

Per title 2 CFR § 200.331, Cal OES is required to evaluate the risk of noncompliance with federal statutes, regulations, and terms and conditions posed by each Subrecipient of pass-through funding. The assessment is made in order to determine and provide an appropriate level of technical assistance, training, and oversight to Subrecipients. **This form is always required.**

17. Restrictions and Certifications Regarding Non-disclosure Agreements and Related Matters

No Subrecipients (and any Second-Tier Subrecipients) under this Grant Subaward, or entity that receives a procurement contract or subcontract with any funds under this Grant Subaward, may require any employee or contractor to sign an internal confidentiality agreement or statement that prohibits or otherwise restricts, or purports to prohibit or restrict, the reporting (in accordance with law) of waste, fraud, or abuse to an investigative or law enforcement representative of a federal department or agency authorized to receive such information.

The foregoing is not intended, and shall not be understood by the agency making

this Grant Subaward, to contravene requirements applicable to Standard Form 312 (which relates to classified information), Form 4414 (which relates to sensitive compartmented information), or any other form issued by a federal department or agency governing the nondisclosure of classified information.

- a. In accepting this Grant Subaward, Subrecipients (and any Second-Tier Subrecipients):
 - 1) Represent that they neither require, nor have required, internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and
 - 2) Certify that, if they learn, or are notified, that they have, or have been, requiring their employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, they will immediately stop any further obligations of Grant Subaward funds, will provide prompt written notification to Cal OES, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by Cal OES.
- b. If Subrecipients are authorized under this award to make Second-Tier Subawards, procurement contracts, or both:
 - 1) Subrecipients represent that:
 - a) No other entity (whether through a Second-Tier Subaward ("subgrant"), procurement contract, or subcontract under a procurement contract) that they pass funds to either requires or has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and

18. All Grant Subawards Must Have Specific Federal Authorization

Subrecipients (and any Second-Tier Subrecipients) must comply with all applicable requirements for authorization of any Grant Subaward. This condition applies to agreements that -- for purposes of federal grants administrative requirements -- OJP considers a "Grant Subaward" (and therefore does not consider a procurement "contract").

The details of the requirement for authorization of any Grant Subaward are posted on the OJP web site at <https://ojp.gov/funding/Explore/SubawardAuthorization.htm>.

19. Requirements Related to System for Award Management and Universal Identifier Requirements

Subrecipients (and any Second-Tier Subrecipients) must comply with applicable requirements regarding the System for Award Management (SAM), currently accessible at <https://www.sam.gov/>. This includes applicable requirements regarding registration with SAM, as well as maintaining the currency of information in SAM.

Subrecipients also must comply with applicable restrictions for Second-Tier Subawards, including restrictions on Grant Subawards to entities that do not acquire and provide (to Subrecipients) the unique entity identifier required for SAM registration.

The details of the Subrecipients' obligations related to SAM and to unique entity identifiers are posted on the OJP web site at <https://ojp.gov/funding/Explore/SAM.htm>.

This condition does not apply to a Grant Subaward to an individual who received the Grant Subaward as a natural person (i.e., unrelated to any business or non-profit organization that he or she may own or operate in his or her name).

20. Restrictions on "Lobbying"

In general, as a matter of federal law, federal funds awarded by OJP may not be used by Subrecipients (and any Second-Tier Subrecipients), either directly or indirectly, to support or oppose the enactment, repeal, modification, or adoption of any law, regulation, or policy, at any level of government. See 18 U.S.C. 1913. (There may be exceptions if an applicable federal statute specifically authorizes certain activities that otherwise would be barred by law.)

Another federal law generally prohibits federal funds awarded by OJP from being used by Subrecipients (and any Second-Tier Subrecipients), to pay any person to influence (or attempt to influence) a federal agency, a Member of Congress, or Congress (or an official or employee of any of them) with respect to the awarding of

a federal grant or cooperative agreement, subgrant, contract, subcontract, or loan, or with respect to actions such as renewing, extending, or modifying any such award. See 31 U.S.C. 1352. Certain exceptions to this law apply, including an exception that applies to Indian tribes and tribal organizations.

