## Dear Supenisor Biggs,

My name is Mary Gudeman, a local 4-H volunteer and parent. I am writing this letter to ask for your assistance in recognizing a momentous occasion for Emity Gudeman, a resident of this community and 4-H Member, and the 4-H/Labo Intemational Exchange Program.

This summer, Emily will be traveligg to Nagoya, lapan as a 4-H Delegate and only representative from E Dorado County in 2012. I am asting for a proctamation from yourself and the Board of Supervisors which she may present to her host family in honor of their generosity and commitment to global citizenship through cultural immersion. I have included a draft for your review.

My family and I thank you for your attention to this matter.
Sincerely,

Mary Gudeman
