Subject: Support for Western Placerville Interchanges Phase 1B

Dear Mr. Stong:

The County of El Dorado is in support of the efforts of the City of Placerville to seek federal CMAQ funds for the subject project which would construct sidewalk and bicycle lanes on Fair Lane from the County Government Center to the County Fair Plaza commercial center. County employees regularly walk in the area for exercise and frequent the businesses in nearby commercial centers. Construction of safe and accessible pedestrian and bicycle facilities will further encourage this healthy and clean mode of transportation.

Sincerely,

A handwritten signature in blue ink, appearing to read "TDaly", is written over the typed name "Terri Daly".
