Re: **Sundance Subdivison**

Dear Board Members:

By letter dated January 3, 2012, I provided background information to the Board on the above-referenced project. In reviewing that letter I note a typographical error. The project originally proposed 40 lots ranging in size from 5 to 8 acres based upon a Planned Development design. The project as currently proposed and as recommended for approval by the Planning Commission is for 28 parcels ranging in size from 10-14 acres so as to be fully compatible with the lot sizes in the immediate community. The letter as previously submitted referenced 20 lots as opposed to 28. That was my typo. My apologies for the need for clarification.

Very truly yours,

ROBERT A. LAURIE
