THIS AGREEMENT made and entered by and between the County of El Dorado, a political subdivision of the State of California (hereinafter referred to as "County") and Ameripride Services, Inc., a Delaware corporation duly qualified to conduct business in the State of California, doing business as Ameripride Uniform Services, whose principal place of business is 10801 Wayzata Blvd., Minnetonka, MN 55305, and whose local place of business is 7620 Wilbur Way, Sacramento, CA 95823, (hereinafter referred to as "Contractor");

RECITALS

WHEREAS, County has determined that it is necessary to obtain a Contractor to provide laundry and linen services and garment, linen, and accessory rental services on an "as requested" basis for County Departments; and

WHEREAS, Contractor has represented to County that it is specially trained, experienced, expert and competent to perform the special services required hereunder and County has determined to rely upon such representations; and

WHEREAS, it is the intent of the parties hereto that such services be in conformity with all applicable federal, state and local laws; and

WHEREAS, County has determined that the provision of these services provided by Contractor is in the public's best interest, and that these services are more economically and feasibly performed by outside independent Contractors as well as authorized by El Dorado County Charter, Section 210 (b) (6) and/or Government Code 31000;

NOW, THEREFORE, County and Contractor mutually agree as follows:

ARTICLE I

Scope of Services: Contractor agrees to furnish personnel, materials, and equipment necessary to provide laundry and linen services and garment, linen, and accessory rental services to Departments County-wide. Services shall include, but not be limited to, weekly rental of uniforms, linens, mats, mops, towels, and other items as requested by departments. Pricing shall be in accordance with Exhibit "A", marked "Fee Schedule," incorporated herein and made by reference a part hereof. Specific items not listed in Exhibit "A" shall be available at Contractor's then current pricing.

Items remain the property of Contractor, and will be laundered and maintained by Contractor. Contractor will collect items to be laundered from Departments in accordance with a schedule to be agreed upon by the requesting Department and Contractor.

Items shall be maintained in good condition, and shall be free of holes, tears, or other defects. Any items that require replacement due to normal wear will be replaced by Contractor at no charge to the County. In the event that County personnel are responsible for rental items that are lost, stolen, damaged, or destroyed by fire, acid, paint, neglect, or otherwise, the County will pay for said rental items at the replacement values set forth in Exhibit "A".

Unless specified otherwise, the garments supplied under this Agreement are not flame retardant or acid resistant and contain no special flame retardant or acid resistant features. County agrees to notify its employees that their garments are not designed for use in areas of flammability risk or where contact with hazardous materials is possible. Flame retardant and acid resistant garments may be available from Contractor upon request.

County agrees to notify Contractor in writing of any hazardous materials that may be picked up by Contractor in the soiled garments or other textiles serviced under this Agreement. In no case will hazardous materials be present to the extent that they may be harmful to Contractor's employees.

The weekly service charge for any individual leaving the employ of the County may be terminated, but only after all garments issued to that individual, or the value of same, have been returned to the Contractor.

ARTICLE II

Term: This Agreement shall become effective upon final execution by both parties hereto and shall cover the period of March 31, 2013 through March 31, 2016.

ARTICLE III

Compensation for Services: For services provided herein, County agrees to pay Contractor monthly in arrears and within thirty (30) days following the County's receipt and approval of itemized invoice(s) identifying services rendered. For the purposes hereof, the billing rate shall be in accordance with Exhibit "A", marked "Fee Schedule", incorporated herein and made by reference a part hereof. Contractor agrees to invoice requesting departments directly. The total amount of this Agreement shall not exceed \$175,000.00, inclusive of all replacement charges.

ARTICLE IV

Changes to Agreement: This Agreement may be amended by mutual consent of the parties hereto. Said amendments shall become effective only when in writing and fully executed by duly authorized officers of the parties hereto.

