to wendell, me

Dear Ms. Arevalo,

Thank you for considering our application.

As requested here are the answers to your questions.

1) Here is a detailed list of expenditures identifying what the grant money will be used for:

Although exact amounts have not yet been determined, below is an approximation of how the funds will be spent.

It may be that somewhat more or less may be spent on either category below but all funds will be spent for agricultural promotion:

- Approximately \$1500 will be used to promote Farm to Fork events through **radio advertising, fliers, advertisements and inserts** in the Mtn. Democrat (and related papers), The Sacramento Bee and Reno Gazette.
- Approximately \$500 will be used to purchase new **wayfaring signs** for each of the regional farm trails areas (north, south, east, west) to better aid visitors finding their way from farm to farm thereby promoting our agricultural industry.
- Approximately \$3000 will be used to **publish self-driving loop tour map brochures** throughout each of the 4 areas (north, south, east, west).

2) El Dorado County Farm Trails Non-Profit Status:

Up until 2007 non-profits that generated less than \$20,000 per year were not required to file tax returns with the IRS. In 2007 that rule changed but notification of that change went unnoticed for a period of time because there happened to be a change in the Farm Trails Association treasurer that year. The new Treasurer was unaware that Farm Trails was now required to file tax returns after 2007 and only became aware of the new law when they received a recent notice that their non-profit status had been revoked. Apparently 321,091 organizations throughout the country also failed to become aware of this new law causing a severe backlog with the IRS with thousands of applications for reinstatement being filed. Once we became aware of this Farm Trails filed their tax returns through 2010 but due to the IRS back log the IRS has not permitted them to file their 2011 or 2012 returns until their non-profit status has been reinstated. The current Farm Trails Treasurer Jane Harris and President Wendell Smith are dutifully following up with the IRS to try to accelerate the process of reinstatement but due to the back log of hundreds of thousands of applicants it will take some more time until the situation can be resolved.

Farm Trails still holds its non-profit status **IN GOOD STANDING with the California Secretary of State.**

Farm Trails is still conducting their business as a non-profit and would like the Office of Economic Development to consider awarding the funds despite the temporary revocation of non-profit status by the IRS which we are assured by the IRS will be reversed as soon as they can get through the back log to our case.

Additionally because for all purposes Farm Trails continues to function and perform as they always have adhering to and being governed by their by-laws as a non-profit including monthly board meetings, elected officers etc. and because Farm Trails feels there is a desperate need right now to promote agriculture in our County we appeal to the Office of Economic Development not to let this glitch get in the way of awarding the funds for the greater good of the whole agricultural community. If necessary we should be able to partner with The Apple Hill Assoc. or the Ag Council .

Sincerely,

Elke Schlosser, Farm Trails Secretary for
Wendell Smith
Farm Trails President

EL DORADO COUNTY
2013 AUG 13 PM 3:50

1. Briefly describe the event/project/organization for which funds are being requested:

The El Dorado County Farms Trails is requesting funding for farm trails marketing. Farm Trails intends to promote new "Wine & Dine Tours" and "Farm to Fork" events throughout the County. Farm Trails also intends to use some funds to highlight the Divide Chambers "Adventure Loop Tour" in the upcoming Visitors Guide to compliment the farm trails tours. Funding will also allow the replacement of existing wayfaring signs that are in poor condition.

2. If the request is being made for a specific event/project, please briefly describe the operating organization responsible for the event/project. If the organization has a managing board, please describe the make-up of the board and provide your board bylaws.

The El Dorado County Farm Trails is governed by a board of directors. Please see attached bylaws. The Board includes community leaders from all County Chambers, most agricultural organizations, such as Apple Hill and the Farm Bureau.

3. Briefly describe how Cultural and Community Development funds will be used, if awarded, and what percentage of the funds will go towards the actual event/project:

Farm Trails intends to support the newly created "Adventure Loop Tour" on the Divide with promotional & marketing efforts designed to expand tourism throughout the County by creating similar tours throughout the County, replacing fading wayfaring signs and creating "Farm to Fork" events to encourage tourism.

