# Office Hours

8:00 a.m. - 5:00 p.m. Monday through Friday **Purpose**: The California Arts Council (CAC), a state agency, was established in January 1976 to encourage artistic awareness, participation, and expression; to help independent local groups develop their own arts programs; to promote employment of artists and those skilled in crafts in the public and private sector; to provide for exhibition of artworks in public buildings throughout California; and to enlist the aid of all state agencies in the task of ensuring the fullest expression of our artistic potential.

The Council: The appointed Council of the CAC consists of 11 members who serve four-year staggered terms. The Governor appoints nine members, the assembly Speaker appoints one member, and the Senate President pro Tempore appoints one member. Council members serve without salary, elect their own chair, and meet throughout the state to encourage public attendance. This body sets policy and has final approval of CAC grants.

Mission: To advance California through the arts and creativity.

Funding: The CAC is a state agency, funded from the state's annual budget process and proceeds from the California Arts License Plate, supplemented by funds from the National Endowment for the Arts. Its grants are usually matched by foundations, individuals, earned income, government agencies, or other organizations.

**Information Access**: Due to the Public Records and Open Meeting Acts, applications and their attachments are not confidential and may be requested by the media and/or public. Observers may attend but may not comment on, participate in, or in any way interfere with council meetings. Go to the CAC Website for meeting dates and locations at www.cac.ca.gov

**Grants Panels**: Applications are evaluated by panels of experts, recognized in their respective fields, who rank applications according to program criteria. The CAC staff provides information but not recommendations to the panel. The Council reviews panel recommendations before making final funding decisions.

**Appeal Process:** Appeals to CAC funding decisions must be submitted on an official Appeal Form, available from the CAC, and postmarked within 45 days of the decision. Appeals are heard only on the following grounds:

1. Panel's assessment based on a misstatement of factual information as contained in the application such that it negatively influenced the panel's recommendation; and/or 2. Incorrect processing of the required application material such that it negatively influenced the panel's assessment of the applicant's request for funding.

Note: Dissatisfaction with award denial or with award amount is not grounds for appeal.

Requirements: The CAC is mandated both by federal and state regulations to fund only organizations that have proof of nonprofit status under sec. 501(c)(3) of the Internal Revenue Code (Fiscal Receivers are eligible in some programs), or under sec. 23701d of the California Revenue and Taxations Code, or entities that are a unit of government; and that comply with the Civil Rights Acts of 1964, as amended; sec. 504 of the Rehabilitation Act of 1973, as amended; the Age Discrimination Act of 1975; the Drug-Free Workplace Act of 1988; California Government Code secs. 11135-11139.5 (barring discrimination); the Fair Labor Standards Act, as defined by the Secretary of Labor in part 505 of title 29 of the Code of Federal Regulation; the Americans With Disabilities Act of 1990 ("ADA"); the Fair Employment and Housing Act; and the Personal Responsibility and Work Opportunity Reconciliation Act of 1996.

Ownership, Copyrights, Royalties, Credit: The CAC does not claim ownership, copyrights, royalties, or other claim to artwork produced as a result of a CAC grant. However, the CAC reserves the right to reproduce and use such material for official, noncommercial purpose, including but not limited to use on the CAC website and print materials. In addition, the CAC requires documentation of grants activity and appropriate credit for CAC partial support.

# 2012-2013 Guidelines & Application Instructions

# **Full Application**

**DEADLINE: April 20, 2012** 

APPLICATION MUST BE SUBMITTED ELECTRONICALLY BY 11:59 PM ON THE DEADLINE DATE

#### **STAFF**

Scott Heckes, Deputy Director 916/322-6376 sheckes@cac.ca.gov

#### **Rob Lautz**

State-Local Partnership Program Specialist 916/324-6617 <u>rlautz@cac.ca.gov</u>

### **PURPOSE**

The purpose of the State-Local Partnership Program (SLPP) is to foster cultural development on the local level through a partnership between the State and the counties of California. The Partnership is established between the California Arts Council (CAC) and the State's local arts agencies. The nature of this partnership includes funding, information exchange, cooperative activities, and leadership to stimulate and enable individuals, organizations, and communities to create, present, and preserve the arts of all cultures to enrich the quality of life for all Californians.

A local arts agency is defined as a nonprofit organization, or an agency of city or county government, officially designated to provide financial support, services, or other programs to a variety of arts organizations, individual artists, and the community as a whole.

# **GOALS**

- To increase public awareness and participation in the arts of all cultures.
- To broaden public and private support for the arts.
- To serve the diverse cultural needs of California's local communities.
- To encourage and promote arts in education.
- To foster local and regional partnership and collaboration.

#### **GRANTS**

The State-Local Partnership Program provides grant opportunities for general operating support and technical assistance for county-designated local arts agencies.

#### **FUNDING**

This application is for funding for fiscal year 2012-2013, October 1, 2012 – September 30, 2013. The recommended request amount is \$12,000.

#### **MATCHING REQUIREMENTS**

Matching funds, at a level of 1:1, are mandatory. The required match may be from any public or private source. In some instances, in-kind donated services for which a market value can be determined may be used for up to 50% of the required match. Contact SLPP staff to determine eligibility before including in-kind as part of the required match.

### **ELIGIBILITY**

Applicants must:

- Be designated by resolution of their county board of supervisors to serve as the local partner.
- Meet the legal eligibility requirements of all California Arts Council program(s) grantees listed under Requirements on page ii.
- Be accessible to the general public.

It is recommended that the state-local partners maintain a public office accessible during normal business hours and staffed by, at minimum, a part-time director/professional administrator. In unique situations, exceptions can be made.

Regional Partnerships: Regional partnerships that serve multiple counties may be eligible to apply. Funding is prorated based on the number of counties in the partnership. Regional partnerships may include a legal merger of two or more partner agencies or a consortium of applicants. Regional partner applicants must give evidence of service and program equity to all participating counties.

Cities: Currently two cities, Los Angeles and San Diego, due to their population size, participate in the State-Local Partnership Program. Additional cities are not eligible to apply. New applicants must serve a county or a partnership of counties.

#### **EVALUATION PROCESS**

Applications are evaluated through the peer review panel process. The panel makes recommendations to the Arts Council based upon the review criteria. The Council makes all final granting decisions. Funding is contingent upon the Governor's budget. The panel meeting is open to the public and will be held at the offices of the California Arts Council in Sacramento.
