Board of Supervisors 330 Fair Lane Placerville, CA 95667

Subject: U.S. Hwy. 50/Missouri Flat Road Interchange Project #71317;

Approval of Purchase and Sale Agreement and Certificate of Acceptance;

Jesus Lemus and Maria Gonzalez

Meeting Date: October 3, 2006

District/Supervisor: District 3 / Jack Sweeney

**Dear Board Members:** 

#### **Recommendations:**

The Department of Transportation recommends the Board of Supervisors:

- 1) Approve the Acquisition Agreement for Assessor's Parcel Number 327-130-18, owned by Jesus Lemus and Maria Gonzalez.
- 2) Authorize the Chairman to sign the Acquisition Agreement, and the Certificate of Acceptance for the Deed associated with the Agreement.
- 3) Authorize the Director of Transportation or designee to execute Escrow Instructions and any other related escrow documents pertaining to the transaction, including the payment of title and escrow fees and relocation assistance program benefits.

#### **Background:**

The US Hwy. 50/Missouri Flat Road Interchange Project #71317 requires that the subject property be acquired in its entirety for right of way purposes, in order to construct the new interchange.

On February 28, 2006, your Board authorized DOT's Right of Way Unit to engage in negotiations to acquire the subject property. The proposed purchase is consistent with the appraisal report prepared by Bender Rosenthal Inc. The appraisal report estimated the fair market value for the fee acquisition of the entire subject property, based upon current market data and comparable sales. Due to the acquisition of this property for the above-referenced project, the property owner is entitled to Relocation Assistance Program benefits that include advisory assistance, moving, incidental expenses and a replacement housing payment. The property owner can submit a claim within 18 months after acquisition by the County of the subject property for these benefits. Relocation benefits are estimated to be under \$31,200.

US Hwy. 50/Missouri Flat Road Interchange Project #71317 Approval of Purchase and Sale Agreement; Lemus/Gonzalez September 18, 2006 Page 2 of 2

#### Reasons for Recommendation(s):

The acquisition of the subject property is necessary in order to acquire the necessary right of way to accommodate the construction of the new interchange at U.S. Highway 50 and Missouri Flat Road.

#### **Fiscal Impact:**

The U.S. Hwy. 50/Missouri Flat Road IC Project, including the subject property acquisition costs of \$663,500, plus title and escrow fees of approximately \$3,600, as well as Relocation Assistance Program funds of approximately \$31,200 (total acquisition and relocation assistance program costs of \$698,300) is funded by a combination of General Plan Traffic Impact Mitigation fees (G.P. TIM), Regional Improvement Program funds, and Master Circulation & Funding Plan program. It is anticipated that right of way costs are to be funded with local funds, and sufficient funds are currently available for this acquisition.

#### **Net County Cost:**

There is no net County cost associated with this agenda item.

#### **Action to be Taken Following Approval:**

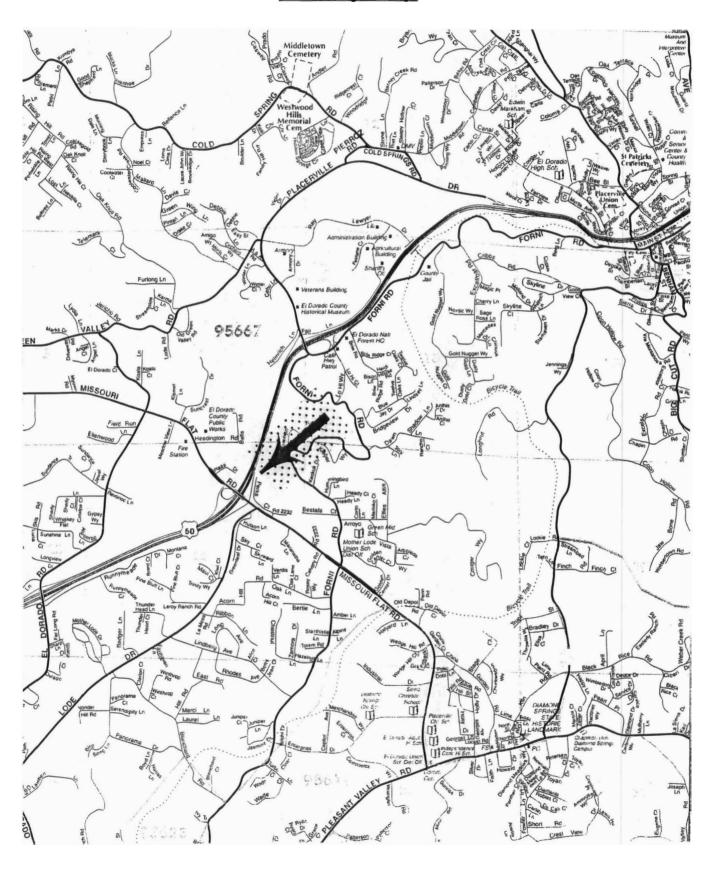

- 1) Chairman of the Board to execute the Acquisition Agreement with Jesus Lemus and Maria Gonzalez as to Parcel No. One, and Parcel No. Two, and the Certificate of Acceptance for the fee acquisition.
- 2) Director of Transportation or designee to sign the Escrow Instructions and any related escrow documents pertaining to the transaction.
- 3) All executed documents, and all funds necessary to the close the escrow, to be provided to the title company for final audit and recording. Upon receipt by the County of the relocation assistance claim form and supporting receipt(s) for eligible reimbursements, payment(s) will made directly to the title company for distribution to all verified relocation benefit claimants, as defined in the Uniform Act, as amended.

Sincerely,

Richard W. Shepard, P.E. Director of Transportation
