

AGREEMENT FOR SERVICES 555-S1311

Therapeutic Counseling and AOD Services

THIS AGREEMENT made and entered into by and between the County of El Dorado, a political subdivision of the State of California (hereinafter referred to as “County”) and Tahoe Turning Point, Inc., a California Corporation, duly qualified to conduct business in the State of California, whose principal place of business is 2494 Lake Tahoe Boulevard, South Lake Tahoe, CA 96150 (Mailing: PO Box 17509, South Lake Tahoe, CA 96151) (hereinafter referred to as “Contractor”) and whose Agent for Service of Process is Richard Barna, 2494 Lake Tahoe Boulevard, Suite B5, South Lake Tahoe, CA 96150.

RECITALS

WHEREAS, County has determined that it is necessary to obtain a Contractor to provide therapeutic counseling and substance abuse testing services, classes, or other services on an “as requested” basis for clients referred by the County of El Dorado Health and Human Services Agency; and

WHEREAS, Contractor has represented to County that it is specially trained, experienced, expert, and competent to perform the special services required hereunder and County has determined to rely upon such representations; and

WHEREAS, it is the intent of the parties hereto that such services be in conformity with all applicable Federal, State (all references to “State” in this Agreement shall mean the State of California unless otherwise specified), and local laws; and

WHEREAS, County has determined that the provisions of these services provided by Contractor is in the public’s best interest and that these services are more economically and feasibly performed by outside independent Contractors as well as authorized by the County of El Dorado Charter, Section 210(b)(6) or Government Code 31000.

NOW, THEREFORE, County and Contractor mutually agree as follows:

ARTICLE I

Scope of Services: Contractor shall provide personnel and services necessary to provide single or multiple units or sessions of therapeutic counseling, alcohol and other drug services, substance abuse testing services, parenting classes, and/or other requested services (“service”) on an “as requested” basis to clients (“Client”) referred by County’s Health and Human Services Agency (“HHS”). Services shall only be provided following approval via signed, written Program Disbursement Authorization by HHS, hereinafter referred to as “PDA,” “HHS PDA Authorization,” “HHS Authorization,” or “Authorization,” or “PDA”). Multiple units of service (“Multiple Units”) shall be defined as one or more units of same or similar service(s) provided to Client(s) on a single day, as more fully defined under Article III “Compensation for Services.”

Furthermore:

- A. Contractor shall obtain an Authorization from HHS that has been signed by the appropriate HHS staff prior to providing any service(s) to any Client(s) detailed under “Scope of Service” or “Compensation;”
- B. Prior to providing any service(s) NOT detailed under “Scope of Service” or “Compensation” to Client(s), Contractor shall obtain an HHS Authorization that has been signed by the appropriate HHS staff and the HHS Director or a member of HHS Executive Management Team (“HHS Executive Management”);
- C. Perinatal services are not included in this Agreement unless explicitly addressed under “Scope of Services” or as otherwise pre-approved via an HHS Authorization by a member of HHS Executive Management prior to the commencement of perinatal services;
- D. HHS Executive Management (Assistant Director or above) reserves the right to review and approve for reimbursement, on a case-by-case basis, all service(s) provided by Contractor to HHS Client(s), including but not limited to services not explicitly addressed under “Scope of Services” or “Compensation;”
- E. No service shall commence without an HHS Authorization that has been signed by the appropriate HHS staff;
- F. Contractor shall not be compensated for services provided to a Client outside the authorized service dates identified on said Authorization;
- G. A copy of the HHS Authorization shall be included with the invoice containing the service it pertains to and both documents shall be submitted to HHS at the address indicated in the Article below titled “Compensation for Services.” Failure to submit a copy of the HHS Authorization with Contractor’s invoice may result in payment being withheld until said Authorization is submitted.

Whenever possible, services shall be provided by a currently Licensed Clinical Social Worker (“LCSW”) or currently licensed Marriage and Family Therapist (“MFT”) whose license has been issued and is regulated by the California Department of Consumer Affairs Board of Behavioral Sciences (“BBS”). Said license must be considered clear, i.e., license renewal fees have been paid, continuing education requirements (if applicable) have been met, and there have been no actions or revocations placed against it by the BBS.

The BBS does not have reciprocity with any other state licensing board. Therefore, any LCSW or MFT who is providing HHS approved services to a Client who is receiving services outside

California must have a current, clear license issued and regulated by the appropriate certifying agency for the state in which they are practicing.

If any service is delegated to an intern, the intern must be pre-licensed by the appropriate certifying state agency and all service assignments must be under the direct supervision of a currently licensed LCSW or MFT as described above. No intern shall be the sole author of any written initial visit report or any other report that pertains to Client or Client's treatment plan. All Client related documents must be reviewed, approved, and signed by said LCSW or MFT.

