Greetings:

The following comment was emailed to Supervisor Mikulaco on June 9, 2014.

John Thomson, Ph.D.

Dear Supervisor Mikulaco,

I am sure you are aware of agenda Item 87 (14-0141) on the June 10 board agenda.

On behalf the board of directors and the members of of Bass Lake Action Committee, I urge you to use your best efforts to obtain approval of the staff recommendation to apply the overlay funds to Bass Lake Road.

We realize that it is difficult to allocate road funds when there is so much need across the county. However, we feel that Bass lake Road sorely needs the repairs more than the other roads mentioned.

Thank you for your support.

Sincerely,

John E. Thomson, Ph.D. President Bass Lake Action Committee 501 Kirkwood Court El Dorado Hills, CA 95762 530-677-3039

Re: June 10 Agenda Item 14-0141/2014 Capital Improvement Programs

Dear Board of Supervisors:

Please approve Bass Lake Road as your number one option for consideration when applying for the Urban RSTP Funds. Bass Lake Road is currently in a significantly deteriorated condition creating driver safety issues at a time when traffic flows are increasing because of the improvements made at Serrano Parkway and Bass Lake Road intersection. We strongly believe the Bass Lake Overlay should have the highest priority item for an asphalt overlay. We urge you to support our request.

Thank you,

Herb and Kathy Prevost

El Dorado Hills, CA 95762