4. When will the event/project/program occur, and when would Cultural and Community Development funds be used, if awarded:

Farm Trails will work in coordination with the Divide Chamber on their "Adventure Loop Tour" and work to create similar tours in other parts of the County to promote tourism throughout all areas. "Farm to Fork" events will be planned and marketed. In addition some funds would be used immediately to replace fading signs.

5. What is the target market for the advertising/promotional efforts and how will this target market be reached (please include details as to any advertising that will take place in and outside of the County and to encourage attendance from outside the County):

Farm Trails works closely with the Visitors Authority & local Chambers to attract tourists to the farm trails through advertising such as the Farm Trails tour concept, their website & the annual publication of the Visitors Guide.

- 6. The Board of Supervisors wishes to encourage tourism, agriculture, and economic development in the County by supporting promotional, community, and cultural activities through the use of Cultural and Community Development funds. Please describe how the event/organization will support tourism, agriculture, community spirit, culture, and/or economic development.**

Farm Trails is a vital part of the tourist, agriculture, viticulture and rural community today. The plan is to broaden its marketing efforts by revitalizing its wayfaring signs, developing focused area (loop) tours (like the new "Adventure Loop Tour" in North county) and regional dining opportunities that promote the use of local agricultural products such as the "Farm to Fork" movement, thereby encouraging increased tourism in the County.

- 7. What goal is expected to be achieved from the use of Cultural and Community Development funds, if awarded (please detail expected increased tourism, overnight stays, economic impact, etc.), and how will this be measured:**

We believe that creating specified self-driving tours throughout the county supported by wayfaring signs are essential to guide urban visitors through our rural roads. Tourists unfamiliar with rural roads may feel anxious on unfamiliar roads if self-guided driving tours & supporting signs are not present to guide them. Our new marketing concept will encourage tourists to stay for extended visits by inviting them into the County with organized driving routes & events.

- 8. How will El Dorado County, as a sponsor of the event/project/organization, be recognized in promotional materials and at the event/project/organization:**

"El Dorado County Farm Trails" is clearly printed on all signs and all marketing materials will include the words "El Dorado County".

- 9. Please provide any information on sponsorships for this event/project/organization:**

Individual Farm Trails members currently support Farm Trails through annual dues which pay for Farm Trails inclusion in the Visitors Guide, the website and other office expenses.

- 10. If Cultural and Community Development funds are awarded, will the amount be matched (either full or partial) and by what organization:**

Farm Trails members pay for their signs. The Adventure Loop Tour brochure was paid for by the Divide Chamber. Participants paid for the Wine & Dine Tour.

HISTORY OF EVENT/PROJECT/ORGANIZATION

1. How long has this event/project/organization been in operation:

El Dorado County has a long tradition of agriculture dating to the gold rush of the 1800's and today we continue to be proud of our rural atmosphere and agricultural history. Through a generous grant from the county Board of Supervisors, the association was established as a non-profit organization in 1992 to promote agriculture and agri-tourism in the county. Today, we dedicate our efforts toward carrying out our mission and we continue to enjoy policy support and periodic financial support from the Supervisors.

2. What is the overall attendance (past and future anticipated) of the event/project/organization:

Our association has grown to over 100 members in the "Western slope" of the county operating farms and ranches and related enterprises. Our Farm Trails route was recently referred to by UC Davis as being one of "two premier farm trails in the state".

Our members grow a wide variety of fruits, including cherries, berries, peaches, apples, pears, and oranges as well as wine grapes, flowers, Christmas trees and other agricultural products. Our members who operate wineries offer many award winning wines having flavor characteristics unique to the foothill appellations of El Dorado and Fair Play.

