2. Contractor shall keep adequate and sufficient financial records and statistical data to support the year-end documents filed with the State. All records must be capable of verification by qualified auditors.
3. Accounting records and supporting documents shall be retained for a three-year period from the date the year-end cost settlement report was approved by the State for interim settlement. When an audit by the Federal Government, the State, or the California State Auditor has been started before the expiration of the three-year period, the records shall be retained until completion of the audit and final resolution of all issues that arise in the audit. Final settlement shall be made at the end of the audit and appeal process. If an audit has not been completed within three years, the interim settlement shall be considered as the final settlement.
4. Financial records shall be kept so that they clearly reflect the source of funding for each type of service for which reimbursement is claimed. These documents include, but are not limited to, all ledgers, books, vouchers, time sheets, payrolls, appointment schedules, client data cards, and schedules for allocating costs. All records must be capable of verification by qualified auditors.

1. In the event of a dispute under this Exhibit A, Attachment I, Part IV, other than an audit dispute, Contractor shall provide written notice of the particulars of the dispute to the State before exercising any other available remedy. Written notice shall include the contract number. The Director (or designee) of the State and the County Drug or Alcohol Program Administrator (or designee) shall meet to discuss the means by which they can effect an equitable resolution to the dispute. The written response shall reflect the issues discussed at the meeting and state how the dispute will be resolved.
2. In the event of a dispute over financial audit findings between the State and the Contractor, Contractor may appeal the audit in accordance with the "non- DMC Audit Appeal Process" (Document 1J(a)). When a financial audit by the Federal Government, the State, or the California State Auditor is conducted directly with a Subcontractor of the Contractor, and if the Subcontractor disagrees with audit disallowances related to its programs, claims or services, Contractor shall, at the Subcontractor's request, request an appeal to the State in accordance with Document 1J(a). Contractor shall include a provision in its subcontracts regarding the process by which a Subcontractor may file an audit appeal via the Contractor.

This section shall not apply to those grievances or complaints arising from the financial findings of an audit or examination made by or on behalf of the State pursuant to Part II of this Exhibit.**
5. **To ensure that necessary corrective actions are taken, financial audit findings are either uncontested or upheld after appeal may be used by the State during prospective contract negotiations.**

Part V. Drug Medi-Cal Reimbursement Rates

A. "Uniform Statewide Daily Reimbursement (USDR) Rate" means the rate for NTP services based on a unit of service that is a daily treatment service provided pursuant to Title 22, Sections 51341.1 and 51516.1 and Title 9, commencing with Section 10000 (Document 3G), or the rate for individual or group counseling. The following table shows the proposed Fiscal Year (FY) 2014-15 USDR rates.

Service	Type of Unit of Service (UOS)	Non-Perinatal (Regular) Rate Per UOS	Perinatal Rate Per UOS
NTP-Methadone Dosing	Daily	\$10.80	\$11.79
NTP-Individual Counseling (*)	One 10-minute increment	\$13.48	\$21.06

If medical necessity is met that requires additional NTP counseling beyond 200 minutes per calendar month, NTP contractors may bill and be reimbursed for additional counseling (in 10 minute increments). Medical justification for the additional counseling must be clearly documented in the patient record.

Reimbursement for covered NTP services shall be limited to the lower of the NTP's usual and customary charge to the general public for the same or similar services or the USDR rate.

B. "Unit of Service" means a face-to-face contact on a calendar day for outpatient drug free, intensive outpatient treatment, perinatal residential, and Naltrexone treatment services. Only one face-to-face service contact per day is covered by DMC except in the case of emergencies when an additional face-to-face contact may be covered for intake crisis intervention or collateral service. To count as a unit of service, the second contact shall not duplicate the services provided on the first contact, and each contact shall be clearly documented in the beneficiary's record. While the rates are approved by the State, they are subject to change through the regulation process. Units of service and proposed SMA for FY 2014-15 are identified in the following table.

Such notices shall state the Contractor's obligation under the law to take affirmative action to employ and advance in employment qualified applicants without discrimination based on their race, color, religion, sex, national origin physical or mental handicap, disability, age or status as a disabled veteran or veteran of the Vietnam era and the rights of applicants and employees.

All inspections and evaluations shall be performed in such a manner as will not unduly delay the work.

9. Federal Contract Funds

(Applicable only to that portion of an agreement funded in part or whole with federal funds.)

- a. It is mutually understood between the parties that this Agreement may have been written before ascertaining the availability of congressional appropriation of funds, for the mutual benefit of both parties, in order to avoid program and fiscal delays which would occur if the Agreement were executed after that determination was made.
- b. This agreement is valid and enforceable only if sufficient funds are made available to the State by the United States Government for the fiscal years covered by the term of this Agreement. In addition, this Agreement is subject to any additional restrictions, limitations, or conditions enacted by the Congress or any statute enacted by the Congress which may affect the provisions, terms or funding of this Agreement in any manner.