Upon Authorization by HHSA, Contractor shall provide requested services, as indicated in the Agreement, including Alcohol and Drug services as follows:

- A. A comprehensive Twelve (12) Week Alcohol and Other Drugs ("AOD") Program – Drug and Alcohol Education;
- B. A comprehensive Twelve (12) Week AOD Program – Relapse Prevention.

Prior to the admission of clients into the AOD – Drug and Alcohol Education program, clients shall be subject to an Initial Assessment at the Regular Drug Medi-Cal rate for individual counseling. There shall be no Initial Assessment for clients entering the AOD – Relapse Prevention program.

Both programs shall be "client focused," culturally appropriate, and designed to provide Client(s) the opportunity to identify, address, and develop self-management skills and strategies regarding the main issues and concerns associated with Client's identified substance misuse. AOD program service weeks do not have to be provided in consecutive order. Services may be provided in nonconsecutive order at the mutual discretion of HHSA and Contractor until the full 12-week program is completed by Client. Services shall be invoiced and pro-rated in either four (4) week increments or following the completion of four (4) group counseling sessions, whichever comes first, according to Client's actual program participation.

Pro-rated AOD program weekly rates shall not apply to Client(s) who participate in the program for only one to seven days and do not continue with the entire program. Services provided for Clients who attend for one to seven days shall be invoiced using standard service rates (i.e. Regular Drug Medi-Cal rates for therapeutic counseling and actual testing rates for drug services provided).

Pro-rated AOD program weekly rates shall also not apply to Client(s) who participate in the program more than seven (7) days but less than the four (4) week period or the four (4) group counseling sessions and do not continue with the entire program. These Client(s) shall be invoiced using AOD service rates (i.e. therapeutic counseling rates for 30-minute individual sessions at \$12.50 each session; \$27.50 for 90-minute group counseling sessions; and \$25.83 for each random drug test).

Said AOD programs shall include but not be limited to the following components:

- A. Individual counseling (6x30 minute sessions and compensated at \$12.50 per session)
- B. Group counseling (12x90 minute sessions and compensated at \$27.50 per session)
- C. Random drug tests (6x5-panel UA;1 EtG and compensated at \$25.83 per test)

Additionally, Client shall be required to attend a total of fifteen (15) Narcotics Anonymous (“NA”) and/or Alcoholic Anonymous (“AA”) meetings and shall be required to provide proof of meeting attendance to vendor. Vendor shall monitor Client’s attendance at NA or AA meetings. Contractor shall not charge County for monitoring Client’s attendance at said meetings.

All case management and report writing requirements are included in the cost of this program. Invoices shall identify the service date(s) and the number of units of service provided per Client per each service date.

Contractor shall immediately contact the appropriate staff, either by phone or in person, at no charge to County, to inform them of Client appointment no-shows, cancellations, or any other urgent concerns directly affecting Client or Client’s treatment plan.

County shall not pay for any services that have not been pre-approved by an HHSA Authorization, incomplete services, “no shows,” cancellations, telephone calls or for the preparation of initial visit reports or bimonthly Client progress reports.

Initial Visit Report - Within twenty-one calendar (21) days of Client’s initial visit, Contractor shall provide appropriate HHSA staff, at no charge to County, with a written initial visit report that shall detail Contractor’s professional evaluation of Client’s needs including the recommended type of therapy to be utilized, the recommended number/frequency of sessions and whether or not additional or different services may be required or recommended. Once recommended services have been pre-approved via an HHSA Authorization and services have been initiated by Contractor, Contractor may not make any alterations without first securing a revised HHSA Authorization from the appropriate HHSA staff.

AOD Reports – No later than thirty (30) days after the end of the initial date of Client service and each service month thereafter, Contractor shall provide the Caseworker, at no charge to the County, with a brief written progress report outlining the primary issues being addressed with each Client, their progress, and ongoing treatment goals.

Bimonthly Client Progress Reports (currently required from vendors providing services to CPS clients and on an “as requested basis” by other HHSA programs) - Contractor shall provide appropriate HHSA staff, at no charge to County, with a brief written progress report that outlines the primary issues being addressed with each Client, their progress to date and ongoing treatment goals (see Exhibit “A,” marked “Bimonthly Client Progress Report,” incorporated herein and made by reference a part hereof) no later than (30) days after the end of each Client’s second service month. A “service month” shall be defined as a calendar month during which Contractor provides Client services in accordance with “Scope of Services.” If an alternate progress report is used, all fields noted on Exhibit “A” are mandatory.

Court Documents – Upon request, and within the time limit specified by County, Contractor shall provide appropriate HHSA staff with comprehensive written reports for County’s use in court. Contractor shall be compensated for the report(s) at the DMC rate for Regular DMC individual counseling session rate with a maximum limit of a two (2) session rates charged per report. The written initial visit report is specifically excluded from the court documents

reimbursement rate, as this service shall be provided at no charge to County and as further defined under “Initial Visit Report,” above.