Tourists and locals enjoy our scenic areas and explore our Farm Trails and as a result often extend their stay in the county.

3. Have Cultural and Community Development funds been received for this purpose in the past? If so, how much and when? If funds were received, please attach the Post-Event Report for this event.

Through a generous grant from the county Board of Supervisors, the association was established as a non-profit organization in 1992 to promote agriculture and agri-tourism in the county.

ARTICLE VIII

Indemnification of Directors, Officers, Employees, and Other Agents of the Corporation; Purchase of Liability Insurance

(a) For the purposes of this article, "agent" means any person who is or was a director, officer, employee, or other agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee, or agent of another foreign or domestic corporation, partnership, joint venture, trust, or other enterprise, or was a director, officer, employee, or agent of a foreign or domestic corporation that was a predecessor corporation of the corporation or of another enterprise at the request of such predecessor corporation; "proceeding" means any threatened, pending, or completed action or proceeding, whether civil, criminal, administrative, or investigative; and "expenses" includes without limitation attorneys' fees and any expenses of establishing a right to indemnification under paragraph (d) or (e) (3) of this article.

(b) The corporation shall indemnify any person who was or is a party or is threatened to be made a party to any proceeding (other than an action by or in the right of the corporation to procure a judgment in its favor, an action brought under Section 5233 of Part 2 (commencing with Section 5110) of the California Corporations Code, made applicable pursuant to Section 7238, or an action brought by

the Attorney General for any breach of duty relating to assets held in charitable trust) by reason of the fact that such person is or was an agent of the corporation, against expenses, judgments, fines, settlements, and other amounts actually and reasonably incurred in connection with such proceeding if such person acted in good faith and in a manner such person reasonably believed to be in the best interests of the corporation and, in the case of a criminal proceeding, had no reasonable cause to believe the conduct of such person was unlawful. The termination of any proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent shall not, of itself, create a presumption that the person did not act in good faith and in a manner which the person reasonably believed to be in the best interests of the corporation or that the person had reasonable cause to believe that the person's conduct was unlawful.

(c) The corporation shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending, or completed action by or in the right of the corporation to procure a judgment in its favor, or brought under Section 5233 of Part 2 (commencing with Section 5110), made applicable pursuant to Section 7238, or brought by the Attorney General for breach of duty relating to assets held in charitable trust, by reason of the fact that such person is or was an agent of the corporation, against expenses actually and reasonably incurred by such person in connection with the defense or settlement of such action if such person acted in good faith, in a manner such person believed to be in the best interests of the corporation, and with such care, including reasonable inquiry, as an ordinarily prudent person in a like position would use under similar circumstances. No indemnification shall be made under this paragraph (c):

(1) In respect of any claim, issue, or matter as to which such person shall have been adjudged to be liable to the corporation in the performance of such person's duty to the corporation, unless and only to the extent that the court in which such proceeding is or was pending shall determine upon application that, in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for the expenses which such court shall determine;

(2) Of amounts paid in settling or otherwise disposing of a threatened or pending action, with or without court approval; or

(3) Of expenses incurred in defending a threatened or pending action that is settled or otherwise

disposed of without court approval unless such action concerns assets held in charitable trust and is settled with the approval of the Attorney General.

(d) To the extent that an agent of the corporation has been successful on the merits in defense of any proceeding referred to in paragraph (b) or (c) or in defense of any claim, issue, or matter in the proceeding, the agent shall be indemnified against expenses actually and reasonably incurred by the agent in connection with the proceeding.