ARTICLE V

Contractor to County: It is understood that the services provided under this Agreement shall be prepared in and with cooperation from County and its staff. It is further agreed that in all matters pertaining to this Agreement, Contractor shall act as Contractor only to County and shall not act as Contractor to any other individual or entity affected by this Agreement nor provide information in any manner to any party outside of this Agreement that would conflict with Contractor's responsibilities to County during term hereof.

ARTICLE VI

Assignment and Delegation: Contractor is engaged by County for its unique qualifications and skills as well as those of its personnel. Contractor shall not subcontract, delegate or assign services to be provided, in whole or in part, to any other person or entity without prior written consent of County.

ARTICLE VII

Independent Contractor/Liability: Contractor is, and shall be at all times, deemed independent and shall be wholly responsible for the manner in which it performs services required by terms of this Agreement. Contractor exclusively assumes responsibility for acts of its employees, associates, and subContractors, if any are authorized herein, as they relate to services to be provided under this Agreement during the course and scope of their employment.

Contractor shall be responsible for performing the work under this Agreement in a safe, professional, skillful and workmanlike manner and shall be liable for its own negligence and negligent acts of its employees. County shall have no right of control over the manner in which work is to be done and shall, therefore, not be charged with responsibility of preventing risk to Contractor or its employees.

ARTICLE VIII

Fiscal Considerations: The parties to this Agreement recognize and acknowledge that County is a political subdivision of the State of California. As such, El Dorado County is subject to the provisions of Article XVI, Section 18 of the California Constitution and other similar fiscal and procurement laws and regulations and may not expend funds for products, equipment or services not budgeted in a given fiscal year. It is further understood that in the normal course of County business, County will adopt a proposed budget prior to a given fiscal year, but that the final adoption of a budget does not occur until after the beginning of the fiscal year.

Notwithstanding any other provision of this Agreement to the contrary, County shall give notice of cancellation of this Agreement in the event of adoption of a proposed budget that does not provide

for funds for the services, products or equipment subject herein. Such notice shall become effective upon the adoption of a final budget which does not provide funding for this Agreement. Upon the effective date of such notice, this Agreement shall be automatically terminated and County released from any further liability hereunder.

In addition to the above, should the Board of Supervisors during the course of a given year for financial reasons reduce, or order a reduction, in the budget for any County department for which services were contracted to be performed, pursuant to this paragraph in the sole discretion of the County, this Agreement may be deemed to be canceled in its entirety subject to payment for services performed prior to cancellation.

ARTICLE IX

Default, Termination, and Cancellation:

- A. **Default:** Upon the occurrence of any default of the provisions of this Agreement, a party shall give written notice of said default to the party in default (notice). If the party in default does not cure the default within ten (10) days of the date of notice (time to cure), then such party shall be in default. The time to cure may be extended at the discretion of the party giving notice. Any extension of time to cure must be in writing, prepared by the party in default for signature by the party giving notice and must specify the reason(s) for the extension and the date on which the extension of time to cure expires.

Notice given under this section shall specify the alleged default and the applicable Agreement provision and shall demand that the party in default perform the provisions of this Agreement within the applicable period of time. No such notice shall be deemed a termination of this Agreement unless the party giving notice so elects in this notice, or the party giving notice so elects in a subsequent written notice after the time to cure has expired. In the event of termination for default, County reserves the right to take over and complete the work by contract or by any other means.

- B. **Bankruptcy:** This Agreement, at the option of the County, shall be terminable in the case of bankruptcy, voluntary or involuntary, or insolvency of Contractor.
- C. **Ceasing Performance:** County may terminate this Agreement in the event Contractor ceases to operate as a business, or otherwise becomes unable to substantially perform any term or condition of this Agreement.
- D. **Termination or Cancellation without Cause:** County may terminate this Agreement in whole or in part upon seven (7) calendar days written notice by County without cause. If such prior termination is effected, County will pay for satisfactory services rendered prior to the effective dates as set forth in the Notice of Termination provided to Contractor, and for such other services, which County may agree to in writing as necessary for contract resolution. In no event, however, shall County be obligated to pay more than the total amount of the contract. Upon receipt of a Notice of Termination, Contractor shall promptly discontinue all services affected, as of the effective date of termination set forth in such Notice of Termination, unless the notice directs otherwise.

