Dear Mr. Briggs:

I received your timely appeal of the Eldorado National Forest Travel Management SEIS. I note in the record that you submitted written comments during the comment period, so you were eligible to file an appeal. On September 11, 2013, I received your letter in which you state you have decided to withdraw your appeal of the Eldorado National Forest Travel Management SEIS.

I appreciate the time you took to discuss your concerns with Forest Supervisor Laurence Crabtree and Eldorado National Forest staff. I believe these were productive discussions and am very pleased that you were able to work with the Eldorado National Forest personnel and the other appellants to resolve your issues with the project. You are all to be commended for your efforts to work together and come to an agreement.

Sincerely,

*For*  
RANDY MOORE  
Regional Forester