- d. DHCS has the option to invalidate or cancel the Agreement with 30-days advance written notice or to amend the Agreement to reflect any reduction in funds.

10. Intellectual Property Rights

a. Ownership

- (1) Except where DHCS has agreed in a signed writing to accept a license, DHCS shall be and remain, without additional compensation, the sole owner of any and all rights, title and interest in all Intellectual Property, from the moment of creation, whether or not jointly conceived, that are made, conceived, derived from, or reduced to practice by Contractor or DHCS and which result directly or indirectly from this Agreement.
- (2) For the purposes of this Agreement, Intellectual Property means recognized protectable rights and interest such as: patents, (whether or not issued) copyrights, trademarks, service marks, applications for any of the foregoing, inventions, trade secrets, trade dress, logos, insignia, color combinations, slogans, moral rights, right of publicity, author's rights, contract and licensing rights, works, mask works, industrial design rights, rights of priority, know how, design flows, methodologies, devices, business processes, developments, innovations, good will and all other legal rights protecting intangible proprietary information as may exist now and/or here after come into existence, and all renewals and extensions, regardless of whether those rights arise under the laws of the United States, or any other state, country or jurisdiction.
 - (a) For the purposes of the definition of Intellectual Property, "works" means all literary works, writings and printed matter including the medium by which they are recorded or reproduced, photographs, art work, pictorial and graphic representations and works of a similar nature, film, motion pictures, digital images, animation cells, and other audiovisual works including positives and negatives thereof, sound recordings, tapes, educational materials, interactive videos and any other materials or products created, produced, conceptualized and fixed in a tangible medium of expression. It includes preliminary and final products and any materials and information developed for the purposes of producing those final products. Works does not include articles submitted to peer review or reference journals or independent research projects.
- (3) In the performance of this Agreement, Contractor will exercise and utilize certain of its Intellectual Property in existence prior to the effective date of this Agreement. In addition, under this Agreement, Contractor may access and utilize certain of DHCS' Intellectual Property in existence prior to the effective date of this Agreement. Except as otherwise set forth herein, Contractor shall not use any of DHCS' Intellectual Property now existing or hereafter existing for any purposes without the prior written permission of DHCS. **Except as otherwise set forth herein, neither the Contractor nor DHCS shall give any ownership interest in or rights to its Intellectual Property to the other Party.** If during the term of this Agreement, Contractor accesses any third-party Intellectual Property that is licensed to DHCS, Contractor agrees to abide by all license and confidentiality restrictions applicable to DHCS in the third-party's license agreement.
- (4) Contractor agrees to cooperate with DHCS in establishing or maintaining DHCS' exclusive rights in the Intellectual Property, and in assuring DHCS' sole rights against third parties with respect to the Intellectual Property. If the Contractor enters into any agreements or subcontracts with other parties in order to perform this Agreement, Contractor shall require the terms of the Agreement(s) to include all Intellectual Property provisions. Such terms must include, but are not limited to, the subcontractor assigning and agreeing to assign to DHCS all rights, title and interest in Intellectual Property made, conceived, derived from, or reduced to practice by the subcontractor, Contractor or DHCS and which result directly or indirectly from this Agreement or any subcontract.
- (5) Contractor further agrees to assist and cooperate with DHCS in all reasonable respects, and execute all documents and, subject to reasonable availability, give testimony and take all further acts reasonably necessary to acquire, transfer, maintain, and enforce DHCS' Intellectual Property rights and interests.

b. Retained Rights / License Rights

- (1) Except for Intellectual Property made, conceived, derived from, or reduced to practice by Contractor or DHCS and which result directly or indirectly from this Agreement, Contractor shall retain title to all of its Intellectual Property to the extent such Intellectual Property is in existence prior to the effective date of this Agreement. Contractor hereby grants to DHCS, without additional compensation, a permanent, non-exclusive, royalty free, paid-up, worldwide, irrevocable, perpetual, non-terminable license to use, reproduce, manufacture, sell, offer to sell, import, export, modify, publicly and privately display/perform, distribute, and dispose Contractor's Intellectual Property with the right to sublicense through multiple layers, for any purpose whatsoever, to the extent it is incorporated in the Intellectual Property resulting from this Agreement, unless Contractor assigns all rights, title and interest in the Intellectual Property as set forth herein.
- (2) Nothing in this provision shall restrict, limit, or otherwise prevent Contractor from using any ideas, concepts, know-how, methodology or techniques related to its performance under this Agreement, provided that Contractor's use does not infringe the patent, copyright, trademark rights, license or other Intellectual Property rights of DHCS or third party, or result in a breach or default of any provisions of this Exhibit or result in a breach of any provisions of law relating to confidentiality.

