Re: Remove the Shingle Springs Community Region from the General Plan and create a Shingle Springs Community Plan Request  
September 30, 2013 Agenda Items #5 and #6

Dear Supervisors:

In the past year, the Shingle Springs community has *volunteered thousands of hours* to defend our lifestyle and keep Shingle Springs rural. The community has spoken loud and clear to the Board of Supervisors! How much more of our time will you take? How many more days off of work will Shingle Springs residents need to take before the Board acts on our requests? Please stop this circus and take action now!

On September 30, 2013:

**Do Not Approve Agenda Item #5** – do not defer initiation of a new process to amend the General Plan relative to Community Region Boundary Lines.

**Approve Agenda Item #6** approve this Policy immediately so that projects requiring a General Plan amendment will come before the Board for a hearing to decide if they warrant further processing.

***Start the process to deny the San Sino and Tilden Park projects and to remove the Community Region Line from Shingle Springs.***

Thank you for your consideration.

Sincerely,

Jill A. Lamer
