To Whom It May Concern:

I just received a letter informing me of a public hearing in two days.....

We are a residential zoned area, why do you allow a business to operate in our residential neighborhood? Operating 7 days a week.

Why are you allowing a business in the first place and why do their employees need to live there? Don't they have their own homes to go to? Or are they even suppose to be here?

Who's in charge?

This really is not right, if I make a stand then I have trouble with the people on the other side of the fence. I have lived in my home for 28 years, long before this business and these people arrived.

This is not right on any level.

Thank You
