Revocation Hearing on Special Use Permit S78-0016 to determine if approved use ceased for greater than one year for any reason thereby causing the permit to expire by operation of law pursuant to Ordinance Section 130.22.260.A. Separately, if the Conditions of Approval have been violated or lack substantial compliance, the permit may be revoked pursuant to Ordinance Section 130.22.260.B. Special Use Permit Revision S78-0016-R/Tunnel Electric submitted by ERIK MARTIN to allow expansion of a home occupation to include three employees in addition to the property owner. The item was heard at the March 12, 2015 Planning Commission hearing. At the conclusion of the hearing a motion was made to continue the special use permit revision off-calendar to coincide with a hearing on the expiration determination of the original Special Use Permit. This was based on evidence presented by the public that the use ceased to exist at the site for greater than one year. If Special Use Permit S78-0016 is revoked, this request for a revision to the permit would be considered moot. The property, identified by Assessor's Parcel Number 070-250-45, consisting of 2.96 acres, is located at the west end of Mineshaft Court, approximately 800 feet southwest of the intersection with Ponderosa Road, in the Shingle Springs area, Supervisorial District 4.
