ARPA REPORTING & OBLIGATION PLAN

SEEKING BOARD DIRECTION

ARPA REPORTING & OBLIGATION PLAN

- All ARPA funds must be obligated by December 31, 2024.
- To create the greatest flexibility in reporting and obligating the funds, staff are recommending:
 - The County report the full \$10 million allowed under lost revenue using General Fund capital investments that have already occurred.
 - The Board delegate authority to the Chief Administrative Office to move funding between board-approved projects to ensure the County will not return any SLFRF funds to the U.S. Treasury.
- Staff will return to the Board with a budget transfer to reflect the approved spending and reporting plan.