This duty of Contractor to indemnify and save County harmless includes the duties to defend set forth in California Civil Code Section 2778.

ARTICLE XII

- G. Contractor agrees that the insurance required above shall be in effect at all times during the term of this Agreement. In the event said insurance coverage expires at any time or times during the term of this Agreement, Contractor agrees to provide at least thirty (30) days prior to said expiration date, a new certificate of insurance evidencing insurance coverage as provided for herein for not less than the remainder of term of the Agreement, or for a period of not less than one (1) year. New certificates of insurance are subject to the approval of Risk Management and Contractor agrees that no work or services shall be performed prior to the giving of such approval. In the event the Contractor fails to keep in effect at all times insurance coverage as herein provided, County may, in addition to any other remedies it may have, terminate this Agreement upon the occurrence of such event.
- H. The certificate of insurance must include the following provisions stating that:
 - 1. The insurer will not cancel the insured's coverage without prior written notice to County, and;
 - 2. The County of El Dorado, its officers, officials, employees and volunteers are included as additional insured on an additional insured endorsement, but only insofar as the operations under this Agreement are concerned. This provision shall apply to the general liability policy.
- I. The Contractor's insurance coverage shall be primary insurance as respects the County, its officers, officials, employees and volunteers. Any insurance or self-insurance maintained by the County, its officers, officials, employees or volunteers shall be in excess of the Contractor's insurance and shall not contribute with it.
- J. Any deductibles or self-insured retentions must be declared to and approved by the County, either: the insurer shall reduce or eliminate such deductibles or self-insured

retentions as respects the County, its officers, officials, employees and volunteers; or the Contractor shall procure a bond guaranteeing payment of losses and related investigations, claim administration and defense expenses.

- K. Any failure to comply with the reporting provisions of the policies shall not affect coverage provided to the County, its officers, officials, employees or volunteers.
- L. The insurance companies shall have no recourse against the County of El Dorado, its officers and employees or any of them for payment of any premiums or assessments under any policy issued by any insurance company.
- M. Contractor's obligations shall not be limited by the foregoing insurance requirements and shall survive expiration of this Agreement.
- N. In the event Contractor cannot provide an occurrence policy, Contractor shall provide insurance covering claims made as a result of performance of this Agreement for not less than three (3) years following completion of performance of this Agreement.
- O. Certificate of insurance shall meet such additional standards as may be determined by the contracting County Department either independently or in consultation with Risk Management, as essential for protection of the County.

relationship with any such employee(s) during the term of this Agreement. County represents that it is unaware of any financial or economic interest of any public officer or employee of Contractor relating to this Agreement. ***Inventory Maintenance**

Inventory Maintenance is the program that enables AmeriPride Services to maintain the weekly usage level of each department's towel inventory. For example, if a department uses 100 shop towels per week, there are 100 shop towels on inventory. Therefore, the inventory maintenance of 6% is based on 100 shop towels at the replacement cost of \$0.46. These extra towels are actually delivered to the department in order to maintain weekly usage levels of the department. Therefore, based on an inventory of 100 shop towels, 6 extra towels are delivered to the department at a cost of \$0.46 each per week for a total of \$2.76 per week. This program is initiated for all towel types. The regular rate is 12% per week. AmeriPride's quoted rate for the County of El Dorado is 6%.

***Uniform Rental Weekly Rates**

Weekly rates are calculated at 50% of inventory. For example, if a department rents 13 Lab Coats, the weekly rate will be charged at \$2.25 for a quantity of 6. If a department rents 12 Lab Coats, the weekly rate will be charged at a quantity of 6. Therefore, if a department rents an odd number of garments, inventory will be calculated at 50% of the quantity rounded down to the nearest whole number.
