3.1 County acknowledges that the Program administered hereunder is a prescription drug savings program under which its Participants will receive preferred pricing for certain prescription drugs dispensed by a Participating Pharmacy ("Program Services"). Participants are solely responsible for the payment in full of all drug costs and fees charged by the pharmacy. Neither Envision nor County shall be liable for the payment of any drugs, supplies, or other items dispensed to Participants.

3.2 The Program is being offered and administered by Envision. County acknowledges that the Program is not insurance, County shall not describe the Program as insurance in any printed or electronic media, and no enrollment fee or other periodic fee will be charged to Participants for the use of the Program.

4. **Program Administration Services.** Envision will perform the following "Program Administration Services" under this Agreement:

4.1 **Rx Cards.** Envision shall design the Rx Cards to be distributed to the Participants. All cards or card images must contain certain statements and disclaimers on the front or back of the card which include, but may not be limited to, the following: (i) The name and/or logo of the Program; (ii) the phone number for customer service; (iii) the Program's website address; (iv) a prominent statement in at least 12 pt. type that "THIS IS NOT HEALTH INSURANCE", (v) a statement that "This Is A Free Card And May Not Be Sold", and (vi) Void where prohibited by law. Envision shall provide County with a sample of the printed Rx Card for approval prior to card production.

4.2 **Pharmacy Network.** Envision shall arrange for the dispensing of Eligible Drugs to Participants pursuant to contracts with Participating Pharmacies. County acknowledges that the pharmacy network may change from time to time. Envision shall update the list of Participating Pharmacies to reflect any changes in the network, including pharmacy addresses and telephone numbers. County acknowledges that the availability of drugs is subject to market conditions and that Envision cannot, and does not, assure the availability of any drug from any Participating Pharmacy.

4.3 **Customer Service.** Envision shall maintain and operate a "Help Desk" with toll-free customer service numbers adequately staffed with trained personnel for call volume during normal business hours for the use by Participants and Participating Pharmacies to resolve technical problems. County acknowledges that Help Desk personnel will not quote drug prices over the telephone, as the actual price of the purchased drug may differ from pharmacy to pharmacy.

4.4 **Transaction Processing.** Envision shall electronically process Transactions for Eligible Drugs dispensed by Participating Pharmacies to Participants. Envision shall pass through to Participants, at the point-of-sale, 100% of its negotiated discounts with Participating Pharmacies for the Program. No edits or conditions will be applied to Transactions other than as indicated herein.

4.5 **Dispensing Fee.** Envision shall direct Participating Pharmacies (via its computer system) to collect a Dispensing Fee from Participants in addition to the negotiated price of the Eligible Drug, except for those drugs where the Participating Pharmacy's U&C Price is equal to or less than the negotiated drug price plus the Dispensing Fee. In those cases where the U&C Price is equal to or less than the negotiated drug price plus the Dispensing Fee, the Participating Pharmacy will be directed to charge the Participant only the U&C Price.

4.6 Reporting. Envision will provide to County detailed monthly reports showing the number of Transactions and the aggregate amount of savings to Participants for those Transactions, and such other reports as reasonably requested by County; provided, however, that such reports are not made public without prior written permission of Envision.

4.7 Website Hosting. Envision will create and host a website customized for the Program which includes a participating pharmacy locator, drug pricing calculator, and Program terms and conditions. Envision and the County shall make reasonable efforts to identify and contact prospective Participants using new and existing methods of written and electronic communication with prospective Participants, including, but not limited to, newsletters, announcements, and County's website. Envision shall print Rx Cards per Envision's current print specifications and/or make same available for download from County's website, and make reasonable efforts to distribute Rx Cards to prospective Participants. Envision acknowledges that all promotional or informational materials must be pre-approved by the County.

4.9 Distribution. County acknowledges and agrees that the Rx Cards shall be provided by Envision to the prospective participants free of charge and County shall not sell the Rx Cards or otherwise receive any consideration from the prospective participants or any third parties for the Rx Cards.

Should Envision receive information from a state regarding County and the services being provided, then Envision may ask County to cease providing services in that state if directed so by the regulatory body in that State and County shall comply.

18. **Modifications.** This Agreement may not be modified, amended or otherwise altered whatsoever, except by written instrument executed by the parties.

19. **Severability of Provisions.** Except as otherwise provided herein, if any provision of this Agreement is determined to be illegal, invalid or unenforceable under present or future laws, such provision shall be fully severable; this Agreement shall be construed and enforced as to such jurisdiction only as if such illegal, invalid or unenforceable provision had never comprised a part of this Agreement; and the remaining provisions of this Agreement shall remain in full force and effect and shall not be affected by the illegal, invalid or unenforceable provision or by its severance from this Agreement.

20. **Controlling Law.** The laws of the State of California shall govern the construction and enforcement of this Agreement. Venue for disputes shall be El Dorado County, California.
