CALIFORNIA LEGISLATURE— 2015–2016 REGULAR SESSION

ASSEMBLY BILL

No. 1549

Introduced by Assembly Member Wood

September 11, 2015

An act to add Section 14051 to the Government Code, relating to highways.

LEGISLATIVE COUNSEL'S DIGEST

AB 1549, as amended, Wood. Department of Transportation: state highway rights-of-way: ~~fiber-optic~~ *fiber optic* cables: inventory.

Existing law provides that the Department of Transportation has full possession and control of state highways and associated property. Existing law provides for the department to issue encroachment permits with respect to structures and activities in, under, or over any portion of the right-of-way of a state highway.

This bill would require the department to maintain an inventory of all conduits owned by the department that house ~~fiber-optic~~ *fiber optic* communication cables, that are located on state highway rights-of-way, and that were installed on or after January 1, 2017, and to make that information available ~~to the public upon request~~ *upon request of verified companies or organizations working on broadband deployment*.

THE PEOPLE OF THE STATE OF CALIFORNIA DO ENACT AS FOLLOWS:

SECTION 1. Section 14051 is added to the Government Code, to read:

14051. The department shall maintain an inventory of all conduits owned by the department that house ~~fiber-optic~~ *fiber optic* communication cables, that are located on state highway rights-of-way, and that were installed on or after January 1, 2017. The department shall make the information available ~~to the public upon request~~ *upon request of verified companies or organizations working on broadband deployment*.
