Employees are required to notify their supervisors as soon as possible of their absence due to illness or injury. A department, depending on its internal record keeping, may require an employee upon returning after an absence due to illness or injury, to fill out a sick leave request form or record of sick leave use.

A. Departments may request information in order to aid in the determination of whether the sick leave use is legitimate. A Department Head or designee may require a physician's statement or acceptable substitute from an employee who applies for sick leave, or make whatever reasonable investigation into the circumstances that appears warranted before taking action on a sick leave request.

B. Departments may require a prescribed affidavit or medical report form. When an employee is absent for longer than ten (10) consecutive working days, the employee will be required to submit a statement from the employee's physician releasing the employee for normal duty.

B. Each use of sick leave may last one or more days. Each day of a multi-day sick leave absence does not constitute its own individual use of leave.

It is important to note that use of leave identified under paragraphs “b” and “c” above does not automatically indicate abuse. There may be legitimate reasons why an employee is using leave under these circumstances. The primary goal of identifying leave use thresholds is to indicate communication between the County and the employee to determine why an employee is using so much leave and determine if the leave is being abused.

D. When an employee has been determined to have used sick leave for illegitimate purposes, the County may recover such funds.

## **ARTICLE 1615. LAYOFF AND DEMOTION PROCEDURES UPON REDUCTION IN FORCE**

The following Reduction in Force policy is hereby included as a part of this MOU. Such inclusion, however, shall not provide avenues of appeal beyond those contained in this Article. This Reduction in Force policy does not apply to employees who are covered by the Reduction in Force procedure defined in the California Administrative Code, Title 2, Division 5.7, Local Agency Personnel Standards.

### ASection 1. \_\_\_—Policy

When necessary, and directed by the Board of Supervisors, a reduction in the County's work force may be initiated by (1) lack of work, (2) lack of funds, (3) program or organizational changes resulting in a surplus of employees, or (4) elimination of a specific program or service. Insofar as possible, a reduction in force shall be accomplished by attrition. When it is determined by the Board of Supervisors that attrition will not provide relief for the condition warranting a reduction in the number of County employees, the Board may direct (1) a temporary layoff of up to ten (10) working days of specific employees or classifications without invoking the provisions of this policy, or (2) a specific layoff by classification, number of employees and department(s) pursuant to this policy.

~~The temporary layoff provision as found and described in paragraph A. above, shall be suspended effective upon adoption of this agreement until December 31, 2012. All other provisions shall remain in full force and effect. For FY2012-13, any furloughs shall be limited to five (5) work days.~~

### BSection 2. \_\_\_—Procedure for Permanent Layoffs:

Reduction in Force occurs when the Board of Supervisors by Resolution amends the **Authorized Personnel Allocation Resolution** and/or adopts a Proposed or Final Budget that deletes specific positions by classification from a department.

A. The Department of Human Resources, with the assistance of the affected

department, determines the individual to be laid off for the initial classification in which a layoff is to occur and for succeeding lower level classification(s) if displacement by demoting in lieu of layoff is anticipated in accordance with this Article based on employee retention points. A list of the classifications in which positions have been deleted along with the names and total retention points of employees in those classes shall be posted in the affected department and a copy mailed to the ~~Association's~~ Association's current address. ~~—~~It is the Department Head's responsibility to insure posting.

- B. Layoffs and displacements are made within the department involved and are not Countywide.
- C. Written notice of layoff shall be served on affected employees in person or by ~~certified letter mailed~~ USPS Priority Mail sent to the last address on file with the Department of Human Resources. Notice will be served or mailed no later than thirty (30) calendar days prior to the effective date of separation. The thirty (30) calendar days shall include the effective date and the date served. Notice shall be deemed served upon the ~~postmarking and logging of the certified letter by the County's mailroom or upon personal serving of the notice to the individual~~ proof of service date.
- D. The written layoff notice shall include the effective date of the separation (layoff), the reasons for the layoff, displacement rights, if any, rehire or restoration rights and the appeal rights. Such notice shall also set a specific deadline of not less than five (5) working days for when the affected employee must notify the Department of Human Resources that they will be exercising their displacement rights.

~~Section 3.~~ Section 3. ~~—~~ Order of Layoffs

Layoffs will be determined based on an inverse order of retention points computed as per provisions listed below by the classification within the individual department. Any required reduction in the number of employees shall be in the following order within the same classification:

- (1) Extra-help and provisional,
- (2) Probationary employees serving an initial probationary period,
- (3) Regular permanent full-time and part-time employees.

- A. Longevity – A full-time employee shall receive one point for each full month of continuous service as a regular County employee in his/her classification. Time spent in other classifications which are at the same or higher rate of pay based upon the current salary plan applicable at the time of the layoff and which the employee occupied for a period of time after July, 1990 shall be included in the service time in the affected class. This includes probationary time ~~and~~ GAIN

~~sponsored training.~~ Part-time employees shall receive a proportional amount of longevity points based upon the number of hours worked. Less than a full month of service shall be prorated. It does not include service prior to employment, interruptions caused by resignation, dismissal, or transfer to extra-help status or disciplinary actions as defined in 2. below. It does include periods covered by authorized leaves of absences and such service accrued before a previous layoff.