(e) Except as provided in paragraph (d), any indemnification under this article shall be made by the corporation only if authorized in the specific case, upon a determination that indemnification of the agent is proper in the circumstances because the agent has met the applicable standard of conduct set forth in paragraph (b) or (c), by:

(1) A majority vote of a quorum consisting of directors who are not parties to such proceeding;

(2) Approval or ratification by the affirmative vote (or written ballot in accordance with Section 12 of Article III of these Bylaws) of a majority of the votes represented and voting at a duly held membership meeting at which a quorum is present (which affirmative votes also constitute a majority of the required ,quorum) ; for such purpose, any membership held by the person to be indemnified shall not be considered outstanding or entitled to vote on the matter; or

(3) The court in which such proceeding is or was pending upon application made by the corporation, the agent, or the attorney or other person rendering services in connection with the defense, whether or not such application by the agent, attorney, or other person is opposed by the corporation.

(f) Expenses incurred in defending any proceeding may be advanced by the corporation prior to the final disposition of such proceeding upon receipt of an undertaking by or on behalf of the agent to repay such amount unless it shall be determined ultimately that the agent is entitled to be indemnified as authorized in this article.

(g) Nothing contained in this article shall affect any right to indemnification to which persons other than directors and officers of the corporation or any subsidiary of the corporation may be entitled by contract

or otherwise.

(h) No indemnification or advance shall be made under this article, except as provided in paragraph (d) or (e) (3), in any circumstance where it appears:

(1) That it would be inconsistent with a provision of the Articles of Incorporation, a resolution of the members, or an agreement in effect at the time of the accrual of the alleged cause of action asserted in the proceeding in which the expenses were incurred or other amounts were paid, that prohibits or otherwise limits indemnification; or

(2) That it would be inconsistent with any condition expressly imposed by a court in approving a settlement.

(i) Upon and in the event of a determination by the Board of Directors of the corporation to purchase indemnity insurance, the corporation shall purchase and maintain insurance on behalf of any agent of the corporation against any liability asserted against or incurred by the agent in such capacity or arising out of the agent's status as such whether or not the corporation would have the power to indemnify the agent against such liability under the provisions of this article.

(j) This article does not apply to any proceeding against any trustee, investment manager, or other fiduciary of an employee benefit plan in such person's capacity as such, even though such person may also be an agent of the corporation as defined in paragraph (a). The corporation shall have the power to indemnify such trustee, investment manager, or other fiduciary to the extent permitted by paragraph (f) of Section 207 of the California Corporations Code.

ARTICLE IX

Execution of Corporate Instruments, and Memberships Held by the Corporation

Section 1. Execution of Corporate Instruments.

The Board of Directors may determine the method and designate the signatory person(s) to execute any corporate instrument or document, or to sign the corporate name without limitation, except where otherwise provided by law, and such execution or signature shall be binding upon

the corporation.

Unless otherwise specifically determined by the Board of Directors or otherwise required by law, formal contracts of the corporation, promissory notes, deeds of trust, mortgages, and other evidences of indebtedness of the corporation, and other corporate instruments or documents shall be executed, signed, or endorsed by the President, or Vice-President and by the Secretary or Treasurer.

All checks and drafts drawn on banks or other depositories on funds to the credit of the corporation shall be signed by such person or persons as the Board of Directors shall authorize to do so.

Section 2. Ratification by Members.

The Board of Directors may submit any contract for approval of the members at any meeting of members and any contract approved by a majority of the members at a meeting of the corporation shall be valid and binding.

ARTICLE X Finances

The corporation shall operate on funds collected from dues approved annually by the members. All disbursements of funds shall be presented for approval at regular meetings

Dues shall be levied in a manner that will encourage a large membership and yet not place an unfair burden on any individual member and shall be approved by the Board annually.

ARTICLE XI Advertising and Signs

All Farm Trails signs are the property of the corporation. Requests for signs bearing the corporation's name/logo must be submitted to the Board of Directors for approval.

(c) Personal signs of members bearing the corporation's name and any trade name or logo of the corporation must be restricted to the members' own property. Members who do not border the routes must seek approval from the Planning and Development Committee to place corporate signs on the routes at those points which are nearest to the accesses of their property.

(d) Members shall not advertise in any manner that will directly hurt other members. Price signs visible from the designated routes are prohibited.

