**Application for County of El Dorado
Board, Commission, or Committee**

Rich Stewart

Additional Information: Give any information explaining your qualifications, experience, training, education, volunteer activities, community organization memberships, or personal interests that bear on your application for above Board, Commission, or Committee.

Starting in 1986, my wife and I scoped out various places to live in the foothills of Northern California from Calaveras County to Nevada County. We chose El Dorado County as part of our long term plan for where we wanted to live, raise our three children, and retire since we recognized the quality of life that the county has to offer. In 1998, as soon as our careers allowed, we moved to El Dorado County and have been able to enjoy the many recreational, cultural, and entertainment venues our county has to offer. I have a very good understanding as to what makes El Dorado County a desirable place to live and visit. I believe I understand the concerns of the people I would represent as a planning commissioner.

I have been a Boy Scout leader for nearly 20 years and a merit badge counselor for 14 years. Over the past year, I have participated in the El Dorado Hills Area Planning Advisory Committee, attended Planning Commission meetings and Board of Supervisor meetings, and have been participating in the General Plan and Zoning Ordinance Update through public comment.

I have a strong desire to represent the people of El Dorado County to make it even a better place to live for all of the County's citizens.