The above written reports are a required deliverable of this Agreement and Contractor’s failure to provide them to HHSa within the specified time limits described above may result in a significant delay in reimbursement for services until the required written reports have been received. It is a further requirement of this Agreement that all written reports submitted to HHSa shall contain the report writer’s original signature. It is recommended, but not required, that all original signatures be made using blue ink. This signature shall act as an unsworn declaration that the contents of the written report(s) are accurate.

Contractor shall submit written reports to the appropriate HHSa staff as follows:

ARTICLE II

Term: This Agreement shall become effective when fully executed by all parties hereto and shall cover a period of May 28, 2013 through May 27, 2016, unless terminated earlier pursuant to the provisions contained herein this Agreement under the Article(s) titled “Default, Termination, and Cancellation” or “Fiscal Considerations.”

ARTICLE III

Compensation for Services: Prior to the commencement of any HHSA authorized service(s), Contractor shall determine the category that Client falls under as set forth in the chart listed below:

<i>Client Insurance Category</i>	<i>Procedures to Follow to Receive Reimbursement for Services</i>

If Client’s private health insurance company does not cover the ordered service(s), Contractor shall follow the above procedures for Uninsured Clients.

After determining the proper insurance category Client falls under, and unless as otherwise defined in this Agreement, provided services shall be billed using the County standardized rate structure, which shall use the most current California Drug Medi-Cal (“DMC”) Alcohol and Drug Services Program “Regular DMC” and “Perinatal DMC” rates (collectively “DMC rates”) as its benchmark and as set forth in the chart listed below. Furthermore, for the purposes of this Agreement:

- A. It is a requirement of this Agreement that Contractor shall submit an original invoice, which shall act as an unsworn declaration that its contents have been reviewed and approved by Contractor. Photocopied or faxed invoices are not acceptable. Invoices with “white-out” types of corrections will not be accepted. If applicable, HHSA PDAs or other written authorizations for services shall be attached to invoices. Only the name(s) of Clients listed on PDA shall be listed on the invoice. Contractor shall ensure that only billing information is included on the invoice. Information related to Client(s) diagnosis, prognosis or treatment is not permitted on the invoice.

Each invoice shall contain all of the following data:

- A. Contractor name, address, and phone number.
- B. Service date(s) and number of units of service per service date.
 1. Multiple Units of Service: Contractor shall ensure that said invoice clearly documents the date and type of each unit of service.
- C. Client name(s).
 1. The name of each Client present for each individual service covered by the HHSA PDA.
 2. The names of HHSA Clients covered by the HHSA PDA being seen at the same time for each “group” type of therapy including but not limited to Group Therapy or Family Therapy.
- D. Type of service(s) provided.
- E. Agreement rate for each service provided.
 1. All fee(s) charged to County shall be in accordance with the rates as set forth in this Agreement.
- F. Total amount billed to the County of El Dorado under the subject invoice.
- G. Statement verifying Contractor has confirmed Client’s appropriate insurance category (see above chart detailing Client insurance coverage) and, if applicable, whether Contractor has billed Client’s said health insurance carrier(s) as primary health insurance carrier(s) and, for Clients with private health insurance coverage, if Contractor is only invoicing County for any private health insurance carrier-required co-pays or deductibles.

County shall not pay for any services that have not been pre-approved by HHSA via an HHSA Authorization as described above, incomplete or unsatisfactory services, “no shows,” cancellations, telephone calls, or for the preparation of initial visit reports or bimonthly Client progress reports. Contractor shall ensure that only billing information is included on the invoice. Information related to Client(s) diagnosis, prognosis or treatment is not permitted on the invoice.

Contractor is strongly advised to submit monthly invoices to HHSA along with a copy of the Authorization no later than fifteen (15) days following the end of a “service month.” For billing purposes, a “service month” shall be defined as a calendar month during which Contractor provides Client services in accordance with “Scope of Services.” Failure to submit invoices by the 15th of the month following the end of a service month, failure to attach the appropriate HHSA Authorization, failure to submit all reports required hereunder, or failure for Contractor to ensure that original invoices are submitted or that required reports contain original verifying signatures may result in payment(s) being withheld until the appropriate documents are received by staff. Receipt by HHSA of invoices and associated paperwork submitted by Contractor for payment shall not be deemed evidence of allowable costs under this Agreement. Upon request by County, Contractor may be required to submit additional or new information, which may delay reimbursement.

