Placerville, CA 95667

Dear: Board of Supervisors,

The Lake Tahoe Community College District (LTCCD) currently conducts board election on odd-numbered years pursuant to Elections Code section 1302. On January 22, 2013, LTCCD adopted Resolution Number 10—2012/13 (attached) to consolidate trustee elections to general even-year election pursuant to Education Code Sections 5300 and 5342.

The resolution of the Board of Trustees of the LTCCD to consolidate odd-year governing board elections to occur on the same date as even-year general elections will provide a cost savings as well as a higher voter turn out. Additionally, board members elected in 2009 shall be extended until November, 2014 and board members elected in 2011 shall be extended until the election held in November, 2016.

California Elections Code section 10405.7, subdivision (a), authorizes LTCCD Board of Trustees to adopt and submit the attached resolution to the Board of Supervisors no later than 240 days prior to the date of the currently scheduled election, consequently, the Board of Trustees is submitting the adopted, signed, and approved resolution to your office for consideration of approval at the next regular Board of Supervisors meeting scheduled for March 8, 2013.

If you have any questions or concerns, please feel free to contact me directly or via email at murillo@ltcc.edu.

Sincerely,

Kindred Murillo
Superintendent/President
