

Dear Mr. Mitrisin,

I have been out in the El Dorado community talking to residents about the luxury apartment proposal for Town Center. The response has been overwhelmingly positive.

Here are some of the letters of support for the October 14th Board of Supervisors meeting. I have made 5 copies of the letters for each of the supervisors and I have provided you with the originals.

Thank you,

Dear Supervisors Santiago, Mikulaco, Frentzen, Veerkamp & Briggs,

I am a resident of El Dorado County and appreciate the opportunity to express my support for the luxury apartment complex proposed for the property across from Selland's in Town Center.

I do not support development in or around our hills or forests in El Dorado County. I DO SUPPORT this project in the heart of Town Center as a place where residents can walk and bike to stores, restaurants, to the Post Office, etc.

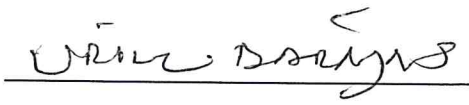

I also like that there is an El Dorado Transit commuter bus stop one block away – so individuals can take the bus to and from work in Sacramento – so there are less cars on the road.

I DO NOT support massive growth in El Dorado County – but I DO SUPPORT these apartments being built. Please consider this when you vote.

Thank you very much.

Dear Supervisor Santiago and Board of Supervisors:

I am writing to express my support for the proposed El Dorado Hills Town Center
Luxury Apartment project which, if approved, will be located across from Selland's
Market Café in Town Center.

I ask that you support this project because WE NEED higher-end residential apartments
in the Town Center to help keep the local businesses survive and thrive – so our Town
Center stays the vibrant place it is today.

I also like the idea of a “village” atmosphere where people can walk and/or ride their
bicycles to stores, coffee shops and restaurants – instead of driving and putting more
cars on the roads.

There is NO OTHER place this kind of housing would be of value – EXCEPT at our
Town Center.

Please vote to approve this project! Thank you.

El Dorado County Board of Supervisors

Dear Supervisor Santiago and Board of Supervisors:

I am writing to express my support for the proposed El Dorado Hills Town Center
Luxury Apartment project which, if approved, will be located across from Selland's
Market Café in Town Center.

I ask that you support this project because WE NEED higher-end residential apartments
in the Town Center to help keep the local businesses survive and thrive – so our Town
Center stays the vibrant place it is today.

I also like the idea of a “village” atmosphere where people can walk and/or ride their
bicycles to stores, coffee shops and restaurants – instead of driving and putting more
cars on the roads.

There is NO OTHER place this kind of housing would be of value – EXCEPT at our
Town Center.

Please vote to approve this project! Thank you.

I am a resident of El Dorado County and appreciate the opportunity to express my support for the luxury apartment complex proposed for the property across from Selland's in Town Center.

I do not support development in or around our hills or forests in El Dorado County. I DO SUPPORT this project in the heart of Town Center as a place where residents can walk and bike to stores, restaurants, to the Post Office, etc.

I also like that there is an El Dorado Transit commuter bus stop one block away – so individuals can take the bus to and from work in Sacramento – so there are less cars on the road.

I DO NOT support massive growth in El Dorado County – but I DO SUPPORT these apartments being built. Please consider this when you vote.

Thank you very much.

Dear Supervisors:

Please register my **SUPPORT** for your approval of the Town Center Luxury Apartment complex which comes before you for a vote on October 14th. I would like the opportunity to tell you why:

- There is never going to be a hotel on the property across from Selland's by the theater and the current fenced patch of dirt is an eyesore to all of us who visit Town Center.
- I think this would be a GREAT PLACE TO LIVE, near restaurants, stores, shops, etc.
- The Town Center NEEDS more business, especially on the weekdays, so its businesses can stay in business and succeed – keeping our Town Center a great place to visit.

Please consider my SUPPORT for this unique project when you vote on October 14th.

Thank you.

El Dorado County Board of Supervisors

Dear Supervisor Santiago and Board of Supervisors:

I am writing to express my support for the proposed El Dorado Hills Town Center
Luxury Apartment project which, if approved, will be located across from Selland's
Market Café in Town Center.

I ask that you support this project because WE NEED higher-end residential apartments
in the Town Center to help keep the local businesses survive and thrive – so our Town
Center stays the vibrant place it is today.

I also like the idea of a “village” atmosphere where people can walk and/or ride their
bicycles to stores, coffee shops and restaurants – instead of driving and putting more
cars on the roads.

There is NO OTHER place this kind of housing would be of value – EXCEPT at our
Town Center.

Please vote to approve this project! Thank you.

Dear Supervisors Santiago, Mikulaco, Frentzen, Veerkamp & Briggs,

I am a resident of El Dorado County and appreciate the opportunity to express my support for the luxury apartment complex proposed for the property across from Selland's in Town Center.

I do not support development in or around our hills or forests in El Dorado County. I DO SUPPORT this project in the heart of Town Center as a place where residents can walk and bike to stores, restaurants, to the Post Office, etc.

I also like that there is an El Dorado Transit commuter bus stop one block away – so individuals can take the bus to and from work in Sacramento – so there are less cars on the road.