B. Performance/Disciplinary Action- ~~A~~an employee who receives an involuntary demotion as a disciplinary action will have twelve (12) points deducted from that employee's retention points. An employee who receives a suspension will have one (1) point per day of suspension deducted from the employee's retention points, with a maximum deduction of twelve (12) points. This will sunset after three years from the effective date of the action, and the last retention points will be restored to the employee.

C. Alternate Classes – Classes which are budgeted as alternate classes (e.g. office Assistant II/I), as stated in the Personnel Allocation Resolution, shall be treated as one class for purposes of determining retention points.

~~C.D.~~ Out-of-Class Assignment – Out-of-class time will not be credited towards the out-of-class position in which the employee served. Out-of-class time will be considered as continuous service in the employee's regular classification.

~~D.E.~~ Ties – In cases where two or more employees are tied with the same number of retention points, the following factors shall be considered in order for the purpose of breaking the tie: total County service (including El Dorado County service prior to the most current period of employment); ~~letters of reprimand and disciplinary actions~~ and; Department Head determination. Letters of reprimand will be considered as tie breaking criteria for up to three years from the date of issuance.

~~E.F.~~ Volunteers For Layoff – -An employee who occupies a position within a class within a department affected by a layoff and/or displacement may volunteer to be laid off in place of another employee who has fewer retention points and who would otherwise be laid off. Such employee shall be entitled to the same rights and restoration privileges as other employees in accordance with this Article.

Section D4. \_\_\_ –Layoff Privileges

The following are the options open to affected individuals in each layoff instance:

A1. Displacing in a Lower Class  
An employee affected by layoff may, at his/her discretion, in lieu of layoff, displace an employee in a class previously held by the employee. Retention point computation for displacement purposes are made as determined for the original layoff. This is considered a voluntary demotion.

**B2.** Restoration

Restoration shall be in inverse order of layoff. Names of employees with permanent regular civil service status who have been laid off will be placed on an appropriate restoration list for their classification and department in order of Retention Points. The list will extend for a period of two (2) years. Employees shall also have restoration rights to a classification which has been replaced by a reclassification of the classification which the person previously had permanent status, provided that the duties have remained essentially the same. This list shall be maintained in the Department of Human Resources. ~~This includes~~ employees taking voluntary demotions in lieu of layoff who shall be placed on a restoration list for the class from which they were reduced. Three refusals to accept restoration from a departmental layoff list will remove the eligible individual's name from that list unless the offer of restoration is in excess of twenty five (25) miles from the geographical location of the position from which the employee was laid off.

A person notified of an offer of restoration must respond within ten (10) working days from the mailing proof of service date. Offers of reemployment shall be sent by first class mail to the last address on file in the Department of Human Resources. It is the employee's responsibility to insure that a current address is provided to the Department of Human Resources.

**3C.** Transfer and Demotion

Employees to be laid off may be permitted to transfer or demote at the discretion of the appropriate Department Head(s) prior to the layoff effective date. Transfer or demotion may be made to any funded vacant position where the duties of which, in the judgment of the Department Head and Director of Human Resources, they are capable of performing. However, transfer will not be permitted to a position in another County department if a departmental layoff list exists for that class. When an employee transfers or demotes in accord with provisions of this Article and is required by the Department Head to complete a new probationary period, which results in his rejection during probation, he shall not be required to forfeit his status on any layoff list.

**4D.** Placement in Other Departments

In accordance with rules on order of layoff, an employee who shall be laid off shall have a right to be placed in a vacant position in the same class in another department which the department has determined to fill. Referral to vacant positions shall be offered based upon the inverse order of layoff. The new appointing authority shall have up to ninety-one hundred twenty (90120) days to evaluate the employee's performance. If the appointing authority determines that the employee's performance does not meet job standards, the employee will be returned to the layoff list. The employee will, in accordance with the rule on

restoration, be eligible for placement in another vacant position in the same class which a department has determined to fill, according to the provisions above.

5E. Separation from County Service

Employees who are to be laid off have the option of leaving County service rather than displacing in a lower class, transferring or demoting. In the event an employee is laid off for an indefinite period, he/she/the employee may, upon request, receive payment for those benefits normally given to terminated employees.

6F. Employment Interviews

Department Heads that are referred the names of individuals designated for layoff and who have requested transfers shall personally ensure that such persons are provided an employment interview.

7G. Status on Restoration

An employee who has been laid off or voluntarily reduced under the provisions of this Article and subsequently restored in their former classification within a two (2) year period from the date of his/her/the employee's layoff or voluntary reduction shall receive the following considerations and benefits:

1. All sick leave credited to the employee's account when laid off shall be restored, unless the employee received compensation for such sick leave at the time of the layoff.
2. All Retention-seniority pPoints held upon layoff shall be restored.
3. All prior service shall be credited for the purpose of determining sick leave and vacation earning rates, longevity pay increases, and time in step.
4. The employee shall be placed on the step of the salary range that was held at the time of the layoff.