Should any question arise as to whether a particular use of federal funds by a Subrecipient (or any Second-Tier Subrecipient) would or might fall within the scope of these prohibitions, the Subrecipient is to contact Cal OES for guidance, and may not proceed without the express prior written approval of Cal OES.

21. Specific Post-award Approval Required to Use a Noncompetitive Approach in any Procurement Contract that would Exceed \$250,000

Subrecipients (and any Second-Tier Subrecipients) must comply with all applicable requirements to obtain specific advance approval to use a noncompetitive approach in any procurement contract that would exceed the Simplified Acquisition Threshold (currently, \$250,000). This condition applies to agreements that – for purposes of federal grants administrative requirements OJP considers a procurement "contract" (and therefore does not consider a subaward).

The details of the requirement for advance approval to use a noncompetitive approach in a procurement contract under an OJP award are posted on the OJP web site at <https://ojp.gov/funding/Explore/NoncompetitiveProcurement.htm>.

22. Requirements Pertaining to Prohibited Conduct Related to Trafficking in Persons (including reporting requirements and OJP Authority to Terminate Grant Subaward)

Subrecipients (and any Second-Tier Subrecipients) must comply with all applicable requirements (including requirements to report allegations) pertaining to prohibited conduct related to the trafficking of persons, whether on the part of Subrecipients (and any Second-Tier Subrecipients), or individuals defined (for purposes of this condition) as "employees" of Subrecipients (and any Second-Tier Subrecipients).

The details of the Subrecipients' obligations related to prohibited conduct related to trafficking in persons are posted on the OJP web site at <https://ojp.gov/funding/Explore/ProhibitedConduct-Trafficking.htm>.

23. Reporting Potential Fraud, Waste, and Abuse, and Similar Misconduct

Subrecipients (and any Second-Tier Subrecipients) must promptly refer to Cal OES any credible evidence that a principal, employee, agent, Subrecipient, contractor, subcontractor, or other person has, in connection with funds under this Grant Subaward– (1) submitted a claim that violates the False Claims Act; or (2) committed a criminal or civil violation of laws pertaining to fraud, conflict of interest, bribery, gratuity, or similar misconduct.

25. VOCA Requirements

Subrecipients (and any Second-Tier Subrecipients) assure that they will comply with the conditions of the Victims of Crime Act (VOCA) of 1984, sections 1404(a)(2), and 1404(b)(1) and (2), 34 U.S.C. 20103(a)(2) and (b)(1) and (2) (and the applicable program guidelines and regulations), as required.

Grant Subaward Budget Narrative

Grant Subaward #: XC23 06 0090

Subrecipient: County of El Dorado

One-hundred percent of the funds allocated to El Dorado County will be sub-awarded to CASA El Dorado through El Dorado County Health and Human Services Agency.

With the sub-award, ***all of the funds for Court Appointed Special Advocate (CASA) engagement with abused and neglected children are for costs that are directly required for the contractor to perform these services.*** Costs identified are predominately for the wages and benefits of three program employees who are 100% dedicated to training and supporting the CASA volunteers, who are dedicated to serving childhood victims of abuse and neglect. They will have no other duties than those dedicated to the service of the victim population. These funds help to fill gaps in services to this vulnerable population by elevating their voices in court, assistance with navigating court procedures, and connection to additional resources and services for the child. Funds are also allocated to the reporting, tracking, and invoicing required by the contract and carried out by the Fiscal Manager. All of the employees are located in their Placerville office. Funds for cell phones, data tracking software, and office space required for carrying out the program are included. Print advertising costs needed for the recruitment of new volunteers to be trained under this subaward are included.

