RE: Fireworks Display Variance Approval

Dear Mr. Mitrison,

J&M Displays West and the Souza Family respectfully request time before the Board for approval of a pyrotechnic display to be held on March 23, 2013.

We are aware fireworks are illegal in El Dorado County and a variance request must be approved by the Board prior to submitting a permit to the local fire jurisdiction.

This is a private function and not open to the public. The event will be held on private property. The location and contact information will be submitted on the permit application.

A certificate of insurance regarding coverage and additional insured will be submitted with the application for permit to the local fire jurisdiction.

As with all your displays, we comply with State and Local Fire Codes.

We will be happy to appear before the Board to answer any questions or concerns you may have.

Thank you for your time.

Sincerely,

Steve Souza  
Vice President