c. Copyright

- (1) Contractor agrees that for purposes of copyright law, all works [as defined in Paragraph a, subparagraph (2)(a) of this provision] of authorship made by or on behalf of Contractor in connection with Contractor's performance of this Agreement shall be deemed "works made for hire". Contractor further agrees that the work of each person utilized by Contractor in connection with the performance of this Agreement will be a "work made for hire," whether that person is an employee of Contractor or that person has entered into an agreement with Contractor to perform the work. Contractor shall enter into a written agreement with any such person that: (i) all work performed for Contractor shall be deemed a "work made for hire" under the Copyright Act and (ii) that person shall assign all right, title, and interest to DHCS to any work product made, conceived, derived from, or reduced to practice by Contractor or DHCS and which result directly or indirectly from this Agreement.
- (2) All materials, including, but not limited to, visual works or text, reproduced or distributed pursuant to this Agreement that include Intellectual Property made, conceived, derived from, or reduced to practice by Contractor or DHCS and which result directly or indirectly from this Agreement, shall include DHCS' notice of copyright, which shall read in 3mm or larger typeface: "© [Enter Current Year e.g., 2010, etc.], California Department of Health Care Services. This material may not be reproduced or disseminated without prior written permission from the California Department of Health Care Services." This notice should be placed prominently on the materials and set apart from other matter on the page where it appears. Audio productions shall contain a similar audio notice of copyright.

d. Patent Rights

With respect to inventions made by Contractor in the performance of this Agreement, which did not result from research and development specifically included in the Agreement's scope of work, Contractor hereby grants to DHCS a license as described under Section b of this provision for devices or material incorporating, or made through the use of such inventions. If such inventions result from research and development work specifically included within the Agreement's scope of work, then Contractor agrees to assign to DHCS, without additional compensation, all its right, title and interest in and to such inventions and to assist DHCS in securing United States and foreign patents with respect thereto.

e. Third-Party Intellectual Property

Except as provided herein, Contractor agrees that its performance of this Agreement shall not be dependent upon or include any Intellectual Property of Contractor or third party without first: (i) obtaining DHCS' prior written approval; and (ii) granting to or obtaining for DHCS, without additional compensation, a license, as described in Section b of this provision, for any of Contractor's or third-party's Intellectual Property in existence prior to the effective date of this Agreement. If such a license upon the these terms is unattainable, and DHCS determines that the Intellectual Property should be included in or is required

for Contractor's performance of this Agreement, Contractor shall obtain a license under terms acceptable to DHCS.

f. Warranties

(1) Contractor represents and warrants that:

- (a) It is free to enter into and fully perform this Agreement.
- (b) It has secured and will secure all rights and licenses necessary for its performance of this Agreement.
- (c) Neither Contractor's performance of this Agreement, nor the exercise by either Party of the rights granted in this Agreement, nor any use, reproduction, manufacture, sale, offer to sell, import, export, modification, public and private display/performance, distribution, and disposition of the Intellectual Property made, conceived, derived from, or reduced to practice by Contractor or DHCS and which result directly or indirectly from this Agreement will infringe upon or violate any Intellectual Property right, non-disclosure obligation, or other proprietary right or interest of any third-party or entity now existing under the laws of, or hereafter existing or issued by, any state, the United States, or any foreign country. There is currently no actual or threatened claim by any such third party based on an alleged violation of any such right by Contractor.
- (d) Neither Contractor's performance nor any part of its performance will violate the right of privacy of, or constitute a libel or slander against any person or entity.
- (e) It has secured and will secure all rights and licenses necessary for Intellectual Property including, but not limited to, consents, waivers or releases from all authors of music or performances used, and talent (radio, television and motion picture talent), owners of any interest in and to real estate, sites, locations, property or props that may be used or shown.
- (f) It has not granted and shall not grant to any person or entity any right that would or might derogate, encumber, or interfere with any of the rights granted to DHCS in this Agreement.
- (g) It has appropriate systems and controls in place to ensure that state funds will not be used in the performance of this Agreement for the acquisition, operation or maintenance of computer software in violation of copyright laws.
- (h) It has no knowledge of any outstanding claims, licenses or other charges, liens, or encumbrances of any kind or nature whatsoever that could affect in any way Contractor's performance of this Agreement.

