- I. **Background:** The County of El Dorado, hereinafter referred to as the "County," is topographically divided into two zones: The northeast corner of the County is in the Lake Tahoe basin and is commonly referred to as the "East Slope" of the County, while the remainder of the County is in the area west of Echo Summit or "West Slope" of the County. The United States Census estimates that, as of 2014, the population of El Dorado County was 183,087. Of the 183,087 residents, 450 were enrolled in Medi-Cal during 2014-15.

Within the Community Services Division, the Office of the Public Guardian currently provides Targeted Case Management (TCM) for clients. The Public Health Division provides outreach to the community for health care services, and the Mental Health Division is assessing the need for outreach and community engagement for the homeless in need of health care services.

- II. **Scope of Services:** The successful Proposer will be required to enter into an agreement for services with the County substantially similar in form to that attached hereto as Exhibit "A," marked "Sample Agreement for Services." training on use, training on administrative functions, as well as ongoing support and maintenance of the system. The Proposer will provide training and ongoing quality assurance to maximize the efficiency and accuracy of the MAA/TCM program, as well as developing and providing an annual Cost Report for MAA/TCM activities, and audit assistance and support as needed.
