RE: Caltrans Federal Transit Administration Section 5310-Enhanced Mobility of Seniors and Individuals with Disabilities Funding Application for the Mobility Management Program

Dear Mr. Hasty:

The County of El Dorado Health and Human Service Agency (HHSA) is pleased to support the Tahoe Transportation District's application for continuation of the mobility management program. Assisting older adults, persons with disabilities, and those with limited means with coordinated transportation is an essential service.

Access to employment, social services, and healthcare in the Tahoe region for individuals with mobility challenges can be limited. Transportation significantly impacts the individuals served by various health and human service programs and the mobility management program has been very beneficial to our community.

Should you have any questions regarding HHSA's support of the Tahoe Transportation District's mobility management program grant application, please feel free to contact me.

Sincerely,

Don Ashton, M.P.A.
Director
