NOTICE OF PUBLIC HEARING
The County of El Dorado Planning Commission will hold a continuous public hearing in
the Board of Supervisors Chambers, 330 Fair Lane, Building A, Placerville, CA 95667
beginning on August 4, 2014, at 5:00 p.m., on the Targeted General Plan Amendment-
Zoning Ordinance Update (TGPA-ZOU) to receive public comment and prepare a
recommendation to the Board of Supervisors for consideration at the project hearing,
anticipated to be held in October 2014. The County is proposing targeted amendments
to certain General Plan policies (TGPA) and a comprehensive update to the Zoning
Ordinance (ZOU) to bring it into conformance with the General Plan as required by
Government Code 65860. The purpose of the proposed TGPA-ZOU is to reduce
constraints to the development of moderately-priced housing, support job creation,
capture more sales tax revenues, and protect and promote agriculture and natural
resources. The project does not include any site-specific development proposals. This
project is limited to the unincorporated portions of the county. The project would take
effect county-wide in those areas that are under County jurisdiction including county
lands outside the cities of Placerville and South Lake Tahoe that are not under the
jurisdiction of federal or state agencies or tribal lands. Communities that would be
affected include: Cameron Park, Camino, Diamond Springs, El Dorado, El Dorado
Hills, greater Placerville, Pollock Pines, Shingle Springs, and north and south county
rural communities. (Environmental Impact Report prepared)