(e) The Planning and Development Committee shall place corporate signs as fairly as possible to the interests of all members. No member shall place, modify, add-on, move or take down signs without approval of the Planning Development Committee.

(f) The use of the corporation's signs must also be in compliance with county and state ordinances.

(g) No non-members shall be allowed to use the corporation's name in any manner, other than the right of buyers to claim the origin of the product, as defined by the Events/Marketing Committee and approved by the membership. No member shall use the corporation's name in such a way as to imply that the member has sole possession of that name for a type of business, product, or place.

(h) The use of the corporation's name shall be in such a manner as not to imply the sole possession of that name for any single type of business operation. All agricultural products produced and processed in El Dorado County may be identified by the use of the corporation's name if used in conjunction with the member's name and address and if the member's name is displayed more prominently than the corporation's name. On non-agricultural products individual growers and producers shall not have the right to use the corporation's name unless authorized by the Board. Any product mislabeling is prohibited.

(i) The use of the corporation's name in advertising or promotion by individual growers at the wholesale level shall be approved by the Board of Directors and may be subject to paying the association a royalty.

(j) Members shall conduct their business in a manner that is consistent with the purposes of the corporation.

(k) The use of the corporation's name by any member of the organization to endorse a candidate for political office is prohibited.

ARTICLE XII

(2) A statement of the place where the names and addresses of the current members are located.

(3) Any information required by California Corporations Code Section 8322.

The report shall be accompanied by any pertinent report of independent accountants, or, if there is no such report, the certificate of an authorized officer of the corporation that such statements were prepared without audit from the books and records of the corporation.

ARTICLE XIII

(1) With approval of the Board of Directors a member may inspect and copy the record of all the members' names, addresses, and voting rights, at reasonable times, upon five (5) business days' prior written demand upon the corporation. The demand shall state the purpose for which the inspection rights are requested; or

(2) With approval of the Board of Directors a member may obtain from the Secretary of the corporation, upon written demand and tender of a reasonable charge, a

list of the names, addresses, and voting rights of those members entitled to vote for the election of directors. The demand shall state the purpose for which the list is requested. The membership list shall be made available on or before ten (10) business days after the demand is received or after the date specified in the demand as the date as of which the list is to be compiled.

(3) An individual may not use the list of members' names, addresses, phone number, and email for personal or business purposes without prior approval by the Board of Directors.