I DO NOT support massive growth in El Dorado County – but I DO SUPPORT these apartments being built. Please consider this when you vote.

Thank you very much.

Please register my **SUPPORT** for your approval of the Town Center Luxury Apartment complex which comes before you for a vote on October 14th. I would like the opportunity to tell you why:

- There is never going to be a hotel on the property across from Selland's by the theater and the current fenced patch of dirt is an eyesore to all of us who visit Town Center.
- I think this would be a GREAT PLACE TO LIVE, near restaurants, stores, shops, etc.
- The Town Center NEEDS more business, especially on the weekdays, so its businesses can stay in business and succeed – keeping our Town Center a great place to visit.

Please consider my SUPPORT for this unique project when you vote on October 14th.

Thank you.

Center stays the vibrant place it is today.

I also like the idea of a “village” atmosphere where people can walk and/or ride their
bicycles to stores, coffee shops and restaurants – instead of driving and putting more
cars on the roads.

There is NO OTHER place this kind of housing would be of value – EXCEPT at our
Town Center.

Please vote to approve this project! Thank you.

APARTMENT PLAN

Dear Supervisors Santiago, Mikulaco, Frentzen, Veerkamp & Briggs,

I am a resident of El Dorado County and appreciate the opportunity to express my support for the luxury apartment complex proposed for the property across from Selland's in Town Center.

I do not support development in or around our hills or forests in El Dorado County. I DO SUPPORT this project in the heart of Town Center as a place where residents can walk and bike to stores, restaurants, to the Post Office, etc.

I also like that there is an El Dorado Transit commuter bus stop one block away – so individuals can take the bus to and from work in Sacramento – so there are less cars on the road.

I DO NOT support massive growth in El Dorado County – but I DO SUPPORT these apartments being built. Please consider this when you vote.

Thank you very much.

Dear Supervisors:

Please register my **SUPPORT** for your approval of the Town Center Luxury Apartment complex which comes before you for a vote on October 14th. I would like the opportunity to tell you why:

- There is never going to be a hotel on the property across from Selland's by the theater and the current fenced patch of dirt is an eyesore to all of us who visit Town Center.
- I think this would be a GREAT PLACE TO LIVE, near restaurants, stores, shops, etc.
- The Town Center NEEDS more business, especially on the weekdays, so its businesses can stay in business and succeed – keeping our Town Center a great place to visit.

Please consider my SUPPORT for this unique project when you vote on October 14th.

Thank you.

Dear Supervisors Santiago, Mikulaco, Frentzen, Veerkamp & Briggs,

I am a resident of El Dorado County and appreciate the opportunity to express my support for the luxury apartment complex proposed for the property across from Selland's in Town Center.

I do not support development in or around our hills or forests in El Dorado County. I DO SUPPORT this project in the heart of Town Center as a place where residents can walk and bike to stores, restaurants, to the Post Office, etc.

I also like that there is an El Dorado Transit commuter bus stop one block away – so individuals can take the bus to and from work in Sacramento – so there are less cars on the road.

I DO NOT support massive growth in El Dorado County – but I DO SUPPORT these apartments being built. Please consider this when you vote.

Thank you very much.

Dear Supervisor Santiago and Board of Supervisors:

I am writing to express my support for the proposed El Dorado Hills Town Center
Luxury Apartment project which, if approved, will be located across from Selland's
Market Café in Town Center.

I ask that you support this project because WE NEED higher-end residential apartments
in the Town Center to help keep the local businesses survive and thrive – so our Town
Center stays the vibrant place it is today.

I also like the idea of a “village” atmosphere where people can walk and/or ride their
bicycles to stores, coffee shops and restaurants – instead of driving and putting more
cars on the roads.

There is NO OTHER place this kind of housing would be of value – EXCEPT at our
Town Center.

Please vote to approve this project! Thank you.

Dear Supervisors:

Please register my **SUPPORT** for your approval of the Town Center Luxury Apartment complex which comes before you for a vote on October 14th. I would like the opportunity to tell you why:

- There is never going to be a hotel on the property across from Selland's by the theater and the current fenced patch of dirt is an eyesore to all of us who visit Town Center.
- I think this would be a GREAT PLACE TO LIVE, near restaurants, stores, shops, etc.
- The Town Center NEEDS more business, especially on the weekdays, so its businesses can stay in business and succeed – keeping our Town Center a great place to visit.

Please consider my SUPPORT for this unique project when you vote on October 14th.

Thank you.

Dear Supervisors:

Please register my **SUPPORT** for your approval of the Town Center Luxury Apartment complex which comes before you for a vote on October 14th. I would like the opportunity to tell you why:

- There is never going to be a hotel on the property across from Selland's by the theater and the current fenced patch of dirt is an eyesore to all of us who visit Town Center.
- I think this would be a GREAT PLACE TO LIVE, near restaurants, stores, shops, etc.
- The Town Center NEEDS more business, especially on the weekdays, so its businesses can stay in business and succeed – keeping our Town Center a great place to visit.

Please consider my SUPPORT for this unique project when you vote on October 14th.

Thank you.
