This is to voice my opposition to allowing the rezoning of the area of assessor's parcel numbers 115-040-06 and 115-040-08. RUSD has enough capacity to support over 5400 students and a current enrollment of about 3600 students. Allowing this to go through would be a waste of tax payer money, not to mention the county improvements needed to support this site.