Case Supervisor Role: The Case Supervisor is responsible for screening, training and supporting CASA advocates and is charged with matching volunteer resources to the greatest need and provides ongoing, empathetic support to volunteers who navigate the child welfare system. Case Supervisors must model good partnership skills and positive communication abilities with social workers,

judges, attorneys, foster family agencies and others. They demonstrate patience, perseverance, strong communication skills and team oriented collaboration and advocacy.

The education level for this position is college undergraduate degree or equivalent experience with a background in social services and/or psychology. The bulk of this person's time is spent in support of the activities of CASA advocates. They communicate with advocates and troubleshoot situations that require support. CASA advocates work collaboratively with many different agencies and cases become complex. Case Supervisors' support helps advocates bridge interagency requirements. Other interactions include biological and foster parents, extended family, teachers, doctors, therapists, social workers, attorneys and judges. Case Supervisors must also engage with other agencies by attending standing committees and task forces such as Child Abuse Prevention Council and Child Parent Resource Teams to establish a collaborative approach. Case Supervisors also appear in court with the CASA advocates, and sometimes in their stead, at all child hearings and are often called upon by the juvenile judge to provide an oral report on a matter, in addition to the written report provided by the CASA advocate.

Case Supervisors possess a knowledge of the laws governing child protection and child custody. They have experience in writing professional reports. All CASA staff comply with extensive background screening and finger print analysis and abide by very strict confidentiality laws. They must possess the sensitivity and insight to match volunteers with the children they will support. They provide

technical oversight to the CASA advocates and ensure compliance with all laws, policies and procedures.

CASA volunteer advocates operate with the support and expertise of the Case Supervisor. They train and support the CASA advocate, who works with the child and the people in that child's life. They assure that CASA advocates are working in an appropriate and informed manner with the children they represent, as well as the people in that child's life and with the agencies that make up the child welfare system.

Case Supervisors train new CASA advocates (30 hours) and coordinate monthly continuing education classes.

A. Problem Statement

El Dorado County (EDC), through the Health and Human Services Agency (HHSA), has applied to and been awarded funding by the California Governor's Office of Emergency Services (Cal OES) for the Victim Services (XC) Program non-competitive grant since 2016. As part of the initial grant submission, EDC HHSA established a Victim Services Steering Committee (VSSC) to determine the highest need for addressing victim services in the community and to develop a Victim Services Plan for the XC Program implementation. The EDC HHSA established VSSC includes representation from the following agencies:

- EDC HHSA Child Protective Services
- EDC HHSA Adult Protective Services
- EDC HHSA Behavioral Health
- EDC Superior Court
- EDC District Attorney
- EDC Probation Department
- City of Placerville Police Department
- El Dorado Sheriff's Office
- EDC Victim Witness Program, (division within the County District Attorney's Office)

- Live Violence Free (non-profit agency in the County that represent the Domestic Violence and Rape Crisis Program category in the County)

Throughout the initial meetings in 2016, the EDC HHSA Child Protective Services (CPS) program, as the lead agency on the EDC VSSC, presented to the committee that children and youth involved in child welfare services who are victims of abuse and neglect were under-represented in El Dorado County and highlighted that these vulnerable individuals have particularly poor outcomes over the long-term, especially when they do not receive individualized services. Consequently, youth victims of abuse tend to have higher rates of drug and alcohol abuse, incarceration as youth and adults, and face higher rates of teenage pregnancy, relative to their peers. After much discussion and deliberation, the EDC VSSC determined that addressing the needs of youth, ages 0 to 21, who have been removed from their homes by Child Protective Services due to criminal acts of abuse, neglect or abandonment, as determined by the juvenile court judge, was a priority in the county and agreed that this targeted population was the best choice for servitude under the XC Program.

