El Dorado County Board of Supervisors, I am unable to attend the scheduled October 28 meeting for the Meyers Plan. I did attend all the meetings that are scheduled in evenings that began last winter/spring. It seems the daytime meetings are for the convenience of those who are professional planners, government officials. This scheduling seems to thwart the participation of we citizens who cannot take off during the business day.

We residents of Meyers made it clear in the meetings of winter/spring of the things we wanted and did not want. These endless meetings, scheduled at a time residents are unable to attend are stalling devices to push through the plans of bureaucrats and developers. Please follow the wishes and plans of your constituents and stop with these endless meetings.

Sincereley,

SDK
