INTEROFFICE MEMORANDUM

Date: March 4, 2014

To: Board of Supervisors

From: Russ Fackrell, Facilities Manager

Subject: **March 4, 2014 Agenda: Clerical Correction of Consent Item #1, Job Order Contracting**

We are requesting the correction of a clerical error on Item #1 on today's consent calendar 1.

The Title reads correct, however the 4th paragraph within the Background section should reflect the following:

"It is the intent to award contracts with two (2) bidders for a not-to-exceed amount of \$2,000,000 to each bidder." It currently reads "...two (2) bidders for a not-to-exceed amount of \$1,000,000 to each bidder."

This language is consistent with Item 2B – Bid; Under the Notice to Bidders of the Contract Documents on page 3 item A., that states the maximum contract value is \$2,000,000.

Upon reflection of this change the Funding section will require the following update.

Total Estimated Cost: \$4,000,000

Budget – Current FY: \$4,000,000

Total Funding Available: \$4,000,000

There is no change to Net County Cost: \$-0-
