Notwithstanding any other provision of this Agreement to the contrary, County shall give notice of cancellation of this Agreement in the event of adoption of a proposed budget that does not provide for funds for the services, products or equipment subject herein. Such notice shall become effective upon the adoption of a final budget which does not provide funding for this Agreement. Upon the effective date of such notice, this Agreement shall be automatically terminated and County released from any further liability hereunder.

In addition to the above, should the Board of Supervisors during the course of a given year for financial reasons reduce, or order a reduction, in the budget for any County department for which services were contracted to be performed, pursuant to this paragraph in the sole discretion of the County, this Agreement may be deemed to be canceled in its entirety subject to payment for services performed prior to cancellation.

ARTICLE X

Audit by California State Auditor: Contractor acknowledges that if total compensation under this agreement is greater than \$10,000.00, this Agreement is subject to examination and audit by the California State Auditor for a period of three (3) years, or for any longer period required by law, after final payment under this Agreement, pursuant to California Government Code §8546.7. In the event of termination for default, County reserves the right to take over and complete the work by contract or by any other means.

If such prior termination is effected, County will pay for satisfactory services rendered prior to the effective dates as set forth in the Notice of Termination provided to Contractor, and for such other services, which County may agree to in writing as necessary for contract resolution. In no event, however, shall County be obligated to pay more than the total amount of the contract. CURRICULUM DESCRIPTIONS

INDIVIDUALIZED LEARNING HIGH SCHOOL DIPLOMA PROGRAM

Instructors at each location will make good faith efforts to locate and review each student’s high school transcript as available to create a custom path to earning an adult high school diploma. Curriculum for this program will be based on:

Online Digital Diploma Curriculum – e.g., *Apex Learning*

- Provides an online diploma program, including credit recovery and acceleration options
- Allows instruction at three different literacy levels, including Literacy Advantage, which provides material at a lowered reading level to support students who are not yet proficient in reading.

- Allows students to move at their own pace, while benefitting from continual guidance and feedback provided by the opt-in support

INDIVIDUALIZED LEARNING GENERAL EDUCATION DEVELOPMENT TEST PROGRAM

Assess each student in areas needed to pass the GED, including providing a custom program to remediate learning gaps and provide enhanced teaching tools and software to address individual learning needs while giving teachers the ability to track both individual and class progress.

GED Preparation Curriculum – e.g., *GED Academy*:
