**Statement of Work**  
**Project: CA FLAP ED CR147(2) – Ice House Road**  
**Reimbursable Agreement No.: DTFH68-15-E-00034**  
**Modification #001**  
**May 16, 2016**

**I. Introduction:** The County of El Dorado, CA will provide funding for development of a scoping report, project agreement, and project delivery plan including a design statement of work and project cost estimates to the Federal Highway Administration, Central Federal Lands Highway Division (CFLHD) for the CA FLAP ED CR147(2), Ice House Road project. The County of El Dorado, CA will also provide funding for preliminary engineering, construction, and construction engineering to CFLHD for the CA FLAP ED CR147(2), Ice House Road project. The County of El Dorado shall be referred to as the Requesting Agency and CFLHD shall be referred to as the Servicing Agency.

**II. Location:** From Pickett Pen Road (MP 15.64) to the northern intersection of Wentworth Springs Road (MP 23.94) for a distance of 8.3 miles in the County of El Dorado, CA.

**III. Work Required:** For the CA FLAP ED CR147(2) – Ice House Road project, as selected by the Programming Decisions Committee (PDC) in the state of California, develop a scoping report, project agreement and project delivery plan including a design statement of work and project cost estimates for design, construction engineering and construction. Develop contract (plans, specifications, and estimate) for the advertisement and award of a construction project to complete this work. Provide contract administration and construction engineering services. The project will include preliminary engineering, construction and construction engineering of the Ice House Road from Pickett Pen Road, MP 15.64, to the northern intersection of Wentworth Springs Road, MP 23.94, for a distance of 8.3 miles. The current asphalt surface is in an advanced state of deterioration. The project is to reconstruct 8.3 miles of existing two lane paved roadway to a width of 24 feet. The general scope of improvements includes milling and pulverizing existing pavement, new asphalt surface with 11-foot lanes and 1-foot shoulders, minor drainage structure improvements, minor embankment stabilization in select areas, clearing, grubbing, signing, pavement markings, delineation, and other safety-related features necessary to meet current design practice. This Agreement documents the intent of the parties and commits the Requesting Agency to provide its share of costs.

**IV. Non-Federal Share of Costs:** It is estimated that Federal Lands Access Program, funding will be used to fund preliminary engineering (including NEPA compliance), construction and construction engineering as follows:

Preliminary Engineering, construction, and construction engineering: approximate costs, escalated to program year 2020, estimated at \$9,597,500.

\*\* The local match for scoping costs is calculated at 11.47%. The local match for Preliminary Engineering, Construction Engineering, and Construction are calculated at 14.37% of costs. Overall, El Dorado County will be responsible for local cash match of 14.35% of the total project costs.

## Costs for CN and CE have been escalated to program year 2020 at 2% per year.

The Requesting Agency will provide matching funds in the amount of 11.47% of Scoping costs, and matching funding funds in the amount of 14.37% of the remainder of the costs required to complete the preliminary engineering and NEPA work described in this agreement. The local match amount for this work is estimated at \$91,665.

The Requesting Agency will provide matching funds in the amount of 14.37% of the total costs required to award the contract and for construction engineering (administration and oversight of the contract). The local match amount for this work is estimated at \$1,160,377.

A contingency of 10% has been added to this agreement to account for variations in the preliminary and construction engineering as well as variations in the bidding of this contract. The local match amount for this contingency is estimated at \$125,204.

The total not to exceed matching amount for this agreement is \$1,377,246.

With the exception of funds made available under the Tribal Transportation Program, 23 U.S.C. § 202, and the Federal Lands Transportation Program, 23 U.S.C. § 203, funds made available under Titles 23 and 49, United States Code, may not be used by El Dorado County to pay the non-Federal share of the project.