Invoices shall be sent as follows:

<i>For Service(s) Authorized by West Slope HHSA Staff, Please Send Invoices to:</i>	<i>For Service(s) Authorized by East Slope HHSA Staff, Please Send Invoices to:</i>

The total contractual obligation under this Agreement shall not exceed \$325,000.00 for both the stated services and term.

ARTICLE IV

Mandated Reporter Requirements: Contractor acknowledges and agrees to comply with mandated reporter requirements pursuant to the provisions of Article 2.5 (commencing with Section 11164) of Chapter 2 of Title 1 of Part 4 of the California Penal Code, also known as The Child Abuse and Neglect Reporting Act and the Welfare and Institutions Code 15630 et seq. related to elder and dependent adults, as applicable.

//

ARTICLE V

Fingerprinting: Pursuant to California Penal Code §11105.3(a), “Notwithstanding any other law, a human resource agency or an employer may request from the Department of Justice records of all convictions or any arrest pending adjudication involving the offenses specified in subdivision (1) of §15660 of the Welfare and Institutions Code of a person who applies for a license, employment, or volunteer position, in which he or she would have supervisory or disciplinary power over a minor or any person under his or her care.” Therefore, Contractor warrants that its employees, subcontractors, assignees, volunteers and any other persons who, while providing services under this Agreement, have or may have supervisory or disciplinary power over any person or minor under his or her care, have been fingerprinted in order to determine whether they have a criminal history that would compromise the safety of persons or minors with whom they have contact in the course of provision of services under this Agreement. Contractor further warrants that said employees, subcontractors, assignees, volunteers and other persons have been cleared by Contractor to perform the services described in this Agreement. All fingerprinting services shall be at Contractor’s sole expense. More specifically, Contractor agrees that:

- A. Each applicant for paid or volunteer employment by Contractor who shall or may have a supervisory or disciplinary power over a minor or any person under his or her care shall be fingerprinted in order to determine whether they have a criminal history, which would compromise the safety of such minor, or person(s) under his or her care. All fingerprinting shall be at Contractor’s sole expense.
- B. The fingerprinting process as set forth above shall be completed and the results of the process shall be obtained before any of the Contractor’s employees, subcontractors, assignees or volunteers are assigned or permitted to work with any minor or person referred to Contractor by County. Alternatively, the Contractor may set a hire date prior to obtaining fingerprinting results contingent on the applicant certifying that: (1) his or her employment application truthfully and completely discloses whether he or she has ever been convicted of a felony or misdemeanor or been on parole or probation and (2) that the applicant understands that a background check shall be conducted and that he or she shall be immediately dismissed from employment if he or she has failed to provide information regarding convictions, has provided incomplete information regarding convictions, has omitted information regarding convictions or if the fingerprinting results reveal any conviction incompatible with employment with Contractor.
- C. Contractor shall maintain, and make immediately available to County upon request, a written fingerprint certification for each employee, volunteer or applicant for paid or volunteer employment for whom fingerprinting is required as detailed above. Such certification shall state that the individual has been fingerprinted, shall provide the date of said fingerprinting, and shall state whether the process has disclosed any criminal history of the individual, which may compromise the safety of minors or other persons with whom that individual has contact. Fingerprint information received from Department of Justice (DOJ) by Contractor shall be retained or disposed of pursuant to current DOJ directives.

ARTICLE VI

Medi-Cal Screening: If applicable, Contractor shall screen 100% of referred Clients for Medi-Cal eligibility. The screening shall include, but not be limited, to:

- A. Verifying that the Medi-Cal beneficiary is eligible to receive Medi-Cal services at the time Client is referred for service; and
- B. Verifying the County of El Dorado as the responsible County; and
- C. Assessing for valid full scope aid codes; and
- D. Monthly verification of Client eligibility during the time that Contractor provides services to Client.

ARTICLE VII

Non-Discrimination: Assurance of compliance with the County of El Dorado Health and Human Services Agency non-discrimination in State and Federally assisted programs requirements as follows:

An electronic CFR (e-CFR) is available at <http://www.gpoaccess.gov/ecfr/>. The e-CFR is an unofficial editorial compilation of CFR material and *Federal Register* amendments. It is a current, daily updated version of the CFR; however, it is not an official legal edition of the CFR. Please note that on-line versions of the CFR may not be the most current available.

Contractor shall abide by manuals, directives and other guidance issued by the State of California. All appropriate manuals and updates shall be available for review or reference by Contractor from County's Health and Human Services Agency.

Contractor shall further comply with all applicable laws relating to wages and hours of employment and occupational safety and to fire, safety, and health and sanitation regulations. Such laws shall include, but not be limited to, the Copeland "Anti-Kickback" Act, the Davis-Bacon Act, the Contract Work Hours and Safety Standards Act, the Clean Air Act and amendments, the Clean Water Act and amendments, and the Federal Water Pollution Control Act.

