I waived the deficiencies for both parties.

Thanks.

Please check on these two Airport Hanger Insurances in Ebix. I'm hoping you will be able to waive the deficiencies for the following:

1) Steve Foster Family Living Trust (292929). Ebix shows major deficiencies. First they say it's missing General Liability - which isn't required for Airport Hangar contracts; and secondly, the auto certificate is not signed (but is only a declaration page proving auto is current & at correct limits) and

2) John or Donna McPherson, Trustees Revocable Trust (303030). Again, Ebix shows major deficiencies because it is also missing the General Liability COI.

If you could, please send a return email stating that either we are compliant or let me know what we need to fix. This email will be attached to the Legistar item in lieu of the blue (because we use a Master Template for Airport Hangar Agreements - previously approved by County Counsel).

Thank you for your assistance, **Debbie McGill** Administrative Technician
