El Dorado County Board of Supervisors
330 Fair Lane
Placerville, CA 95667

Dear Supervisors,

As you address the county budget issues on June 6-8, PAWED encourages you to continue to retain the funds set aside for the Western Slope Animal Shelter project. This is an extremely important and very much needed capital project for the community! We truly appreciate your recent approval of the DOT recommended "faster track" for this project, and look forward to working with the county as this project progresses.

Sincerely,

Charlene Welty
President