(2) DHCS MAKES NO WARRANTY THAT THE INTELLECTUAL PROPERTY RESULTING FROM THIS AGREEMENT DOES NOT INFRINGE UPON ANY PATENT, TRADEMARK, COPYRIGHT OR THE LIKE, NOW EXISTING OR SUBSEQUENTLY ISSUED.

g. Intellectual Property Indemnity

- (1) Contractor shall indemnify, defend and hold harmless DHCS and its licensees and assignees, and its officers, directors, employees, agents, representatives, successors, and users of its products, ("Indemnitees") from and against all claims, actions, damages, losses, liabilities (or actions or proceedings with respect to any thereof), whether or not rightful, arising from any and all actions or claims by any third party or expenses related thereto (including, but not limited to, all legal expenses, court costs, and attorney's fees incurred in investigating, preparing, serving as a witness in, or defending against, any such claim, action, or proceeding, commenced or threatened) to which any of the Indemnitees may be subject, whether or not Contractor is a party to any pending or threatened litigation, which arise out of or are related to (i) the incorrectness or breach of any of the representations, warranties, covenants or agreements of Contractor pertaining to Intellectual Property; or (ii) any Intellectual Property infringement, or any other type of actual or alleged infringement claim, arising out of DHCS' use, reproduction, manufacture, sale, offer to sell, distribution, import, export, modification, public and private performance/display, license, and disposition of the Intellectual Property made, conceived, derived from, or reduced to practice by

Contractor or DHCS and which result directly or indirectly from this Agreement. This indemnity obligation shall apply irrespective of whether the infringement claim is based on a patent, trademark or copyright registration that issued after the effective date of this Agreement. DHCS reserves the right to participate in and/or control, at Contractor's expense, any such infringement action brought against DHCS.

- (2) Should any Intellectual Property licensed by the Contractor to DHCS under this Agreement become the subject of an Intellectual Property infringement claim, Contractor will exercise its authority reasonably and in good faith to preserve DHCS' right to use the licensed Intellectual Property in accordance with this Agreement at no expense to DHCS. DHCS shall have the right to monitor and appear through its own counsel (at Contractor's expense) in any such claim or action. In the defense or settlement of the claim, Contractor may obtain the right for DHCS to continue using the licensed Intellectual Property; or, replace or modify the licensed Intellectual Property so that the replaced or modified Intellectual Property becomes non-infringing provided that such replacement or modification is functionally equivalent to the original licensed Intellectual Property. If such remedies are not reasonably available, DHCS shall be entitled to a refund of all monies paid under this Agreement, without restriction or limitation of any other rights and remedies available at law or in equity.
- (3) Contractor agrees that damages alone would be inadequate to compensate DHCS for breach of any term of this Intellectual Property Exhibit by Contractor. Contractor acknowledges DHCS would suffer irreparable harm in the event of such breach and agrees DHCS shall be entitled to obtain equitable relief, including without limitation an injunction, from a court of competent jurisdiction, without restriction or limitation of any other rights and remedies available at law or in equity.

h. Federal Funding

In any agreement funded in whole or in part by the federal government, DHCS may acquire and maintain the Intellectual Property rights, title, and ownership, which results directly or indirectly from the Agreement; except as provided in 37 Code of Federal Regulations part 401.14; however, the federal government shall have a non-exclusive, nontransferable, irrevocable, paid-up license throughout the world to use, duplicate, or dispose of such Intellectual Property throughout the world in any manner for governmental purposes and to have and permit others to do so.

i. Survival

The provisions set forth herein shall survive any termination or expiration of this Agreement or any project schedule.

The Contractor shall acknowledge the support of the State whenever publicizing the work under this Agreement in any media. This provision does not apply to necessary staff meetings or training sessions held for the staff of the Contractor or Subcontractor to conduct routine business matters.

13. Confidentiality of Information

- a. The Contractor and its employees, agents, or subcontractors shall protect from unauthorized disclosure names and other identifying information concerning persons either receiving services pursuant to this Agreement or persons whose names or identifying information become available or are disclosed to the Contractor, its employees, agents, or subcontractors as a result of services performed under this Agreement, except for statistical information not identifying any such person.
- b. The Contractor and its employees, agents, or subcontractors shall not use such identifying information for any purpose other than carrying out the Contractor's obligations under this Agreement.
- c. The Contractor and its employees, agents, or subcontractors shall promptly transmit to the DHCS Program Contract Manager all requests for disclosure of such identifying information not emanating from the client or person.
- d. The Contractor shall not disclose, except as otherwise specifically permitted by this Agreement or authorized by the client, any such identifying information to anyone other than DHCS without prior written authorization from the DHCS Program Contract Manager, except if disclosure is required by State or Federal law.
- e. For purposes of this provision, identity shall include, but not be limited to name, identifying number, symbol, or other identifying particular assigned to the individual, such as finger or voice print or a photograph.
- f. As deemed applicable by DHCS, this provision may be supplemented by additional terms and conditions covering personal health information (PHI) or personal, sensitive, and/or confidential information (PSCI). Said terms and conditions will be outlined in one or more exhibits that will either be attached to this Agreement or incorporated into this Agreement by reference.

14. Documents, Publications and Written Reports

(Applicable to agreements over \$5,000 under which publications, written reports and documents are developed or produced. Government Code Section 7550.)