As the outcome of the VSSC meetings held in 2016, the committee determined that the victim services gap in El Dorado County was the estimated 50 youth in the community who (on an annual basis) become victims of child abuse and neglect

and are appointed a Court Appointed Special Advocate (CASA) by a superior court judge, placed into foster care locally, and are under-served due to a lack of available resources. Consistent with the requirements outlined in the California Welfare and Institutions Code Sections 100-110, the Court relies on trained CASAs to investigate the circumstances surrounding a child's introduction to and involvement with the justice system. CASAs serve not only as a source for making recommendations to the Court but also as a supportive mechanism, frequently acting as a sole source of stability for youth individuals involved in juvenile and criminal proceedings. The EDC VSSC, through their assessment of implementing the XC Program, determined that victimized youth who have CASAs working on their behalf spend less time in foster care, do better in school, have more stability in their placements and are half as likely to reenter the Child Welfare System (as evidenced by research published by the National CASA/GAL Association for Children www.casaforchildren.org). The EDC VSSC ultimately decided that awarded XC Victims Services Program funding will be dedicated to serving youth crime victims exclusively and is not used to represent minors that are declared wards of the court because of delinquency, arrest, or a sustained petition by the District Attorney's Office. Demographically, these victims are youth (aged 15 and under) and transition age youth (aged 16-21 years old), hereinafter categorized as

"youth", who have been determined to be dependents of the Court under California Welfare and Institutions Codes Section 300. This target population was identified as the unmet victims in EDC to be served under the XC Program. The EDC VSSC also determined that this population would best be served through a collaborative effort spearheaded by CASA El Dorado, a community based non-profit organization that provides legally mandated services to youth victims of crime and is equipped to provide specially trained Court Appointed Special Advocates to youth clients. CASA El Dorado has served victims of child abuse and neglect in this exact manner in El Dorado County for over 30 years.

B. Plan

Accordingly, following the initial County Victim Services (XC) Program grant EDC received by Cal OES in 2016 (which was a three-year award), EDC HHSA entered into an Agreement for Services ("contract") with CASA El Dorado and sub-awarded 100% of the XC funding award to CASA El Dorado to provide the advocacy services to youth victims served under Child Welfare Services (CWS) throughout the County of El Dorado. With this subaward, CASA El Dorado helps fund Court Appointed Special Advocates (CASA), who are specially trained and supervised community volunteers appointed by a juvenile court judge, to serve youth clients in the foster care system. A youth client is appointed a CASA when

allegations of abuse and/or neglect arise, which includes but may not be limited to abandonment, cruelty, death of a child within the household, emotional abuse, failure to protect, neglect, physical abuse, serious physical harm, sexual abuse, and abuse of a sibling within the household. CASAs make a significant difference in the lives of abused and neglected children as they research and monitor cases involving youth in foster care, in addition to providing them with personalized advocacy and mentorship.

Since the initial award in 2016, the EDC VSSC has continued to reconvene to discuss the established Victim Services Plan to reassess current victim needs and service gaps in EDC and ensure regular collaboration and dialog in support of justice for crime victims, and to evaluate if the plan is continuing to best meet the unmet needs of crime victims in the county. Resulting from these meetings, the EDC VSSC has unanimously elected to continue sub-awarding this funding in its entirety to CASA El Dorado and renewed their services contract each year the county was awarded XC funding (2019, 2020, 2021 and 2022), to allow CASA El Dorado to continue to provide advocates to the identified victim population. **Without CASA El Dorado's youth advocacy service provision, the waiting list for a youth to receive a CASA would result in approximately 90 youth each year going without this necessary advocacy support.**

Subrecipient: County of El Dorado_____

As outlined within the EDC VSSC developed Victim Services Plan, CASA El Dorado, as a subrecipient of EDC awarded Victim Services Program funding, is responsible for achieving the following measurable objectives to address youth victim services needs and close the gap in service provision:

A. Objective #1: Provide Court Appointed Special Advocacy Services to 90 youth per year to provide the following services:

