Dear Board of Supervisors,

I request that you support the efforts of the Shingle Springs Community Alliance, No San Stino, and Stop Tilden Park groups to continue moving forward with creating a Community Plan for Shingle Springs. I further request that you assist in the process of adopting the Shingle Springs Community Plan into the El Dorado County General Plan so that Shingle Springs can preserve its quality of life for generations to come.

Thank you,

Javad Tayebi

Dear Board of Supervisors,

We request that you support the efforts of the Shingle Springs Community Alliance, No San Stino, and Stop Tilden Park groups to continue moving forward with creating a Community Plan for Shingle Springs. We further request that you assist in the process of adopting the Shingle Springs Community Plan into the El Dorado County General Plan so that Shingle Springs can preserve its quality of life for generations to come.

My wife and I have contacted you in the past about the development in Shingle Springs. We are with many in the community that are opposed to high density development in our rural community! We think that this new development is going to be very difficult to do as we deal with increased traffic and water shortages!!!

We wish we could be at the Board of Supervisors meeting on January 14, 2014, but my wife is an invalid and I am a "stay at home care giver". Please vote to support with Community Plan for Shingle Springs and stop developers like San Stino from building high density housing!

Thank you,

Richard and Connie Cashdollar 5314 Old French Town Road Shingle Springs, Calif 95682