Any document, publication or written report (excluding progress reports, financial reports and normal contractual communications) prepared as a requirement of this Agreement shall contain, in a separate section preceding the main body of the document, the number and dollar amounts of all contracts or agreements and subcontracts relating to the preparation of such document or report, if the total cost for work by nonemployees of the State exceeds \$5,000.

15. Dispute Resolution Process

- a. A Contractor grievance exists whenever there is a dispute arising from DHCS' action in the administration of an agreement. If there is a dispute or grievance between the Contractor and DHCS, the Contractor must seek resolution using the procedure outlined below.
 - (1) The Contractor should first informally discuss the problem with the DHCS Program Contract Manager. If the problem cannot be resolved informally, the Contractor shall direct its grievance together with any evidence, in writing, to the program Branch Chief. The grievance shall state the issues in dispute, the legal authority or other basis for the Contractor's position and the remedy sought. The Branch Chief shall render a decision within ten (10) working days after receipt of the written grievance from the Contractor. The Branch Chief shall respond in writing to the Contractor indicating the decision and reasons therefore. If the Contractor disagrees with the Branch Chief's decision, the Contractor may appeal to the second level.
 - (2) When appealing to the second level, the Contractor must prepare an appeal indicating the reasons for disagreement with Branch Chief's decision. The Contractor shall include with the appeal a copy of the Contractor's original statement of dispute along with any supporting evidence and a copy of the Branch Chief's decision. The appeal shall be addressed to the Deputy Director of the division in which the branch is organized within ten (10) working days from receipt of the Branch Chief's

decision. The Deputy Director of the division in which the branch is organized or his/her designee shall meet with the Contractor to review the issues raised. A written decision signed by the Deputy Director of the division in which the branch is organized or his/her designee shall be directed to the Contractor within twenty (20) working days of receipt of the Contractor's second level appeal.

- b. If the Contractor wishes to appeal the decision of the Deputy Director of the division in which the branch is organized or his/her designee, the Contractor shall follow the procedures set forth in Health and Safety Code Section 100171.
- c. Unless otherwise stipulated in writing by DHCS, all dispute, grievance and/or appeal correspondence shall be directed to the DHCS Program Contract Manager.
- d. There are organizational differences within DHCS' funding programs and the management levels identified in this dispute resolution provision may not apply in every contractual situation. When a grievance is received and organizational differences exist, the Contractor shall be notified in writing by the DHCS Program Contract Manager of the level, name, and/or title of the appropriate management official that is responsible for issuing a decision at a given level.

16. Financial and Compliance Audit Requirements

- a. The definitions used in this provision are contained in Section 38040 of the Health and Safety Code, which by this reference is made a part hereof.
- b. Direct service contract means a contract or agreement for services contained in local assistance or subvention programs or both (see Health and Safety [H&S] Code Section 38020). Direct service contracts shall not include contracts, agreements, grants, or subventions to other governmental agencies or units of government nor contracts or agreements with regional centers or area agencies on aging (H&S Code Section 38030).
- c. The Contractor, as indicated below, agrees to obtain one of the following audits:
 - (1) **If the Contractor is a nonprofit organization (as defined in H&S Code Section 38040) and receives \$25,000 or more from any State agency under a direct service contract or agreement;** the Contractor agrees to obtain an annual single, organization wide, financial and compliance audit. Said audit shall be conducted according to Generally Accepted Auditing Standards. This audit does not fulfill the audit requirements of Paragraph c(3) below. The audit shall be completed by the 15th day of the fifth month following the end of the Contractor's fiscal year, **and/or**
 - (2) **If the Contractor is a nonprofit organization (as defined in H&S Code Section 38040) and receives less than \$25,000 per year from any State agency under a direct service contract or agreement;** the Contractor agrees to obtain a biennial single, organization wide financial and compliance audit, unless there is evidence of fraud or other violation of state law in connection with this Agreement. This audit does not fulfill the audit requirements of Paragraph c(3) below. The audit shall be completed by the 15th day of the fifth month following the end of the Contractor's fiscal year, **and/or**
 - (3) **If the Contractor is a State or Local Government entity or Nonprofit organization (as defined by the Federal Office of Management and Budget [OMB] Circular A-133) and expends \$500,000 or more in Federal awards,** the Contractor agrees to obtain an annual single, organization wide, financial and compliance audit according to the requirements specified in OMB Circular A-133 entitled "Audits of States, Local Governments, and Non-Profit Organizations". An audit conducted pursuant to this provision will fulfill the audit requirements outlined in Paragraphs c(1) and c(2) above. The audit shall be completed by the end of the ninth month following the end of the audit period. The requirements of this provision apply if:
 - (a) The Contractor is a recipient expending Federal awards received directly from Federal awarding agencies, or
 - (b) The Contractor is a subrecipient expending Federal awards received from a pass-through entity such as the State, County or community based organization.