Welcome to

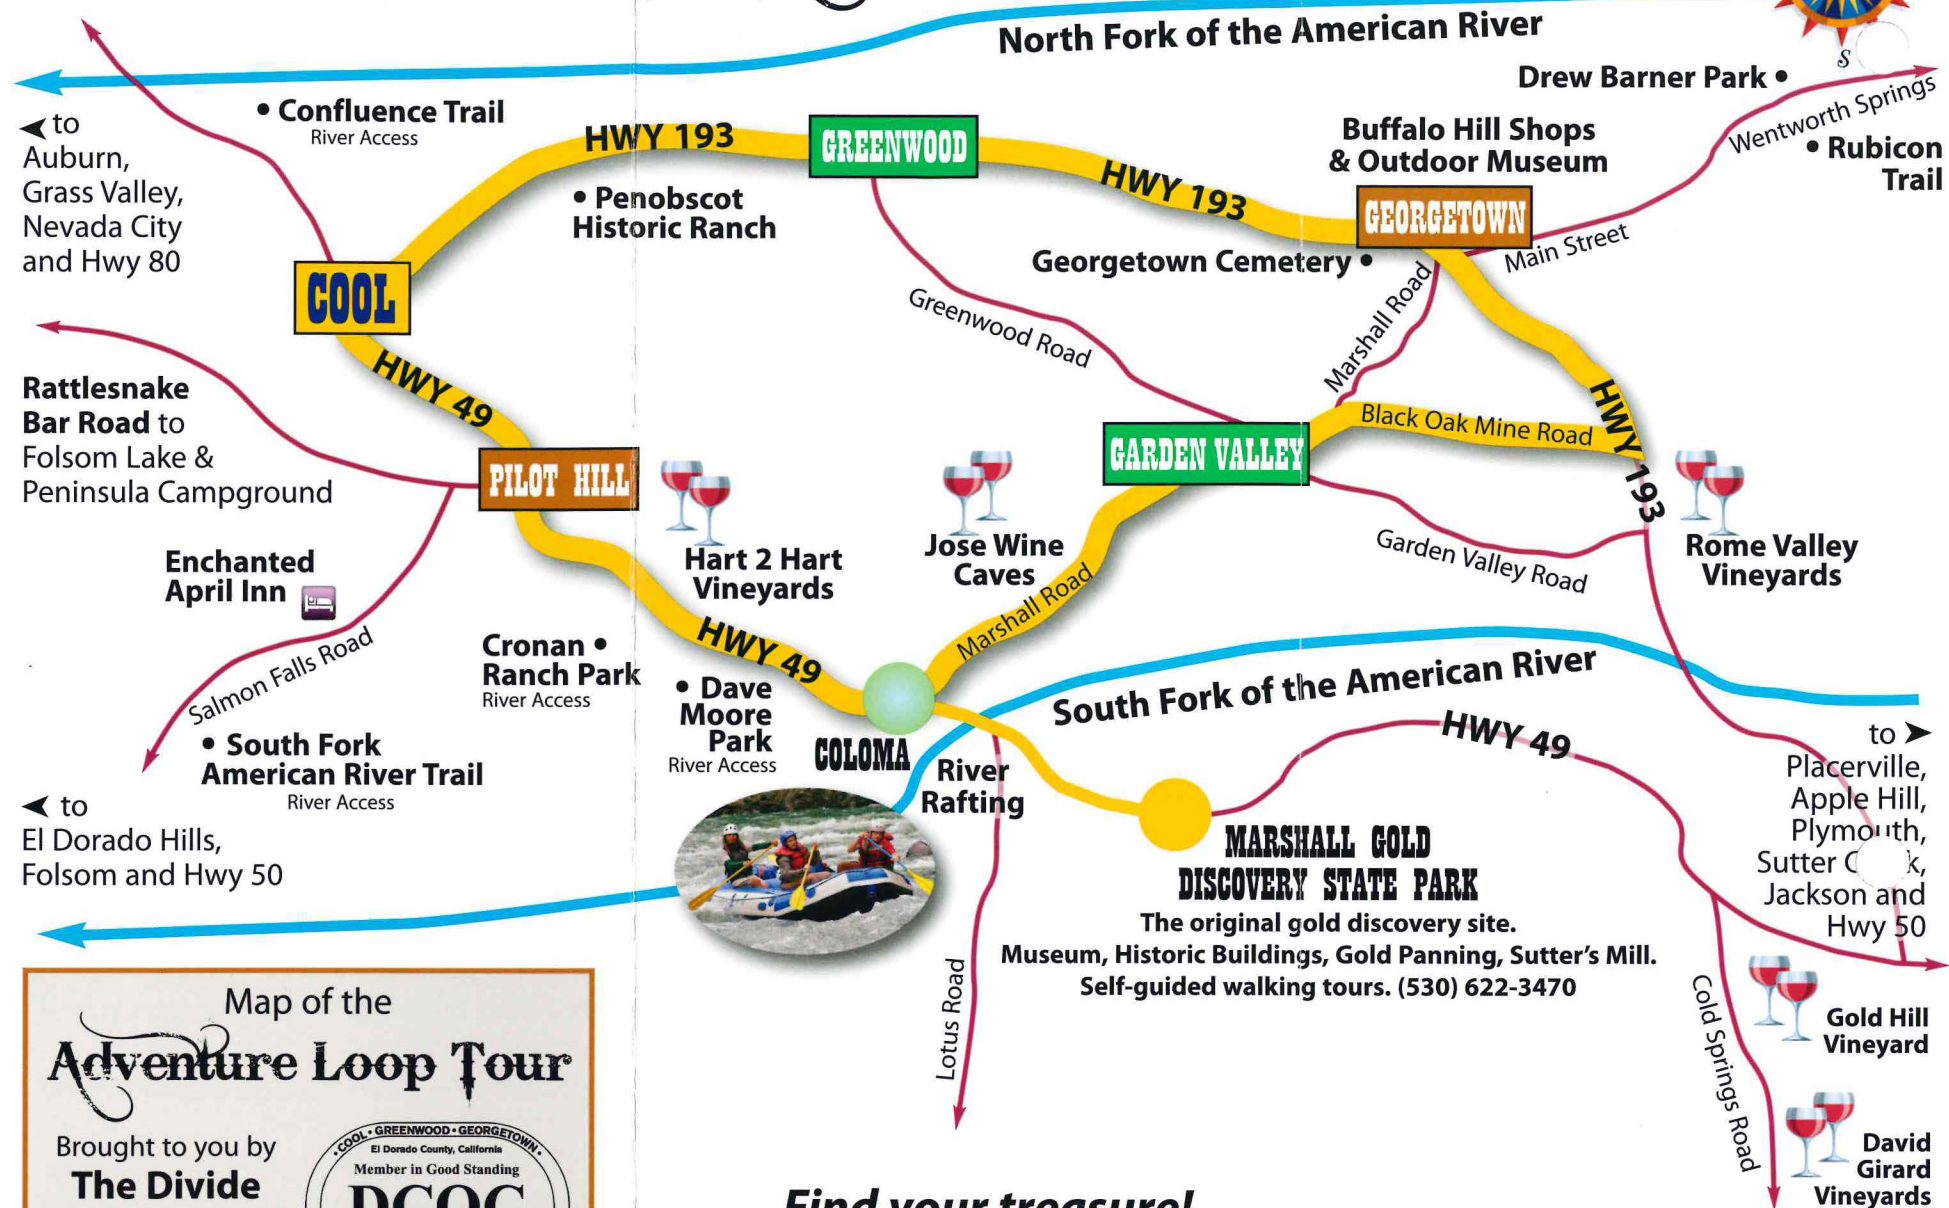

Cool ~ Intersection of Highway's 49 & 193. Pioneer settlers & miners saw Cool as a perfect "jumping off" place, providing supplies for the mining towns & teamsters that fought their way up the steep & treacherous Auburn grade with much needed supplies for the mines.

Georgetown ~ Highway 193 - East of Cool. Georgetown's rich gold diggings were discovered in 1849. Tents, shacks & canvas structures lined the camp creek. When it was destroyed by fire, in true Georgetown fashion they rebuilt moving the town to its present location. The streets are wider than normal to keep any potential fires from jumping. It quickly rose to prominence as one of the richer camps in the region and came to be known as the "Pride of the Mountains."

Garden Valley ~ Between Highway 49 and 193 on Marshall Grade Road. Originally called Johntown in honor of the sailor who discovered gold at the site, the name was changed in recognition that marketing vegetables was more lucrative than gold mining. It offers a lovely park for picnics & BBQ's, children's play area a Farmer's Market/Craft Fair during seasonal weekends and is now home to one of the newest wineries in El Dorado County.

Pilot Hill ~ Highway 49 South of Cool and North of Coloma. It takes its name from the hill on which "pilot" fires were lit to guide travelers to the area. Gold was substantial and rich until the late 1850's. Only the Bayley House is left from its glory days, whose construction began in 1861 prompted by rumors that the Railroad would soon be built through Pilot Hill. The railroad did not come, leaving Bayley with a massive Southern style estate; one of the finest homes at the time in the West.
