Good Morning Elizabeth,

I will not be applying for a new appointment to LPC. I have learned a lot, but I don't feel as if I have contributed much other than helping you have a quorum, (and not even that this past year).

I have enjoyed meeting all of the fantastic, dedicated ladies seating around the room, and will continue to be a champion for the good work that the council does.

I look forward to staying abreast of what is happening in Early Care and Childhood Education through your involvement with EDC2.

Thanks for the opportunity,

Ellen Vaughn, C.O.O.
