Re: OPPOSITION TO PROPOSED RATE INCREASE FOR  
SIERRA DISPOSAL SERVICE SCHEDULED FOR  
PUBLIC HEARING ON APRIL 12, 2011 AT 9: 00 A.M.

Dear Clerk of the Board:

I am a resident and home owner in the County of El Dorado. I received Notice of Public Hearing on Proposed Rate Increase for Sierra Disposal Service.

I am completely and utterly **opposed** to this rate increase. We currently have the highest jobless rate in Northern California. California's unemployment rate is 12.2%. People are losing jobs and homes daily. We are all financially stressed. I work for the State of California and received a pay reduction, furlough and increase in benefits rates. At this time, as we try to recover from a recession as they claim (although looking at my home value, paycheck and bills, I personally feel we are still in a recession), no one should be asking for a rate increase. Everyone is struggling to pay their bills as they stand.

I would like to be put on notice with the status of this pending proposal.

Sincerely,

  
LAURIE A. ZIAN
