Cindy,

Per our conversation earlier, a appeal hearing is scheduled on Tuesday, February 7, 2012, 2:00 pm, Administrative Order C20253/Olmstead.

The appellant, Dena Kohutek is requesting the item be continued to June 5, 2012 because the neighborhood is trying to resolve the matter among themselves. In addition, if this matter is not brought back before the Board of Supervisors prior to June 5, 2012, then it will be considered void.

Enclosed is a letter of request from Ms. Kohutek.

Thank you,

Kitty Miller for

**Re: Request of Continuance**

On January 9, 2012, an appeal form was submitted to the El Dorado County Planning Department regarding the Administrative Order C#20253 addressing Assessor's Parcel Number 093-200-05, with the appropriate appeal fee paid in full.

Issues concerning the appeal were addressed at neighborhood meeting that was conducted at 6656 Mount Aukum Rd., Somerset, California, on January 28, 2012. Supervisor Ray Nutting was present, representing all residents regarding results from an Administrative Hearing Order held on December 9, 2011.

Following a very successful meeting with the assistance and advice from Mr. Nutting, the neighborhood feels that the complaints and issues listed in the appeal form can be resolved amongst themselves.

I hereby respectfully request a Continuance of Appeal in regards to Ms. Linda Olmstead and Administrative Order (C#20253/Olmstead ). She verbally agreed to address the issues/complaints outlined in the appeal. I sincerely hope these will be completed in a timely manner by Ms. Olmstead.

It is my understanding that this Request of Continuance is in effect immediately and is for an indefinite period of time.

I sincerely appreciate the help and advice from all departments in El Dorado County.

If my information is incorrect, please advise me immediately.

Respectfully,

Dena Kohutek
