RE: Firework Display – Thursday, July 4, 2013
Mosquito Volunteer Fire Association – Finnon Lake

Dear Chief Davis,

The El Dorado County Board of Supervisors approves the request submitted by the Mosquito Volunteer Fire Association to conduct a Firework Display from a floating dock in the middle of Finnon Lake on Thursday, July 4, 2013.

The approval of the Board of Supervisors is contingent upon the Mosquito Volunteer Fire Association complying fully with the necessary requirements, contracts and/or permits as directed by the local fire control authorities and local officials. This approval is for the purposes of conducting a firework display at the aforementioned date, time and location and is not to be interpreted as an approval for the event where the firework display is to take place. It is the responsibility of the event coordinator/promoter to obtain any and all use permits that may be required.

A copy of Resolution No. 070 -2013, adopted by the Board of Supervisors at our meeting today, Tuesday, June 11, 2013, is enclosed for your records.

Sincerely,

Ron Briggs
Chairman, Board of Supervisors
County of El Dorado