- (4) If the Contractor submits to DHCS a report of an audit other than an OMB A-133 audit, the Contractor must also submit a certification indicating the Contractor has not expended \$500,000 or more in federal funds for the year covered by the audit report.
- d. Two copies of the audit report shall be delivered to the DHCS program funding this Agreement. The audit report must identify the Contractor's legal name and the number assigned to this Agreement. The audit report shall be due within 30 days after the completion of the audit. Upon receipt of said audit report, the DHCS Program Contract Manager shall forward the audit report to DHCS' Audits and Investigations Unit if the audit report was submitted under Section 16.c(3), unless the audit report is from a City, County, or Special District within the State of California whereby the report will be retained by the funding program.
 - e. The cost of the audits described herein may be included in the funding for this Agreement up to the proportionate amount this Agreement represents of the Contractor's total revenue. The DHCS program funding this Agreement must provide advance written approval of the specific amount allowed for said audit expenses.
 - f. The State or its authorized designee, including the Bureau of State Audits, is responsible for conducting agreement performance audits which are not financial and compliance audits. Performance audits are defined by Generally Accepted Government Auditing Standards.
 - g. Nothing in this Agreement limits the State's responsibility or authority to enforce State law or regulations, procedures, or reporting requirements arising thereto.
 - h. Nothing in this provision limits the authority of the State to make audits of this Agreement, provided however, that if independent audits arranged for by the Contractor meet Generally Accepted Governmental Auditing Standards, the State shall rely on those audits and any additional audit work and shall build upon the work already done.
 - i. The State may, at its option, direct its own auditors to perform either of the audits described above. The Contractor will be given advance written notification, if the State chooses to exercise its option to perform said audits.
 - j. The Contractor shall include a clause in any agreement the Contractor enters into with the audit firm doing the single organization wide audit to provide access by the State or Federal Government to the working papers of the independent auditor who prepares the single organization wide audit for the Contractor.
 - k. Federal or state auditors shall have "expanded scope auditing" authority to conduct specific program audits during the same period in which a single organization wide audit is being performed, but the audit report has not been issued. The federal or state auditors shall review and have access to the current audit work being conducted and will not apply any testing or review procedures which have not been satisfied by previous audit work that has been completed.

The term "expanded scope auditing" is applied and defined in the U.S. General Accounting Office (GAO) issued Standards for *Audit of Government Organizations, Programs, Activities and Functions*, better known as the "yellow book".

 - (2) Have not within a three-year period preceding this application/proposal/agreement been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;

20. Smoke-Free Workplace Certification

(Applicable to federally funded agreements/grants and subcontracts/subawards, that provide health, day care, early childhood development services, education or library services to children under 18 directly or through local governments.)

- a. Public Law 103-227, also known as the Pro-Children Act of 1994 (Act), requires that smoking not be permitted in any portion of any indoor facility owned or leased or contracted for by an entity and used routinely or regularly for the provision of health, day care, early childhood development services, education or library services to children under the age of 18, if the services are funded by federal programs either directly or through state or local governments, by federal grant, contract, loan, or loan guarantee. The law also applies to children's services that are provided in indoor facilities that are constructed, operated, or maintained with such federal funds. The law does not apply to children's services provided in private residences; portions of facilities used for inpatient drug or alcohol treatment; service providers whose sole source of applicable federal funds is Medicare or Medicaid; or facilities where WIC coupons are redeemed.
- b. Failure to comply with the provisions of the law may result in the imposition of a civil monetary penalty of up to \$1,000 for each violation and/or the imposition of an administrative compliance order on the responsible party.
- c. By signing this Agreement, Contractor or Grantee certifies that it will comply with the requirements of the Act and will not allow smoking within any portion of any indoor facility used for the provision of services for children as defined by the Act. The prohibitions herein are effective December 26, 1994.
- d. Contractor or Grantee further agrees that it will insert this certification into any subawards (subcontracts or subgrants) entered into that provide for children's services as described in the Act.

21. Covenant Against Contingent Fees

(Applicable only to federally funded agreements.)

The Contractor warrants that no person or selling agency has been employed or retained to solicit/secure this Agreement upon an agreement of understanding for a commission, percentage, brokerage, or contingent fee, except *bona fide* employees or *bona fide* established commercial or selling agencies retained by the Contractor for the purpose of securing business. For breach or violation of this warranty, DHCS shall have the right to annul this Agreement without liability or in its discretion to deduct from the Agreement price or consideration, or otherwise recover, the full amount of such commission, percentage, and brokerage or contingent fee.

22. Payment Withholds

(Applicable only if a final report is required by this Agreement. Not applicable to government entities.)

Unless waived or otherwise stipulated in this Agreement, DHCS may, at its discretion, withhold 10 percent (10%) of the face amount of the Agreement, 50 percent (50%) of the final invoice, or \$3,000 whichever is greater, until DHCS receives a final report that meets the terms, conditions and/or scope of work requirements of this Agreement.