Contractor further warrants that it has all necessary licenses, permits, notices, approvals, certificates, waivers and exemptions necessary for the provision of services hereunder and required by the laws and regulations of the United States, the State of California, the County of El Dorado and all other appropriate governmental agencies and shall maintain these throughout the term of the Agreement.

ARTICLE XVII

Conflict of Interest: The parties to this Agreement have read and are aware of the provisions of Government Code Section 1090 et seq. and Section 87100 relating to conflict of interest of public officers and employees. Contractor attests that it has no current business or financial relationship with any County employee(s) that would constitute a conflict of interest with provision of services under this contract and shall not enter into any such business or financial relationship with any such employee(s) during the term of this Agreement. County represents that it is unaware of any financial or economic interest of any public officer or employee of Contractor relating to this Agreement. It is further understood and agreed that if such a financial interest does exist at the inception of this Agreement either party may immediately terminate this Agreement by giving written notice as detailed in the Article in the Agreement titled, "Default, Termination, and Cancellation."

ARTICLE XVIII

Contractor to County: It is understood that the services provided under this Agreement shall be prepared in and with cooperation from County and its staff. It is further agreed that in all matters pertaining to this Agreement, Contractor shall act as Contractor only to County and shall not act as Contractor to any other individual or entity affected by this Agreement nor provide information in any manner to any party outside of this Agreement that would conflict with Contractor's responsibilities to County during term hereof.

ARTICLE XIX

Assignment and Delegation: Contractor is engaged by County for its unique qualifications and skills as well as those of its personnel. Contractor shall not subcontract, delegate or assign services to be provided, in whole or in part, to any other person or entity without prior written consent of County.

ARTICLE XX

Independent Contractor/Liability: Contractor is, and shall be at all times, deemed independent and shall be wholly responsible for the manner in which it performs services required by terms of this Agreement. Contractor exclusively assumes responsibility for acts of its employees, associates, and subcontractors, if any are authorized herein, as they relate to services to be provided under this Agreement during the course and scope of their employment.

Contractor shall be responsible for performing the work under this Agreement in a safe, professional, skillful, and workmanlike manner and shall be liable for its own negligence and negligent acts of its employees. County shall have no right of control over the manner in which work is to be done and shall, therefore, not be charged with responsibility of preventing risk to Contractor or its employees.

ARTICLE XXI

Fiscal Considerations: The parties to this Agreement recognize and acknowledge that County is a political subdivision of the State of California. As such, the County of El Dorado is subject to the provisions of Article XVI, Section 18 of the California Constitution and other similar fiscal and procurement laws and regulations and may not expend funds for products, equipment or services not budgeted in a given fiscal year. It is further understood that in the normal course of County business, County will adopt a proposed budget prior to a given fiscal year, but that the final adoption of a budget does not occur until after the beginning of the fiscal year.

Notwithstanding any other provision of this Agreement to the contrary, County shall give notice of cancellation of this Agreement in the event of adoption of a proposed budget that does not provide for funds for the services, products, or equipment subject herein. Such notice shall become effective upon the adoption of a final budget, which does not provide funding for this Agreement. Upon the effective date of such notice, this Agreement shall be automatically terminated and County released from any further liability hereunder.

In addition to the above, should the Board of Supervisors during the course of a given year for financial reasons reduce, or order a reduction, in the budget for any County department for which services were contracted to be performed, pursuant to this paragraph in the sole discretion of the County, this Agreement may be deemed to be canceled in its entirety subject to payment for services performed prior to cancellation.

ARTICLE XXII

Changes to Agreement: This Agreement may be amended by mutual consent of the parties hereto. Said amendments shall become effective only when in writing and fully executed by duly authorized officers of the parties hereto.

ARTICLE XXIII

Default, Termination, and Cancellation:

- A. **Default:** Upon the occurrence of any default of the provisions of this Agreement, a party shall give written notice of said default to the party in default (notice). If the party in default does not cure the default with ten (10) days of the date of notice (time to cure), then such party shall be in default. The time to cure may be extended at the discretion of the party giving notice. Any extension of time to cure must be in writing, prepared by the party in default for signature by the party giving notice, and must specify the reason(s) for the extension and the date on which the extension of time to cure expires. Notice given under this section shall specify the alleged default and the applicable Agreement provision and shall demand that the party in default perform the provisions of this Agreement within the applicable period of time. No such notice shall be deemed a termination of this Agreement unless the party giving notice so elects in this notice, or the party giving notice so elects in a subsequent written notice after the time to cure has expired.
- B. **Bankruptcy:** This Agreement, at the option of County, shall be terminable in the case of bankruptcy, voluntary or involuntary, or insolvency of Contractor.
- C. **Ceasing Performance:** County may terminate this Agreement in the event the other party ceases to operate as a business or otherwise becomes unable to substantially perform any term or condition of this Agreement.
- D. **Termination or Cancellation Without Cause:** County may terminate this Agreement in whole or in part upon seven (7) calendar days upon written notice by County without cause to the other party for any reason. If such prior termination is effected, County shall pay for satisfactory services rendered prior to the effective dates as set forth in the Notice of Termination provided to Contractor, and for such other services, which County may agree to in writing as necessary for contract resolution. In no event, however, shall County be obligated to pay more than the total amount of the contract. Upon receipt of a Notice of Termination, Contractor shall promptly discontinue all services affected, as of the effective date of termination set forth in such Notice of Termination, unless the notice directs otherwise.