8H. Meet and Confer

Prior to the actual layoffs, the County's representatives and the EDGCCAA Association shall, at the request of the EDCCAA Association, meet and confer over the practical effects of the proposed layoffs.

E-Section 5.— Deviation from Retention Points

The Board of Supervisors may approve deviations from the order of layoff by retention seniority points or demotions in lieu of layoff (bumping) when retention-seniority points order alone would result in retaining employees unable to maintain a satisfactory level of performance in the department affected. In such cases, the Department Head or designee shall fully justify and document the reasons therefore. The affected

employees shall be provided a written notice of the department's request, reasons therefore and the date the Board of Supervisors shall consider the department's request.

~~F~~Section 6. \_\_\_\_\_Appeal of Layoff

4A. Right of Appeal

- a1. Permanent employees receiving a notice of layoff shall have the right to appeal solely on the issue of whether or not there was compliance with the procedures prescribed in this Article.

A Section 1. \_\_\_\_\_ Job Action - Sick Outs

1A. ~~Amending Resolution #227-84, Section 304~~ Variance from Personnel Rule 1404

Whenever the CAO or his/her designee determines that an increase in absenteeism due to a job action or sick out is significantly and detrimentally affecting the ability of one or more departments to carry out their functions he/she may declare that this Section shall be in force and the following rules shall apply. These requirements shall stay in effect for all purposes until after the CAO determines that the increased incidence of absenteeism and the threat of such increased incidence of absenteeism have abated.

a1. The Department Heads of the departments specified in the CAO declaration shall require that each employee who is unable to report for duty due to illness or injury that is requesting sick leave shall provide a certificate completed and signed by a licensed physician or other qualified medical professional. This certificate shall show that the physician examined the employee during the period of absence from work, state the date of each examination, describe the physician's diagnosis of the employee's illness or nature and extent of the employee's injury and certify that the physician has recommended that the employee be excused from work for medical reasons, and the specific number of days of the recommended excuse. e3. The employee may appeal a denial of sick leave through the County's Grievance Procedure.

e4. It is recognized that the facts which constitute the basis for use of sick leave may vary considerably from employee to employee and that in rare instances, the specific requirements of this rule may not be appropriate or feasible. Accordingly, discretionary variances, (but not waivers from the requirements of these rules) may be considered and allowed by the CAO or his/her designee. Any such variance shall, if feasible, provide for an acceptable alternative means by which the employee involved shall provide assurance of the existence of facts which are adequate as a basis for proper use of sick leave.

#### **ARTICLE 2120. FULL UNDERSTANDING, MODIFICATION, WAIVER**

This ~~Memorandum of Understanding~~MOU sets forth the full and entire understanding regarding the matters set forth herein, and any other prior or existing understandings or agreements relating to such matters are hereby superseded or terminated as appropriate. No agreement, alteration, understanding, variation, waiver or modification of any of the terms or provisions contained herein shall in any manner be binding upon the parties, unless made and executed in writing by all the parties hereto, and if required, approved and implemented by the County.

#### **ARTICLE 2221. SEVERABILITY**

If any provisions of this ~~Memorandum of Understanding~~MOU are held to be contrary to law by a court of competent jurisdiction, such provisions will not be deemed valid and subsisting except to the extent permitted by law, but all other provisions will continue in full force and effect.

At any time after the effective date of this comprehensive MOU, upon thirty (30) calendar days written notice to the ~~Association~~Association, the County may reopen this agreement for renegotiation regarding future increases in compensation if a financial shortfall in the County budget has occurred that has caused the Board of Supervisors to

actually reopen negotiations with other employee groups with negotiated MOUs or adopted Salary and Benefit Resolution, except with respect to any salaries governed by Section 504 of the El Dorado County Charter. Any notice provided subject to this section must include evidence demonstrating the basis for the claim of hardship.

**ARTICLE 23. DRUG FREE WORK PLACE**

The County and the Association agree that they are committed to providing and maintaining a drug free work place in accord with the Drug Free Work Place Act of 1988. It is understood that the unlawful manufacture, distribution, dispensing, possession or use of drugs and/or alcohol is prohibited in the work place and that violation of this provision would subject the employee to disciplinary action. The County has a zero tolerance standard for employees being under the influence of alcohol and/or drugs while at work. Reasonable effort will be made to inform employees about the dangers of drug abuse in the work place, the availability of any counseling or rehabilitation, as well as the Employee Assistance Program, and that disciplinary action may be imposed upon employees for drug violations occurring in the work place or affecting work performance. The Parties shall discuss the adoption of a reasonable suspicion drug testing policy during the term of this MOU.

In witness whereof, the parties hereto have caused this Memorandum of Understanding to be executed by affixing their signatures below.
