Subject: Support for Western Placerville Interchange Phase 2B-2C

Dear Mr. Stong:

We are pleased to hear of the pending continuation of the phased improvements to the Western Placerville Interchange project. We fully support the efforts of the City of Placerville in seeking Federal funds to complete Phases 2B & 2C in which the Forni Road/Ray Lawyer Drive alignment will be improved and expanded to provide for a Class II bike lane in both directions, a pedestrian sidewalk on one side, and to complete a section of the El Dorado Trail between its current terminus near the County Jail driveway and at Ray Lawyer Drive. This expansion will help the bike enthusiasts, commuters, walkers, joggers and equestrians safely use a network of bike and pedestrian routes in the Placerville community. We look forward to continuing to hear about the details of the plan once the funds are awarded.

Sincerely,

Steve Yonker
Chair
Parks and Recreation Commission