23. Performance Evaluation

(Not applicable to grant agreements.)

DHCS may, at its discretion, evaluate the performance of the Contractor at the conclusion of this Agreement. If performance is evaluated, the evaluation shall not be a public record and shall remain on file with DHCS. Negative performance evaluations may be considered by DHCS prior to making future contract awards.

24. Officials Not to Benefit

No members of or delegate of Congress or the State Legislature shall be admitted to any share or part of this Agreement, or to any benefit that may arise therefrom. This provision shall not be construed to extend to this Agreement if made with a corporation for its general benefits.

25. Four-Digit Date Compliance

(Applicable to agreements in which Information Technology (IT) services are provided to DHCS or if IT equipment is procured.)

Contractor warrants that it will provide only Four-Digit Date Compliant (as defined below) Deliverables and/or services to the State. "Four Digit Date compliant" Deliverables and services can accurately process, calculate, compare, and sequence date data, including without limitation date data arising out of or relating to leap years and changes in centuries. This warranty and representation is subject to the warranty terms and conditions of this Contract and does not limit the generality of warranty obligations set forth elsewhere herein.

26. Prohibited Use of State Funds for Software

(Applicable to agreements in which computer software is used in performance of the work.)

Contractor certifies that it has appropriate systems and controls in place to ensure that state funds will not be used in the performance of this Agreement for the acquisition, operation or maintenance of computer software in violation of copyright laws.

27. Use of Small, Minority Owned and Women's Businesses

(Applicable to that portion of an agreement that is federally funded and entered into with institutions of higher education, hospitals, nonprofit organizations or commercial businesses.)

Positive efforts shall be made to use small businesses, minority-owned firms and women's business enterprises, whenever possible (i.e., procurement of goods and/or services). Contractors shall take all of the following steps to further this goal.

- (1) Ensure that small businesses, minority-owned firms, and women's business enterprises are used to the fullest extent practicable.
- (2) Make information on forthcoming purchasing and contracting opportunities available and arrange time frames for purchases and contracts to encourage and facilitate participation by small businesses, minority-owned firms, and women's business enterprises.
- (3) Consider in the contract process whether firms competing for larger contracts intend to subcontract with small businesses, minority-owned firms, and women's business enterprises.
- (4) Encourage contracting with consortiums of small businesses, minority-owned firms and women's business enterprises when a contract is too large for one of these firms to handle individually.
- (5) Use the services and assistance, as appropriate, of such organizations as the Federal Small Business Administration and the U.S. Department of Commerce's Minority Business Development Agency in the solicitation and utilization of small businesses, minority-owned firms and women's business enterprises.

28. Alien Ineligibility Certification

(Applicable to sole proprietors entering federally funded agreements.)

By signing this Agreement, the Contractor certifies that he/she is not an alien that is ineligible for state and local benefits, as defined in Subtitle B of the Personal Responsibility and Work Opportunity Act. (8 U.S.C. 1601, et seq.)

29. Union Organizing

(Applicable only to grant agreements.)

Grantee, by signing this Agreement, hereby acknowledges the applicability of Government Code Sections 16645 through 16649 to this Agreement. Furthermore, Grantee, by signing this Agreement, hereby certifies that:

- a. No state funds disbursed by this grant will be used to assist, promote or deter union organizing.
- b. Grantee shall account for state funds disbursed for a specific expenditure by this grant, to show those funds were allocated to that expenditure.
- c. Grantee shall, where state funds are not designated as described in b herein, allocate, on a pro-rata basis, all disbursements that support the grant program.
- d. If Grantee makes expenditures to assist, promote or deter union organizing, Grantee will maintain records sufficient to show that no state funds were used for those expenditures, and that Grantee shall provide those records to the Attorney General upon request.

30. Contract Uniformity (Fringe Benefit Allowability)

(Applicable only to nonprofit organizations.)

Pursuant to the provisions of Article 7 (commencing with Section 100525) of Chapter 3 of Part 1 of Division 101 of the Health and Safety Code, DHCS sets forth the following policies, procedures, and guidelines regarding the reimbursement of fringe benefits.