- Provide advocacy and support for victims of child abuse and neglect through their involvement in the criminal justice process;
- Provide educational, social, medical, mental health, and substance abuse supports, either directly or through connecting youth with services available locally;
- Investigate and work to understand the circumstances and needs of each youth;
- Identify resources and services needed for each youth to provide referrals or connections;
- Communicate with justice systems partners involved, within the limits of and respect for the confidentiality rights afforded to these youth under California law. Communication may include identifying the youth's wishes/interests, the best interests of the youth's family, the youth's unmet needs, and

circumstances impacting and/or influencing the life of the youth that may be relevant to the different actors working with the youth throughout the justice system; and

- Monitor court proceedings to ensure court orders are followed and services received by the youth are resulting in beneficial outcomes.

B. Objective #2: Dedicate personnel to the on-going recruitment and training of additional court appointed advocates, ensuring the availability of advocates to meet the demand of youth to the extent possible. Recruitment and training of advocates at a minimum will include:

- The provision of at least 30 hours of formal instruction consistent with the 2020 California Rules of Court (or otherwise as amended, updated, or adopted the Court) and the California Welfare and Institutions Code § 102(d) 1-10; and
- Education on the roles and responsibilities of the parties involved in the juvenile court structure, including but not limited to the roles of the advocate, the social worker, the roles of the judiciary, the Probation Department, the District Attorney, and the Public Defender. The purpose of this education should be focused on ensuring advocates understand the system in which recommendations are made by the advocate and how those recommendations impact parties involved in court proceedings.

C. Objective #3: Engage in regular, on-going meetings with EDC VSSC members to address the unmet needs of crime victims and assure plan goals are achieved.

This objective is met through the following:

- CASA El Dorado will participate in EDC VSSC meetings, which are held approximately six months after the award of funds by Cal OES, to evaluate progress on meeting the objectives identified, consistent with the requirements of the County Victim Services Program;
- EDC VSSC meetings include the opportunity for any EDC VSSC represented organization to present information and materials that may assist CASA El Dorado in serving youth in need of advocacy; and
- EDC VSSC meetings also include a regular report from CASA El Dorado to the VSSC members on the numbers of youth served, the number of youth currently awaiting an advocate, and additional resources and/or services that could be beneficial in serving the youth.

Outcomes:

As a result of the funding received in 2022, CASA El Dorado dramatically reduced the wait list for minors awaiting Court Appointed Special Advocates from approximately 166 children per year down to an average of 26 per year. Funding provided through this grant allows CASA to serve approximately 106 youth per year,

who without this funding, would not receive services. Additionally, utilizing this funding, CASA El Dorado provides direct services to affected youth victims involved in foster care system through the provision of a specially trained advocate and supports children throughout the duration of their open case in the child welfare system. With the pass through of EDC awarded XC funding, CASA El Dorado utilizes this funding to pay for the personnel involved in recruiting and training CASA volunteers as well as the operations of the CASA program.

During the most recent XC grant performance period starting January 1, 2023, with efforts made through August 28, 2023, CASA El Dorado has made the following strides towards meeting the objectives stated above as follows:

- Objective 1 progress (CASA provision to youth): CASA El Dorado has provided 75 advocates to support, empower, and provide a voice for 166 youth. As of August 28, 2023, the wait-list for youth awaiting CASAs was approximately 26 which serves as a dramatic reduction of minors awaiting Court Appointed Special Advocates from approximately 120 children three years ago. CASA El Dorado has provided services to these youth to include: creating a one-to-one caring and consistent relationship with the advocate and the youth; understanding the wants and needs of the youth client through regular advocate visits with the youth, their educators, foster placement, parents and

other support providers (as applicable); advocating for necessary and valuable services for the youth including individualized education plans, safe after-school care, and medical and mental health appointments; completing timely and thorough reports that generally include the Advocate's recommendations, the youth's voice, current placement update, re-unification update, educational concerns, health and mental concerns, recreation and social concerns, and overall behavior; as well as monitoring services and court orders to ensure that all are being met.