ARTICLE XXIV

Change of Address: In the event of a change in address for Contractor's principal place of business, Contractor's Agent for Service of Process, or Notices to Contractor, Contractor shall notify County in writing pursuant to the provisions contained herein this Agreement under the Article titled "**Notice to Parties.**" Said notice shall become part of this Agreement upon acknowledgment in writing by the County Contract Administrator, and no further amendment of the Agreement shall be necessary provided that such change of address does not conflict with any other provisions of this Agreement.

WHEREAS, County and Contractor (hereinafter referred to as Business Associate (“BA”) entered into the Underlying Agreement pursuant to which BA provides services to County, and in conjunction with the provision of such services, certain Protected Health Information (“PHI”) and Electronic Protected Health Information (“EPHI”) may be disclosed to BA for the purposes of carrying out its obligations under the Underlying Agreement; and

WHEREAS, the County and BA intend to protect the privacy and provide for the security of PHI and EPHI disclosed to BA pursuant to the Agreement in compliance with the Health Insurance Portability and Accountability Act, Pub. No. 104-191 of 1996 (“HIPAA”), the Health Information Technology for Economic and Clinical Health Act, Public Law 111-005 (the “HITECH” Act), and regulation promulgated thereunder by the U.S. Department of Health and Human Services (the “HIPAA Regulations”) and other applicable laws as may be amended from time to time; and

WHEREAS, County is a Covered Entity, as defined in the Privacy Rule and Security Rule, including but not limited to 45 CFR Section 160.103 ; and

WHEREAS, BA, when a recipient of PHI from County, is a Business Associate as defined in the Privacy Rule, the Security Rule, and the HITECH Act, including but not limited to 42 USC Section 17938 and 45 CFR Section 160.103; and

WHEREAS, “Individual” shall have the same meaning as the term “individual” in 45 CFR § 164.501 and shall include a person who qualifies as a personal representative in accordance with 45 CFR § 164.202(g);

WHEREAS, “Breach” shall have the meaning given to such term under the HITECH Act under 42 USC Section 17921; and

WHEREAS, “Unsecured PHI” shall have the meaning to such term under the HITECH Act and any guidance issued pursuant to such Act including, but not limited to 42 USC Section 17932(h).

NOW, THEREFORE, in consideration of the mutual promises and covenants contained herein, the Parties agree as follows:

1. **Definitions.** Unless otherwise provided in this Business Associate Agreement, capitalized terms shall have the same meanings as set forth in the Privacy Rule, as may be amended from time to time.

2. Scope of Use and Disclosure by BA of County Disclosed PHI

- A. BA shall not disclose PHI except for the purposes of performing BA's obligations under the Underlying Agreement. Further, BA shall not use PHI in any manner that would constitute a violation of the minimum necessary policies and procedures of the County, Privacy Rule, Security Rule, or the HITECH Act.
- B. Unless otherwise limited herein, in addition to any other uses and/or disclosures permitted or authorized by this Business Associate Agreement or required by law, BA may:
- (1) use the PHI in its possession for its proper management and administration and to fulfill any legal obligations.
 - (2) disclose the PHI in its possession to a third party for the purpose of BA's proper management and administration or to fulfill any legal responsibilities of BA, or as required by law
 - (3) disclose PHI as necessary for BA's operations only if:
 - (a) prior to making a disclosure to a third party, BA will obtain written assurances from such third party including:
 - (i) to hold such PHI in confidence and use or further disclose it only for the purpose of which BA disclosed it to the third party, or as required by law; and,
 - (ii) the third party will immediately notify BA of any breaches of confidentiality of PHI to extent it has obtained knowledge of such breach.
 - (4) aggregate the PHI and/or aggregate the PHI with that of other data for the purpose of providing County with data analyses related to the Underlying Agreement, or any other purpose, financial or otherwise, as requested by County.
 - (5) not disclose PHI disclosed to BA by County not authorized by the Underlying Agreement or this Business Associate Agreement without patient authorization or de-identification of the PHI as authorized in writing by County.
 - (6) de-identify any and all PHI of County received by BA under this Business Associate Agreement provided that the de-identification conforms to the requirements of the Privacy Rule, 45 CFR and does not preclude timely payment and/or claims processing and receipt.
- C. BA agrees that it will neither use nor disclose PHI it receives from County, or from another business associate of County, except as permitted or required by this Business Associate Agreement, or as required by law, or as otherwise permitted by law.