- a. As used herein fringe benefits shall mean an employment benefit given by one's employer to an employee in addition to one's regular or normal wages or salary.
- b. As used herein, fringe benefits do not include:
 - (1) Compensation for personal services paid currently or accrued by the Contractor for services of employees rendered during the term of this Agreement, which is identified as regular or normal salaries and wages, annual leave, vacation, sick leave, holidays, jury duty and/or military leave/training.
 - (2) Director's and executive committee member's fees.
 - (3) Incentive awards and/or bonus incentive pay.
 - (4) Allowances for off-site pay.
 - (5) Location allowances.
 - (6) Hardship pay.
 - (7) Cost-of-living differentials
- c. Specific allowable fringe benefits include:
 - (1) Fringe benefits in the form of employer contributions for the employer's portion of payroll taxes (i.e., FICA, SUI, SDI), employee health plans (i.e., health, dental and vision), unemployment insurance, worker's compensation insurance, and the employer's share of pension/retirement plans, provided they are granted in accordance with established written organization policies and meet all legal and Internal Revenue Service requirements.
- d. To be an allowable fringe benefit, the cost must meet the following criteria:
 - (1) Be necessary and reasonable for the performance of the Agreement.
 - (2) Be determined in accordance with generally accepted accounting principles.
 - (3) Be consistent with policies that apply uniformly to all activities of the Contractor.
- e. Contractor agrees that all fringe benefits shall be at actual cost.

f. Earned/Accrued Compensation

- (1) Compensation for vacation, sick leave and holidays is limited to that amount earned/accrued within the agreement term. Unused vacation, sick leave and holidays earned from periods prior to the agreement term cannot be claimed as allowable costs. See Provision f (3)(a) for an example.
- (2) For multiple year agreements, vacation and sick leave compensation, which is earned/accrued but not paid, due to employee(s) not taking time off may be carried over and claimed within the overall term of the multiple years of the Agreement. Holidays cannot be carried over from one agreement year to the next. See Provision f (3)(b) for an example.
- (3) For single year agreements, vacation, sick leave and holiday compensation that is earned/accrued but not paid, due to employee(s) not taking time off within the term of the Agreement, cannot be claimed as an allowable cost. See Provision f (3)(c) for an example.

(a) **Example No. 1:**

If an employee, John Doe, earns/accrues three weeks of vacation and twelve days of sick leave each year, then that is the maximum amount that may be claimed during a one year agreement. If John Doe has five weeks of vacation and eighteen days of sick leave at the beginning of an agreement, the Contractor during a one-year budget period may only claim up to three weeks of vacation and twelve days of sick leave as actually used by the employee. Amounts earned/accrued in periods prior to the beginning of the Agreement are not an allowable cost.

(b) **Example No. 2:**

If during a three-year (multiple year) agreement, John Doe does not use his three weeks of vacation in year one, or his three weeks in year two, but he does actually use nine weeks in year three; the Contractor would be allowed to claim all nine weeks paid for in year three. The total compensation over the three-year period cannot exceed 156 weeks (3 x 52 weeks).

(c) **Example No. 3:**

If during a single year agreement, John Doe works fifty weeks and used one week of vacation and one week of sick leave and all fifty-two weeks have been billed to DHCS, the remaining unused two weeks of vacation and seven days of sick leave may not be claimed as an allowable cost.

31. Suspension or Stop Work Notification

- a. DHCS may, at any time, issue a notice to suspend performance or stop work under this Agreement. The initial notification may be a verbal or written directive issued by the funding Program's Contract Manager. Upon receipt of said notice, the Contractor is to suspend and/or stop all, or any part, of the work called for by this Agreement.
- b. Written confirmation of the suspension or stop work notification with directions as to what work (if not all) is to be suspended and how to proceed will be provided within 30 working days of the verbal notification. The suspension or stop work notification shall remain in effect until further written notice is received from DHCS. The resumption of work (in whole or part) will be at DHCS' discretion and upon receipt of written confirmation.
 - (1) Upon receipt of a suspension or stop work notification, the Contractor shall immediately comply with its terms and take all reasonable steps to minimize or halt the incurrence of costs allocable to the performance covered by the notification during the period of work suspension or stoppage.
 - (2) Within 90 days of the issuance of a suspension or stop work notification, DHCS shall either:
 - (a) Cancel, extend, or modify the suspension or stop work notification; or
 - (b) Terminate the Agreement as provided for in the Cancellation / Termination clause of the Agreement.

- c. If a suspension or stop work notification issued under this clause is canceled or the period of suspension or any extension thereof is modified or expires, the Contractor may resume work only upon written concurrence of funding Program's Contract Manager.
- d. If the suspension or stop work notification is cancelled and the Agreement resumes, changes to the services, deliverables, performance dates, and/or contract terms resulting from the suspension or stop work notification shall require an amendment to the Agreement.
- e. If a suspension or stop work notification is not canceled and the Agreement is cancelled or terminated pursuant to the provision entitled Cancellation / Termination, DHCS shall allow reasonable costs resulting from the suspension or stop work notification in arriving at the settlement costs.
- f. DHCS shall not be liable to the Contractor for loss of profits because of any suspension or stop work notification issued under this clause.

32. Lobbying Restrictions and Disclosure Certification

- (3) Each recipient shall file a disclosure form at the end of each calendar quarter in which there occurs any event that requires disclosure or that materially affect the accuracy of the information contained in any disclosure form previously filed by such person under Paragraph a(2) herein.