- Objective 2 performance (advocate recruitment/training): Utilizing XC funding passed through EDC for 2023, CASA El Dorado has been able to fund a portion of hours of one FTE Program Director, who is responsible for the organization and ongoing recruitment and training of staff. For the period of January 1, 2023, through June 30, 2023, CASA El Dorado provided training and outreach events to reach a total of 69 individuals through a combination of five initial training events, six continuing education events, six educational outreach events, and 21 one-to-one informative events. The six continuing education events included information on: local drug trends, domestic violence resources, LGBTQI training, social-emotional skills, and foster kinship care. Additionally, CASA El Dorado held an annual organization outreach event to raise community awareness of

the program. On a regular basis, CASA El Dorado holds monthly continuing education trainings, creates bi-weekly advocate recruitment advertisements for social media accounts, and has a monthly e-newsletter for recruitment advertisements. Their Program Director also developed a schedule of speaking engagements where advocate recruitment is the primary goal. CASA El Dorado's most recent outreach includes Placerville Kiwanis, South Lake Tahoe Kiwanis, and Placerville Rotary. These outreach efforts produced an increase in Advocate applications, and in the first quarter of the XC grant period in 2022, CASA El Dorado have received a total of 21 applicants, with nine successfully completing an extensive background check and 30 hours of required training. Furthermore, to enhance CASA training, CASA El Dorado created an online CASA University system, which has now been adopted by nearly all state of CA CASA programs, is nationally recognized, has streamlined CASA El Dorado's advocate training process. In 2022, CASA El Dorado continued their comprehensive trainings which include guest speakers, role playing, break-out groups and one-on-one activities done interactively. Training sessions are currently held monthly.

- Objective 3 performance (Engagement with EDC VSSC): CASA El Dorado's Executive Director, (Amy Pooley) met with the EDC-VSSC during the third quarter

of 2023 and provided a presentation to the members on how they are meeting the unmet needs of crime victims through the XC Program. EDC is happy to report that CASA El Dorado works closely with the county in the administration of this grant, submits timely reports on volunteer hour matching reports and budget modifications, and provides clear communication on the grant performance to all stakeholders. Collaboration is provided to the committee and EDC HHSA appreciates the work that CASA El Dorado is doing with the grant subaward.

- Meeting the XC Program Match Requirement: As the local administrator of the XC Program grant, EDC HHSA is responsible for ensuring that CASA El Dorado uses Court Appointed Special Advocate volunteers sufficiently to meet the match requirements associated with the federal Victims of Crime Act Funding. CASA El Dorado volunteer advocates are specially trained to work with youth, advocate for their best interests, and to work collaboratively with a multitude of other private and public agencies that touch the child welfare system. In-Kind match reports are required and supplied to EDC HHSA on an on-going basis to ensure that the in-kind match requirements/volunteer hours are achieved by CASA El Dorado. CASA El Dorado, as the sub-recipient of EDC awarded XC funding since 2016 (equating to 84 months of funding), has provided all required matching funds through the in-kind CASA volunteer hours without failure. This

model will be continued for the new grant cycle. CASA El Dorado will provide the full required match amount for the 2023 XC Program funding (contingent upon award) of \$40,122 through the provision of volunteer in-kind hours of Court Appointed Special Advocate for victims of child abuse and neglect.

In closing, without the work of CASA El Dorado through the XC Program, many youths in EDC would not have a trained voice to speak for them in court proceedings that directly determine their futures. They would also lack the stability, consistency, and supports necessary to achieve positive educational, behavioral health, and social outcomes. In addition to the services provided by CASA El Dorado relevant to the XC Program, it is the intent of all organizations represented by the EDC VSSC to ensure regular collaboration and dialog in support of justice for crime victims. While CASA El Dorado plays an important role in ensuring advocacy and support for youth, their role is part of a larger system dedicated to ensuring justice within the community.
