^{**} Direct Program Other and Direct Program Training are combined for Youth programs.

1. PROGRAM COST LIMITS

The Total WIA Budget limits on program costs may not be exceeded. Line item changes within each funding source may be made upon approval from GSJTA if within established ratios of indirect to direct costs as mutually agreed upon by the parties.

WIA Training expenditures must comply with EDD WSD11-9 "WIA Training and Expenditure requirement". The purpose of this directive is to provide guidance for implementing Workforce Investment Act (WIA) training expenditure requirements imposed by Senate Bill (SB) 734.

2. PROFIT

Profit is only available for commercial, for-profit organizations. The amount of profit is negotiated and tied to performance.

3. LOW EXPENDITURE RATES

Cumulative total expenditures will be evaluated on a quarterly basis.

If cumulative total expenditures at the end of a quarter falls below the following rates, CONTRACTOR agrees that one-stop operator reimbursements will be prorated at the total expenditure rate until the next quarter's required expenditure level has been obtained. At that time, withheld one-stop operator funds will be reimbursed.

	Required Expenditure Level			
Quarter Ending	Adult & Dislocated Worker	Youth & Rapid Response		
September 30, 2012	10%	10%		
December 31, 2012	40%	50%		
March 31, 2013	60%	60%		
May 31, 2013		70%		
June 30, 2013	80%	80%		
September 30, 2013	85%	90%		
December 31, 2013	90%	100%		
March 31, 2014	95%			
May 31, 2014	100%			

CONTRACTOR agrees to provide a detailed corrective action plan prior to full reimbursement of one-stop operator funds if cumulative total expenditures fall below 20% at the completion of the first quarter.

Additionally, CONTRACTOR agrees that if cumulative total expenditures are less than 100% of the total funds available at the completion of the last quarter (June 30, 2013; or June 30, 2014 based on funding source), remaining unspent funds will be subject to recapture and redistribution to other providers.