3. **Obligations of BA.** In connection with its use of PHI disclosed by County to BA, BA agrees to:
- A. Implement appropriate administrative, technical, and physical safeguards as are necessary to prevent use or disclosure of PHI other than as permitted by the Agreement that reasonably and appropriately protects the confidentiality, integrity, and availability of the PHI in accordance with 45 CFR 164.308,164.310,164.312, and 164.504(e)(2). BA shall comply with the policies and procedures and documentation requirements of the HIPAA Security Rule.
 - B. Report to County within 24 hours of any suspected or actual breach of security, intrusion, or unauthorized use or disclosure of PHI of which BA becomes aware and/or any actual or suspected use or disclosure of data in violation of any applicable federal or state laws or regulations. BA shall take prompt corrective action to cure any such deficiencies and any action pertaining to such unauthorized disclosure required by applicable federal and state laws and regulations.
 - C. Report to County in writing of any access, use or disclosure of PHI not permitted by the Underlying Agreement and this Business Associate Agreement, and any Breach of Unsecured PHI of which it becomes aware without unreasonable delay and in no case later than five (5) days. To the extent the Breach is solely a result of BA's failure to implement reasonable and appropriate safeguards as required by law, and not due in whole or part to the acts or omissions of the County, BA may be required to reimburse the County for notifications required under 45 CFR 164.404 and CFR 164.406.
 - D. BA shall not use or disclose PHI for fundraising or marketing purposes. BA shall not disclose PHI to a health plan for payment or health care operations purposes if the patient has requested this special restriction, and has paid out of pocket in full for the health care item or service to which the PHI solely relates. BA shall not directly or indirectly receive remuneration in exchange of PHI, except with the prior written consent of the County and as permitted by the HITECH Act, 42 USC Section 17935(d)(2); however, this prohibition shall not affect payment by County to BA for services provided pursuant to the Agreement.
4. **PHI Access, Amendment and Disclosure Accounting.** BA agrees to:
- A. Provide access, at the request of County, within five (5) days, to PHI in a Designated Record Set, to the County, or to an Individual as directed by the County. If BA maintains an Electronic Health Record, BA shall provide such information in electronic format to enable County to fulfill its obligations under the HITECH Act, including, but not limited to, 42 USC Section 17935(e).

- B. Within ten (10) days of receipt of a request from County, incorporate any amendments or corrections to the PHI in accordance with the Privacy Rule in the event that the PHI in BA's possession constitutes a Designated Record Set.
 - C. To assist the County in meeting its disclosure accounting under HIPAA:
 - (1) BA agrees to implement a process that allows for an accounting to be collected and maintained by BA and its agents or subcontractors for at least six (6) years prior to the request. However, accounting of disclosure from Electronic Health Record for treatment, payment, or health care operations purposes are required to be collected and maintained for only three (3) years prior to the request, and only to the extent that BA maintains an electronic health record and is subject to this requirement. At the minimum, the information collected shall include: (i) the date of disclosure; (ii) the name of the entity or person who received PHI and, if know, the address of the entity or person; (iii) a brief description of PHI disclosed and; (iv) a brief statement of purpose of the disclosure that reasonably informs the individual of the basis for the disclosure, or a copy of the individual's authorization, or a copy of the written request for disclosure.
 - (2) Within in 30 days of notice by the County, BA agrees to provide to County information collected in accordance with this section to permit the County to respond to a request by an Individual for an accounting of disclosures of PHI.
 - D. Make available to the County, or to the Secretary of Health and Human Services (the "Secretary") , BA's internal practices, books and records relating to the use of and disclosure of PHI for purposes of determining BA's compliance with the Privacy Rule, subject to any applicable legal restrictions. BA shall provide County a copy of any PHI that BA provides to the Secretary concurrently with providing such information to the Secretary.
5. Obligations of County.
- A. County agrees that it will promptly notify BA in writing of any restrictions on the use and disclosure of PHI agreed to by County that may affect BA's ability to perform its obligations under the Underlying Agreement, or this Business Associate Agreement.
 - B. County agrees that it will promptly notify BA in writing of any changes in, or revocation of, permission by any Individual to use or disclose PHI, if such changes or revocation may affect BA's ability to perform its obligations under the Underlying Agreement, or this Business Associate Agreement.
 - C. County agrees that it will promptly notify BA in writing of any known limitation(s) in its notice of privacy practices to the extent that such limitation may affect BA's use of disclosure of PHI.

