El Dorado County Board of Supervisors

Dear Chairman Nutting:

This is to acknowledge receipt of your letter on behalf of the El Dorado County Board of Supervisors (Board), dated September 12, 2011, requesting a Petition for Redetermination in regards to the State Responsibility Area Prevention Fee. We are unable to accept and/or process your request at this time, as the Public Resources Code Section 4220 states in part: "A person from whom the fire prevention fee is determined to be due under this chapter may petition for a redetermination of whether this chapter applies to that person within 30 days after service upon him or her of a notice of the determination".

Therefore, we are advising the Board that until such time as El Dorado County or landowners within the County have received a Notice of Determination; we cannot accept, review or comment as to the merits of this petition or the standing of the Board to file the petition.

Sincerely,

KEN PIMLOTT
