

July 18, 2014

To the Board and Staff of the Tahoe Resource Conservation District,

It has been a great pleasure to have served on the Board of the Tahoe RCD for the last couple of years. Unfortunately, the recent relocation of our family will make it impossible to continue serving in my position. Thus, it is with great sadness that I must make this official announcement of my resignation from the Board, effective today, the 18th of July, 2014.

My best wishes to the agency and its staff and Board.

Regards,

A handwritten signature in black ink, appearing to read "Bill Boosman", with a long horizontal flourish extending to the right.