- D. County shall not request BA to use or disclose PHI in any manner that would not be permissible under the Privacy Rule if done by County, except as may be expressly permitted by the Privacy Rule.
- E. County will obtain any authorizations necessary for the use or disclosure of PHI, so that BA can perform its obligations under this Business Associate Agreement and/or the Underlying Agreement.

6. Term and Termination.

- A. **Term.** This Business Associate Agreement shall commence upon the Effective Date and terminate upon the termination of the Underlying Agreement, as provided therein when all PHI provided by the County to BA, or created or received by BA on behalf of the County, is destroyed or returned to the County, or, or if it is infeasible to return or destroy PHI, protections are extended to such information, in accordance with the termination provisions in this Section.
- B. **Termination for Cause.** Upon the County's knowledge of a material breach by the BA, the County shall either:
 - (1) Provide an opportunity for the BA to cure the breach or end the violation and terminate this Agreement if the BA does not cure the breach or end the violation within the time specified by the County.
 - (2) Immediately terminate this Agreement if the BA has breached a material term of this Agreement and cure is not possible; or
 - (3) If neither termination nor cures are feasible, the County shall report the violation to the Secretary.
- C. **Effect of Termination.**
 - (1) Except as provided in paragraph (2) of this section, upon termination of this Agreement, for any reason, the BA shall, at the option of County, return or destroy all PHI that BA or its agents or subcontractors still maintain in any form, and shall retain no copies of such PHI.
 - (2) In the event that the County determines that returning or destroying the PHI is infeasible, BA shall provide to the County notification of the conditions that make return or destruction infeasible, and . BA shall extend the protections of this Agreement to such PHI to those purposes that make the return or destruction infeasible, for so long as the BA maintains such PHI. If County elects destruction of the PHI, BA shall certify in writing to County that such PHI has been destroyed.

7. Indemnity

- A. BA shall indemnify and hold harmless all Agencies, Districts, Special Districts and Departments of the County, their respective directors, officers, Board of Supervisors, elected and appointed officials, employees, agents and representatives (collectively "County") from any liability whatsoever, based or asserted upon any services of BA, its officers, employees, subcontractors, agents or representatives arising out of or in any way relating to BA's performance under this Business Associate Agreement, including but not limited to property damage, bodily injury, or death or any other element of any kind or nature whatsoever including fines, penalties or any other costs and resulting from any reason whatsoever to the extent arising from the performance of BA, its officers, agents, employees, subcontractors, agents or representatives under this Business Associate Agreement. BA shall defend, at its sole expense, all costs and fees including but not limited to attorney fees, cost of investigation, defense and settlements or awards against the County in any claim or action based upon such alleged acts or omissions.
- B. With respect to any action or claim subject to indemnification herein by BA, BA shall, at its sole cost, have the right to use counsel of its choice, subject to the approval of County, which shall not be unreasonably withheld, and shall have the right to adjust, settle, or compromise any such action or claim without the prior consent of County; provided, however, that any such adjustment, settlement or compromise in no manner whatsoever limits or circumscribes BA's indemnification of County as set forth herein. BA's obligation to defend, indemnify and hold harmless County shall be subject to County having given BA written notice within a reasonable period of time of the claim or of the commencement of the related action, as the case may be, and information and reasonable assistance, at BA's expense, for the defense or settlement thereof. BA's obligation hereunder shall be satisfied when BA has provided to County the appropriate form of dismissal relieving County from any liability for the action or claim involved.
- C. The specified insurance limits required in the Underlying Agreement of this Business Associate Agreement shall in no way limit or circumscribe BA's obligations to indemnify and hold harmless the County herein from third party claims arising from the issues of this Business Associate Agreement.
- D. In the event there is conflict between this clause and California Civil Code Section 2782, this clause shall be interpreted to comply with Civil Code Section 2782. Such interpretation shall not relieve the BA from indemnifying the County to the fullest extent allowed by law.
- E. In the event there is a conflict between this indemnification clause and an indemnification clause contained in the Underlying Agreement of this Business Associate Agreement, this indemnification shall only apply to the subject issues included within this Business Associate Agreement.

8. Amendment The parties agree to take such action as is necessary to amend this Business Associate Agreement from time to time as is necessary for County to comply with the Privacy Rule, 45 CFR, and HIPAA generally.
9. Survival The respective rights and obligations of this Business Associate Agreement shall survive the termination or expiration of this Business Associate Agreement.
10. Regulatory References A reference in this Business Associate Agreement to a section in the Privacy Rule means the section as in effect or as amended.
11. Conflicts Any ambiguity in this Business Associate Agreement and the Underlying Agreement shall be resolved to permit County to comply with the Privacy Rule, 45 CFR, and HIPAA generally.
