Re: Annual CPI Adjustment

June 29, 2012

Dear Ms. Silva,

Pursuant to the First Amendment Of Solid Waste Services Agreement effective July 1<sup>st</sup> 2012, and based on our verbal agreement that such Amendment be completed before requesting a rate adjustment, and with the Amendment now executed, we are formally requesting a rate adjustment based on the California CPI for the point to point period of December 2010 to December 2011 as per the above referenced Amendment. We have attached a copy of the Division of Labor Statistic and Research CPI calculator as the reference. As you will see, the increase in the Consumer Price Index  $\bar{N}$  All Items  $\bar{N}$  All Urban Consumers - California for the point to point period of December 2010 to December 2011, was 2.4%. Per the terms of the Amendment we are requesting a change of 2.4% effective October 1, 2012.

We appreciate your co-operation and look forward to hearing from you. If you have any questions or need further information, please feel free to contact me at (530) 295 2816.

Sincerely,

Susan L. VanDelinder
